(u) Application of Interest to Reduce Principal Sums Due. In the event that any charge, interest or late charge is above the maximum rate provided by law, then any excess amount over the lawful rate shall be applied by Lender to reduce the principal sum of the Loan or any other amounts due Lender hereunder.

Until an Event of Default has occurred hereunder, the Debtor shall be entitled to possession or use of the Collateral (other than Instruments or Documents (including Tangible Chattel Paper and Investment Property consisting of certificated securities) and other Collateral required to be delivered to the Bank pursuant to this Section 2. The cancellation or surrender of any promissory note evidencing an Obligation, upon payment or otherwise, shall not affect the right of the Bank to retain the Collateral for any other of the Obligations.

2.3 Financing Statements. The Debtor shall, at the Bank's request, at any time and from time to time, execute and deliver to the Bank such financing statements, amendments and other documents and do such acts as the Bank deems necessary in order to establish and maintain valid, attached and perfected first priority security interests in the Collateral in favor of the Bank, for its own benefit and as agent for its Affiliates, free and clear of all Liens except Permitted Liens. The Debtor hereby irrevocably authorizes the Bank at any time, and from time to time, to file in any jurisdiction any initial financing statements and amendments thereto without the signature of the Debtor that (a) indicate the Collateral (i) is comprised of all assets of the Debtor or words of similar effect, regardless of whether any particular asset comprising a part of the Collateral falls within the scope of Article 9 of the Uniform Commercial Code of the jurisdiction wherein such financing statement or amendment is filed, or (ii) as being of an equal or lesser scope or within greater detail as the grant of the security interest set forth herein, and (b) contain any other information required by Section 5 of Article 9 of the Uniform Commercial Code of the jurisdiction wherein such financing statement or amendment is filed regarding the sufficiency or filing office acceptance of any financing statement or amendment, including (i) whether the Debtor is an organization, the type of organization and any Organizational Identification Number issued to the Debtor, and (ii) in the case of a financing statement filed as a fixture filing or indicating Collateral as as-extracted collateral or timber to be cut, a sufficient description of the real property to which the Collateral relates. The Debtor hereby agrees that a photogenic or other reproduction of this Security Agreement is sufficient for filing as a financing statement and the Debtor authorizes the Bank to file this Security Agreement as a financing statement in any jurisdiction. The Debtor agrees to furnish any such information to the Bank promptly upon request. The Debtor further ratifies and affirms its authorization for any financing statements and/or amendments thereto, executed and filed by the Bank in any jurisdiction prior to the date of this Security Agreement. In addition, the Debtor shall make appropriate entries on its books and records disclosing the security interests of the Bank, for its own benefit and as agent for its Affiliates, in the Collateral.

2.4 Preservation of the Collateral. The Bank may, but is not required, to take such actions from time to time as the Bank deems appropriate to maintain or protect the Collateral. The Bank shall have exercised reasonable care in the custody and preservation of the Collateral if the Bank takes such action as the Debtor shall reasonably request in writing which is not inconsistent with the Bank's status as a secured party, but the failure of the Bank to comply with any such request shall not be deemed a failure to exercise reasonable care; provided, however, the Bank's responsibility for the safekeeping of the Collateral shall (i) be deemed reasonable if such Collateral is accorded treatment substantially equal to that which the Bank accords its own property, and (ii) not extend to matters beyond the control of the Bank, including acts of God, war, insurrection, riot or governmental actions. In addition, any failure of the Bank to preserve or protect any rights with respect to the Collateral against prior or third parties, or to do any act with respect to preservation of the Collateral, not so requested by the Debtor, shall not be deemed a failure to exercise reasonable care in the custody or preservation of the Collateral, absent Bank's gross negligence or willful misconduct. The Debtor shall have the sole responsibility for taking such action as may be necessary, from time to time, to preserve all rights of the Debtor and the Bank in the Collateral against prior or third parties. Without limiting the generality of the foregoing, where Collateral consists in whole or in part of securities, the Debtor represents to, and covenants with, the Bank that the Debtor has made arrangements for keeping informed of changes or potential changes affecting the securities (including rights to convert or subscribe, payment of dividends, reorganization or other exchanges, tender offers and voting rights), and the Debtor agrees that the Bank shall have no responsibility or liability for informing the Debtor of any such or other changes or potential changes or for taking any action or omitting to take any action with respect thereto.

2.5 Other Actions as to any and all Collateral. The Debtor further agrees to take any other action reasonably requested by the Bank to ensure the attachment and perfection and first priority of, and

the ability of the Bank to enforce, the security interest of the Bank, for its own benefit and as agent for its Affiliates, in any and all of the Collateral, including (a) complying with any provision of any statute, regulation or treaty of the United States as to any Collateral if compliance with such provision is a condition to attachment, perfection or priority of, or ability of the Bank to enforce, the security interest of the Bank, for its own benefit and as agent for its Affiliates, in such Collateral, (b) to the extent required under the Loan Agreement, obtaining waivers from mortgagees and landlords in form and substance reasonably satisfactory to the Bank, and (c) taking all actions required by the UCC in effect from time to time or by other law, as applicable in any relevant UCC jurisdiction, or by other law as applicable in any foreign jurisdiction. The Debtor further agrees to indemnify and hold the Bank harmless against claims of any Persons not a party to this Security Agreement concerning disputes arising over the Collateral, absent Bank's gross negligence or willful misconduct.

2.6 Collateral in the Possession of a Warehouseman or Bailee. If any material portion of the Collateral at any time is in the possession of a warehouseman or bailee, the Debtor shall promptly notify the Bank thereof, and shall promptly use commercially reasonable efforts at Bank's request to obtain a Collateral Access Agreement.

2.7 Letter-of-Credit Rights. If the Debtor at any time is a beneficiary under a letter of credit now or hereafter issued in favor of the Debtor, the Debtor shall promptly notify the Bank thereof and, at the request and option of the Bank, the Debtor shall, pursuant to an agreement in form and substance satisfactory to the Bank, either (i) arrange for the issuer and any confirmer of such letter of credit to consent to an assignment to the Bank, for its own benefit and as agent for its Affiliates, of the proceeds of any drawing under the letter of credit, or (ii) arrange for the Bank, for its own benefit and as agent for its Affiliates, to become the transferee beneficiary of the letter of credit, with the Bank agreeing, in each case, that the proceeds of any drawing under the letter to credit are to be applied as provided in this Security Agreement.

2.8 Commercial Tort Claims. If the Debtor shall at any time hold or acquire a Commercial Tort Claim, the Debtor shall promptly notify the Bank in writing signed by the Debtor of the details thereof and grant to the Bank for its own benefit and as agent for its Affiliates, in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Security Agreement, in each case in form and substance satisfactory to the Bank, and shall execute any amendments thereto deemed reasonably necessary by the Bank to perfect the security interest of the Bank, for its own benefit and as agent for its Affiliates, in such Commercial Tort Claim.

2.9 Electronic Chattel Paper and Transferable Records. If the Debtor at any time holds or acquires an interest in any electronic chattel paper or any "transferable record", as that term is defined in Section 201 of the federal Electronic Signatures in Global and National Commerce Act, or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction, the Debtor shall promptly notify the Bank thereof and, at the request of the Bank, shall take such action as the Bank may reasonably request to vest in the Bank control under Section 9-105 of the UCC of such electronic chattel paper or control under Section 201 of the federal Electronic Signatures in Global and National Commerce Act or, as the case may be, §16 of the Uniform Electronic Transactions Act, as so in effect in such jurisdiction, of such transferable record. The Bank agrees with the Debtor that the Bank will arrange, pursuant to procedures satisfactory to the Bank and so long as such procedures will not result in the Bank's loss of control, for the Debtor to make alterations to the electronic chattel paper or transferable record permitted under Section 9-105 of the UCC or, as the case may be, Section 201 of the federal Electronic Signatures in Global and National Commerce Act or Section 16 of the Uniform Electronic Transactions Act for a party in control to make without loss of control.

3.6 [Reserved]

3.7 [Reserved]

3.8 **Security Interest.** This Security Agreement creates a valid security interest in favor of the Bank in the Collateral and, when properly perfected by filing in the appropriate jurisdictions, or by possession or Control of such Collateral by the Bank or delivery of such Collateral to the Bank, shall, constitute a valid, perfected, first priority security interest in the Collateral to the extent a security interest in such Collateral may be perfected under Article 9 of the UCC.

3.9 **Place of Business.** The principal place of business and books and records of the Debtor as of the hereof is set forth in the preamble to this Security Agreement. The Debtor will not remove or permit the Collateral to be removed from such locations without the prior written consent of the Bank, except for Inventory sold in the usual and ordinary course of the Debtor's business or as otherwise permitted under the Loan Agreement.

Section 4 AFFIRMATIVE COVENANTS.

4.1 Debtor Existence. The Debtor shall at all times preserve and maintain its (a) its existence and good standing in the jurisdiction of its organization, and (b) its qualification to do business and good standing in each jurisdiction where the nature of its business makes such qualification necessary (other than such jurisdictions in which the failure to be qualified or in good standing could not reasonably be expected to have a Material Adverse Effect), and shall at all times continue as a going concern in the business which the Debtor is presently conducting. If the Debtor does not have an Organizational Identification Number and later obtains one, the Debtor shall promptly notify the Bank of such Organizational Identification Number.

4.2 Compliance with Laws. The Debtor shall comply in all respects, including the conduct of its business and operations and the use of the Collateral, with all applicable laws, rules, regulations, decrees, orders, judgments, licenses and permits, except where failure to comply could not reasonably be expected to have a Material Adverse Effect.

4.3 [Reserved.]

4.4 Maintain Property. The Debtor shall at all times maintain, preserve and keep the Collateral, in good repair, working order and condition, normal wear and tear excepted. The Debtor shall permit the Bank to examine and inspect such Collateral, at all reasonable times to the extent provided under the Loan Agreement.

4.5 Maintain Insurance. The Debtor shall at all times maintain, and cause each Subsidiary to maintain, with insurance companies reasonably acceptable to the Bank, such insurance coverage as may be required by any law or governmental regulation or court decree or order applicable to it and such other insurance, to such extent and against such hazards and liabilities, including employers', public and professional liability risks, as is customarily maintained by companies similarly situated, as provided in the Loan Agreement. The Debtor shall furnish to the Bank a certificate setting forth in reasonable detail the nature and extent of all insurance maintained by the Debtor, which shall be reasonably acceptable in all respects to the Bank. The Debtor shall cause each issuer of an insurance policy to provide the Bank with an endorsement (i) showing the Bank as loss payee and as additional insured with respect to each policy of property or casualty insurance; and (ii) providing that thirty (30) days notice will be given to the Bank prior to any cancellation of, material reduction or change in coverage provided by or other material modification to such policy.

4.6 In the event the Debtor either fails to provide the Bank with evidence of the insurance coverage required by this Section or at any time hereafter shall fail to obtain or maintain any of the policies of insurance required above, or to pay any premium in whole or in part relating thereto, then the Bank, without waiving or releasing any obligation or default by the Debtor hereunder, may at any time (but shall be under no obligation to so act), obtain and maintain such policies of insurance and pay such premiums and take any other action with respect thereto, which the Bank deems advisable. This insurance coverage (a) may, but need not, protect the Debtor's interests in such property, including the Collateral, and (b) may not pay any claim made by, or against, the Debtor in connection with such property, including the Collateral. The Debtor may later cancel any such insurance purchased by the Bank, but only after providing the Bank with evidence that the Debtor has obtained the insurance coverage required by this Section. If the Bank purchases insurance for the Collateral, the Debtor will be

responsible for the costs of that insurance, including interest and any other charges that may be imposed with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to the principal amount of the Loans owing hereunder. The costs of the insurance may be more than the cost of the insurance the Debtor may be able to obtain on its own.

4.7 Field Audits. Upon reasonable advance written notice and during reasonable normal business hours, no more than twice annually (unless an Event of Default has occurred and is continuing), the Debtor shall permit the Bank to inspect the Inventory and other Collateral, to perform appraisals of the Inventory of the Debtor, and to inspect, audit, check and make copies of, and extracts from, the books, records, computer data, computer programs, journals, orders, receipts, correspondence and other data relating to Inventory, Accounts and any other Collateral. All such inspections or audits by the Bank shall be at the Debtor's sole expense.

4.8 Collateral Records. The Debtor shall keep full and accurate books and records relating to the Collateral and shall mark such books and records to indicate the Bank's Lien in the Collateral including placing a legend, in form and content acceptable to the Bank, on all Chattel Paper created by the Debtor indicating that the Bank has a Lien in such Chattel Paper.

Section 5 REMEDIES.

Upon the occurrence of an Event of Default (as defined in the Loan Agreement) beyond the expiration of any applicable grace or cure periods (if any), the Bank shall have all rights, powers and remedies set forth in this Security Agreement or the other Loan Documents or in any other written agreement or instrument relating to any of the Obligations or any security therefor, as a secured party under the UCC or as otherwise provided at law or in equity. Without limiting the generality of the foregoing, the Bank may, at its option upon the occurrence of an Event of Default, declare its commitments to the Borrower or the Debtor to be terminated and all Obligations to be immediately due and payable, or, if provided in the Loan Documents, all commitments of the Bank to the Borrower or the Debtor shall immediately terminate and all Obligations shall be automatically due and payable, all without demand, notice or further action of any kind required on the part of the Bank. The Debtor hereby waives any and all presentment, demand, notice of dishonor, protest, and all other notices and demands in connection with the enforcement of Bank's rights under the Loan Documents, and hereby consents to, and waives notice of release, with or without consideration, of any Collateral, notwithstanding anything contained herein or in the Loan Documents to the contrary. In addition to the foregoing:

5.1 Possession and Assembly of Collateral. The Bank may, without notice, demand or legal process of any kind, take possession of any or all of the Collateral (in addition to Collateral of which the Bank already has possession), wherever it may be found, and for that purpose may pursue the same wherever it may be found, and may at any time enter into any of the Debtor's premises where any of the Collateral may be or is supposed to be, and search for, take possession of, remove, keep and store any of the Collateral until the same shall be sold or otherwise disposed of and the Bank shall have the right to store and conduct a sale of the same in any of the Debtor's premises without cost to the Bank. At the Bank's request, the Debtor will, at the Debtor's sole expense, assemble the Collateral and make it available to the Bank at a place or places to be designated by the Bank which is reasonably convenient to the Bank and the Debtor.

5.2 Sale of Collateral. The Bank may sell any or all of the Collateral at public or private sale, upon such terms and conditions as the Bank may deem proper, and the Bank may purchase any or all of

the Collateral at any such sale. The Debtor acknowledges that the Bank may be unable to effect a public sale of all or any portion of the Collateral because of certain legal and/or practical restrictions and provisions which may be applicable to the Collateral and, therefore, may be compelled to resort to one or more private sales to a restricted group of offerees and purchasers. The Debtor consents to any such private sale so made even though at places and upon terms less favorable than if the Collateral was sold at public sale. The Bank shall have no obligation to clean-up or otherwise prepare the Collateral for sale. The Bank may apply the net proceeds, after deducting all costs, expenses, reasonable attorneys' and paralegals' fees incurred or paid at any time in the collection, protection and sale of the Collateral and the Obligations, to the payment of the Obligations, returning the excess proceeds, if any, to the Debtor. The Debtor and/or the Borrower shall remain liable for any amount remaining unpaid after such application, with interest at the Default Rate. Any notification of intended disposition of the Collateral required by law shall be conclusively deemed reasonable and properly given if given by the Bank at least ten (10) calendar days before the date of such disposition. The Debtor hereby confirms, approves and ratifies all acts and deeds of the Bank relating to the foregoing, and each part thereof, and expressly waives any and all claims of any nature, kind or description which it has or may hereafter have against the Bank or its representatives, by reason of taking, selling or collecting any portion of the Collateral absent Bank's bad faith, gross negligence, willful misconduct or material breach of contract. The Debtor consents, effective after the acceleration of the Obligations during the existence of an Event of Default, to release of the Collateral at any time and to commercially reasonable sales of the Collateral in groups, parcels or portions, or as an entirety, as the Bank shall deem appropriate. The Debtor expressly absolves the Bank from any loss or decline in market value of any Collateral by reason of delay in the enforcement or assertion or non-enforcement of any rights or remedies under this Security Agreement.

5.3 Standards for Exercising Remedies. To the extent that applicable law imposes duties on the Bank to exercise remedies in a commercially reasonable manner, the Debtor acknowledges and agrees that, subject to applicable law, it is not commercially unreasonable for the Bank (a) to fail to incur expenses reasonably deemed significant by the Bank to prepare Collateral for disposition or otherwise to complete raw material or work-in-process into finished goods or other finished products for disposition, (b) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of, (c) to fail to exercise collection remedies against Account Debtors or other Persons obligated on Collateral or to remove liens or encumbrances on or any adverse claims against Collateral, (d) to exercise collection remedies against Account Debtors and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (e) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (f) to contact other Persons, whether or not in the same business as the Debtor, for expressions of interest in acquiring all or any portion of the Collateral, (g) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the collateral is of a specialized nature, (h) to dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets, (i) to dispose of assets in wholesale rather than retail markets, (j) to disclaim disposition warranties, including any warranties of title, (k) to purchase insurance or credit enhancements to insure the Bank against risks of loss, collection or disposition of Collateral or to provide to the Bank a guaranteed return from the collection or disposition of Collateral, or (l) to the extent deemed appropriate by the Bank, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Bank in the collection or disposition of any of the Collateral. The Debtor acknowledges that the purpose of this section is to provide non-exhaustive indications of what actions or omissions by the Bank would not be commercially unreasonable in the Bank's exercise of remedies against the Collateral and that other actions or omissions by the Bank shall not be deemed

commercially unreasonable solely on account of not being indicated in this section. Without limitation upon the foregoing, nothing contained in this section shall be construed to grant any rights to the Debtor or to impose any duties on the Bank that would not have been granted or imposed by this Security Agreement or by applicable law in the absence of this section.

5.4 UCC and Offset Rights. The Bank may exercise, from time to time, any and all rights and remedies available to it under the UCC or under any other applicable law in addition to, and not in lieu of, any rights and remedies expressly granted in this Security Agreement or in any other agreements between any Obligor and the Bank, and may, without demand or notice of any kind, appropriate and apply toward the payment of such of the Obligations then due and owing, whether matured or unmatured, including costs of collection and reasonable attorneys' and paralegals' fees, and in such order of application as the Bank may, from time to time elect, any indebtedness of the Bank to any Obligor, however created or arising, including balances, credits, deposits, accounts or moneys of such Obligor in the possession, control or custody of, or in transit to the Bank. The Debtor, on behalf of itself and each Obligor, hereby waives the benefit of any law that would otherwise restrict or limit the Bank in the exercise of its right, which is hereby acknowledged, to appropriate at any time hereafter any such indebtedness owing from the Bank to any Obligor.

5.5 Additional Remedies. The Bank shall have the right and power to:

(a) instruct the Debtor, at its own expense, to notify any parties obligated on any of the Collateral, including any Account Debtors, to make payment directly to the Bank of any amounts due or to become due thereunder, or, the Bank may directly notify such obligors of the security interest of the Bank, and/or of the assignment to the Bank of the Collateral and direct such obligors to make payment to the Bank of any amounts due or to become due with respect thereto, and thereafter, collect any such amounts due on the Collateral directly from such Persons obligated thereon;

(b) enforce collection of any of the Collateral, including any Accounts, by suit or otherwise, or make any compromise or settlement with respect to any of the Collateral, or surrender, release or exchange all or any part thereof, or compromise, extend or renew for any period (whether or not longer than the original period) any indebtedness thereunder;

(c) take possession or control of any proceeds and products of any of the Collateral, including the proceeds of insurance thereon;

(d) extend, renew or modify for one or more periods (whether or not longer than the original period) the Obligations or any obligation of any nature of any other obligor with respect to the Obligations;

(e) grant releases, compromises or indulgences with respect to the Obligations, any extension or renewal of any of the Obligations, any security therefor, or to any other obligor with respect to the Obligations;

(f) transfer the whole or any part of securities which may constitute Collateral into the name of the Bank or the Bank's nominee without disclosing, if the Bank so desires, that such securities so transferred are subject to the security interest of the Bank, and any corporation, association, or any of the managers or trustees of any trust issuing any of such securities, or any transfer agent, shall not be bound to inquire, in the event that the Bank or such nominee makes any further transfer of such securities, or any portion thereof, as to whether the Bank or such

nominee has the right to make such further transfer, and shall not be liable for transferring the same;

(g) vote the Collateral;

(h) make an election with respect to the Collateral under Section 1111 of the Bankruptcy Code or take action under Section 364 or any other section of the Bankruptcy Code; provided, however, that any such action of the Bank as set forth herein shall not, in any manner whatsoever, impair or affect the liability of the Debtor hereunder, nor prejudice, waive, nor be construed to impair, affect, prejudice or waive the Bank's rights and remedies at law, in equity or by statute, nor release, discharge, nor be construed to release or discharge, the Debtor, any guarantor or other Person liable to the Bank for the Obligations; and

(i) at any time, and from time to time, accept additions to, releases, reductions, exchanges or substitution of the Collateral, without in any way altering, impairing, diminishing or affecting the provisions of this Security Agreement, the Loan Documents, or any of the other Obligations, or the Bank's rights hereunder, under the Obligations.

The Debtor hereby ratifies and confirms whatever the Bank may do with respect to the Collateral and agrees that the Bank shall not be liable for any error of judgment or mistakes of fact or law with respect to actions taken in connection with the Collateral.

5.6 Attorney-in-Fact. The Debtor hereby irrevocably makes, constitutes and appoints the Bank (and any officer of the Bank or any Person designated by the Bank for that purpose) as the Debtor's true and lawful proxy and attorney-in-fact (and agent-in-fact) in the Debtor's name, place and stead, with full power of substitution, to (i) take such actions as are permitted in this Security Agreement, (ii) execute such financing statements and other documents and to do such other acts as the Bank may require to perfect and preserve the Bank's security interest in, and to enforce such interests in the Collateral, and (iii) during the occurrence of an Event of Default, carry out any remedy provided for in this Security Agreement, including endorsing the Debtor's name to checks, drafts, instruments and other items of payment, and proceeds of the Collateral, executing change of address forms with the postmaster of the United States Post Office serving the address of the Debtor, changing the address of the Debtor to that of the Bank, opening all envelopes addressed to the Debtor and applying any payments contained therein to the Obligations. The Debtor hereby acknowledges that the constitution and appointment of such proxy and attorney-in-fact are coupled with an interest and are irrevocable. The Debtor hereby ratifies and confirms all that such attorney-in-fact may do or cause to be done by virtue of any provision of this Security Agreement.

5.7 No Marshaling. The Bank shall not be required to marshal any present or future collateral security (including this Security Agreement and the Collateral) for, or other assurances of payment of, the Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order. To the extent that it lawfully may, the Debtor hereby agrees that it will not invoke any law relating to the marshaling of collateral which might cause delay in or impede the enforcement of the Bank's rights under this Security Agreement or under any other instrument creating or evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, the Debtor hereby irrevocably waives the benefits of all such laws.

5.8 Application of Proceeds. The Bank will within a commercially reasonable time after receipt of cash or solvent credits from collection of items of payment, proceeds of Collateral or any other

source, apply the whole or any part thereof against the Obligations secured hereby. The Bank shall further have the exclusive right to determine how, when and what application of such payments and such credits shall be made on the Obligations, and such determination shall be conclusive upon the Obligors. Any proceeds of any disposition by the Bank of all or any part of the Collateral during the continuation of an Event of Default may be first applied by the Bank to the payment of expenses incurred by the Bank in connection with the Collateral, including reasonable attorneys' fees and legal expenses as provided for in Section 6.13 hereof.

5.9 No Waiver. No Event of Default shall be waived by the Bank except in writing. No failure or delay on the part of the Bank in exercising any right, power or remedy hereunder shall operate as a waiver of the exercise of the same or any other right at any other time; nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. There shall be no obligation on the part of the Bank to exercise any remedy available to the Bank in any order. The remedies provided for herein are cumulative and not exclusive of any remedies provided at law or in equity. The Debtor agrees that in the event that the Debtor fails to perform, observe or discharge any of its Obligations or liabilities under this Security Agreement or any other agreements with the Bank, no remedy of law will provide adequate relief to the Bank, and further agrees that the Bank shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving actual damages.

Section 6 MISCELLANEOUS.

6.1 Entire Agreement. This Security Agreement and the other Loan Documents (i) are valid, binding and enforceable against the Debtor and the Bank in accordance with their respective provisions and no conditions exist as to their legal effectiveness; (ii) constitute the entire agreement between the parties with respect to the subject matter hereof and thereof; and (iii) are the final expression of the intentions of the Debtor and the Bank. No promises, either expressed or implied, exist between the Debtor and the Bank, unless contained herein or therein. This Security Agreement, together with the other Loan Documents, supersedes all negotiations, representations, warranties, commitments, term sheets, discussions, negotiations, offers or contracts (of any kind or nature, whether oral or written) prior to or contemporaneous with the execution hereof with respect to any matter, directly or indirectly related to the terms of this Security Agreement and the other Loan Documents. This Security Agreement and the other Loan Documents are the result of negotiations among the Bank, the Debtor and the other parties thereto, and have been reviewed (or have had the opportunity to be reviewed) by counsel to all such parties, and are the products of all parties. Accordingly, this Security Agreement and the other Loan Documents shall not be construed more strictly against the Bank merely because of the Bank's involvement in their preparation.

6.2 Amendments; Waivers. No delay on the part of the Bank in the exercise of any right, power or remedy shall operate as a waiver thereof, nor shall any single or partial exercise by the Bank of any right, power or remedy preclude other or further exercise thereof, or the exercise of any other right, power or remedy. No amendment, modification or waiver of, or consent with respect to, any provision of this Security Agreement or the other Loan Documents shall in any event be effective unless the same shall be in writing and acknowledged by the Bank, and then any such amendment, modification, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

6.3 WAIVER OF DEFENSES. SUBJECT TO APPLICABLE LAW, THE DEBTOR, ON BEHALF OF ITSELF AND ANY GUARANTOR OF ANY OF THE OBLIGATIONS, WAIVES EVERY PRESENT AND FUTURE DEFENSE, CAUSE OF ACTION, COUNTERCLAIM OR SETOFF

WHICH THE DEBTOR MAY NOW HAVE OR HEREAFTER MAY HAVE TO ANY ACTION BY THE BANK IN ENFORCING THIS SECURITY AGREEMENT. PROVIDED THE BANK ACTS IN GOOD FAITH, AND WITHOUT GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, THE DEBTOR RATIFIES AND CONFIRMS WHATEVER THE BANK MAY DO PURSUANT TO THE TERMS OF THIS SECURITY AGREEMENT. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE BANK GRANTING ANY FINANCIAL ACCOMMODATION TO THE DEBTOR.

6.4 FORUM SELECTION AND CONSENT TO JURISDICTION. ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH THIS SECURITY AGREEMENT OR ANY OTHER LOAN DOCUMENT, SHALL BE BROUGHT AND MAINTAINED EXCLUSIVELY IN THE COURTS OF MIAMI-DADE COUNTY, THE STATE OF FLORIDA OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF FLORIDA; PROVIDED THAT NOTHING IN THIS SECURITY AGREEMENT SHALL BE DEEMED OR OPERATE TO PRECLUDE THE BANK FROM BRINGING SUIT OR TAKING OTHER LEGAL ACTION IN ANY OTHER JURISDICTION. THE DEBTOR HEREBY EXPRESSLY AND IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE COURTS OF MIAMI-DADE COUNTY, STATE OF FLORIDA AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF FLORIDA FOR THE PURPOSE OF ANY SUCH LITIGATION AS SET FORTH ABOVE. THE DEBTOR FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS BY REGISTERED MAIL, POSTAGE PREPAID, OR BY PERSONAL SERVICE WITHIN OR WITHOUT THE STATE OF FLORIDA. THE DEBTOR HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

6.5 WAIVER OF JURY TRIAL. THE BANK AND THE DEBTOR, AFTER CONSULTING OR HAVING HAD THE OPPORTUNITY TO CONSULT WITH COUNSEL, EACH KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE IRREVOCABLY, ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS SECURITY AGREEMENT, ANY NOTE, ANY OTHER LOAN DOCUMENT, ANY OF THE OTHER OBLIGATIONS, THE COLLATERAL, OR ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HEREWITH OR THEREWITH OR ARISING FROM ANY LENDING RELATIONSHIP EXISTING IN CONNECTION WITH ANY OF THE FOREGOING, OR ANY COURSE OF CONDUCT OR COURSE OF DEALING IN WHICH THE BANK AND THE DEBTOR ARE ADVERSE PARTIES, AND EACH AGREES THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE BANK GRANTING ANY FINANCIAL ACCOMMODATION TO THE DEBTOR.

6.6 Assignability. The Bank may at any time assign the Bank's rights in this Security Agreement, the other Loan Documents, the Obligations, or any part thereof and transfer the Bank's rights in any or all of the Collateral, and the Bank thereafter shall be relieved from all liability with respect to such Collateral. This Security Agreement shall be binding upon the Bank and the Debtor and their respective legal representatives and successors. All references herein to the Debtor shall be deemed to include any successors, whether immediate or remote. In the case of a joint venture or partnership, the term "Debtor" shall be deemed to include all joint venturers or partners thereof, who shall be jointly and severally liable hereunder.

6.7 Binding Effect. This Security Agreement shall become effective upon execution by the Debtor and the Bank. If this Security Agreement is not dated or contains any blanks when executed by the Debtor, the Bank is hereby authorized, without notice to the Debtor, to date this Security Agreement as of the date when it was executed by the Debtor, and to complete any such blanks according to the terms upon which this Security Agreement is executed.

6.8 Governing Law. This Security Agreement shall be delivered and accepted in and shall be deemed to be a contract made under and governed by the internal laws of the State of Florida (but giving effect to federal laws applicable to national banks) applicable to contracts made and to be performed entirely within such state, without regard to conflict of laws principles.

6.9 Enforceability. Wherever possible, each provision of this Security Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Security Agreement shall be prohibited by, unenforceable or invalid under any jurisdiction, such provision shall as to such jurisdiction, be severable and be ineffective to the extent of such prohibition or invalidity, without invalidating the remaining provisions of this Security Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

6.10 Time of Essence. Time is of the essence in making payments of all amounts due the Bank under this Security Agreement and in the performance and observance by the Debtor of each covenant, agreement, provision and term of this Security Agreement.

6.11 Counterparts; Facsimile Signatures. This Security Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Security Agreement. Receipt of an executed signature page to this Security Agreement by facsimile or other electronic transmission shall constitute effective delivery thereof. Electronic records of executed Loan Documents maintained by the Bank shall be deemed to be originals thereof.

6.12 Notices. All notices from the Debtor to Lender and Lender to Debtor required or permitted by any provision of this Security Agreement shall be in writing and sent by registered or certified mail, by nationally recognized overnight delivery service, by facsimile or by electronic communication (e-mail) and addressed as follows:

6.13 Costs, Fees and Expenses. In furtherance of the foregoing, the Debtor shall pay any and all stamp and other taxes, UCC search fees, filing fees and other costs and expenses in connection with the execution and delivery of this Security Agreement and the other Loan Documents to be delivered hereunder, and agrees to save and hold the Bank harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such costs and expenses. That portion of the Obligations consisting of costs, expenses or advances to be reimbursed by the Debtor to the Bank pursuant to this Security Agreement or the other Loan Documents which are not paid on or prior to the date hereof shall be payable by the Debtor to the Bank on demand. If at any time or times hereafter the Bank: (a) employs counsel for advice or other representation (i) with respect to this Security Agreement or the other Loan Documents, (ii) to represent the Bank in any litigation, contest, dispute, suit or proceeding or to commence, defend, or intervene or to take any other action in or with respect to any litigation, contest, dispute, suit, or proceeding (whether instituted by the Bank, the Debtor, or any other Person) in any way or respect relating to this Security Agreement, or (iii) to enforce any rights of the Bank against the Debtor or any other Person under of this Security Agreement; (b) takes any action to protect, collect, sell, liquidate, or otherwise dispose of any of the Collateral; and/or (c) attempts to or enforces any of the Bank's rights or remedies under this Security Agreement, the costs and expenses incurred by the Bank in any manner or way with respect to the foregoing, shall be part of the Obligations, payable by the Debtor to the Bank on demand.

- (i) From the date hereof until and including the Maturity Date, Borrower may borrow, repay and re-borrow, and Lender shall advance and re-advance under this Note from time to time, so long as the total principal balance outstanding at any one time does not exceed the principal amount stated on the face of this Note. Lender’s obligation to make advances under this Note shall terminate upon the earlier to occur of: (i) an Event of Default under this Note, or (ii) the Maturity Date.
- (ii) Interest shall accrue on the unpaid principal balance of this Note from the date hereof at a rate per annum equal to the LIBOR 30-Day Rate (as defined below), plus 3.25% (as the same may be modified below, the “Interest Rate Margin”) (as the same may be modified below, the “Interest Rate”).
- (iii) As used herein, “LIBOR 30-Day Rate” means the rate of interest per annum equal to the London Interbank Offered Rate (“LIBOR”) for thirty (30) day U.S. dollar deposits as published in the “Money Rates” column of the local edition of The Wall Street Journal. If such LIBOR 30-Day Rate is no longer available from the Wall Street Journal, but otherwise continues to be readily available from another publisher in the marketplace, Lender, at its sole discretion, shall choose a new publisher of the LIBOR 30-Day Rate. The Interest Rate will be effective on and from the date hereof, based on the most recent rate information available, and will be effective until the last day of said month. The interest rate shall be thereafter be adjusted on the first (1st) day of each calendar month to

the current LIBOR 30-Day Rate or, if applicable, the current LIBOR Successor Rate (as defined below), plus the Interest Rate Margin, or, if applicable, the Successor Interest Rate Margin (as defined below), based on the most recent rate information available on the date that the interest rate is adjusted and such rate shall be effective until the end of each such calendar month.

- (iv) If The Wall Street Journal or its successor ceases to publish the LIBOR 30-Day Rate, or if LIBOR is permanently or indefinitely unavailable or unascertainable, or a Governmental Authority (as defined in the Loan Agreement, and including the Board of Governors of the Federal Reserve, the Office of the Comptroller of the Currency, or the Alternative Reference Rates Committee), has made a public statement identifying a specific date after which the LIBOR 30-Day Rate shall no longer be made available or used for determining the interest rate of loans (the "LIBOR Sunset Date"), then at any time within 90 days of the LIBOR Sunset Date, or reasonably promptly after such occurrence, Lender shall amend this Note (without the need for any action or consent by Borrower) to (i) replace the LIBOR 30-Day Rate with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein), giving consideration to any similar loans for such alternative benchmarks (any such proposed rate, a "LIBOR Successor Rate"), (ii) adjust the Interest Rate Margin on a permanent basis (the "Adjusted Interest Rate Margin") by a factor equal to the positive or negative difference which, on the date of the adjustment, will make the LIBOR 30-Day Rate plus the Interest Rate Margin substantially equal to the LIBOR Successor Rate plus the Adjusted Interest Rate Margin, and (iii) make any LIBOR Successor Rate Changes (as defined below), and Lender shall give Borrower prompt notice thereof (it being understood that such amendment may become effective prior to such notice). In the event that on the date selected by Lender to make the change from the LIBOR 30-Day Rate to the LIBOR Successor Rate, the LIBOR 30-Day Rate is either 50 basis points above or below the prior day's rate, then in order to substitute a fair LIBOR Successor Rate, the Lender shall be required to use a mathematical average of the last 60 days of the LIBOR 30-Day Rate instead of the LIBOR 30-Day Rate on the date of the change. For clarification purposes, the intent of this language is that, **at the time of the transition and substitution** from the LIBOR 30-Day Rate to the LIBOR Successor Rate, the effective Interest Rate under the Note shall be mathematically as close as possible to what the effective Interest Rate was prior to the change. Thereafter, the Interest Rate will adjust monthly (subject to LIBOR Successor Rate Changes) based on the then current LIBOR Successor Rate plus the Adjusted Interest Rate Margin.
- (v) For purposes hereof, "LIBOR Successor Rate Changes" means, with respect to any LIBOR Successor Rate and the Adjusted Interest Rate Margin, any changes to the timing and frequency of determining rates and other administrative matters as may be appropriate, in the discretion of Lender, to reflect the adoption of the LIBOR Successor Rate and the Adjusted Interest Rate Margin and to permit the administration thereof by Lender in a manner reasonably consistent with market practice.
- (vi) Interest shall be calculated at the rate of 1/360 of the annual rate of interest for each day that principal is outstanding (i.e., interest will not accrue and be paid on the actual number of calendar days elapsed from the date hereof based on a 360 day year).

B. Payment Terms:

Guarantor is a subsidiary of VCI and a sub-parent of Venus USA and Venus Canada and will receive a material benefit from Lender making the Loan to Borrower. For good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and in order to induce Lender to make the Loan to Borrower, Guarantor hereby guarantees to Lender the prompt and full payment of the Indebtedness described below in this Guaranty (collectively called the "Guaranteed Obligations"), this Guaranty being upon the following terms and conditions:

Section 1. Guaranty of Payment.

Guarantor hereby unconditionally and irrevocably guarantees to Lender the punctual payment when due, whether by lapse of time, by acceleration of maturity, or otherwise, of all principal, interest (including interest accruing after maturity and after the commencement of any bankruptcy or insolvency proceeding by or against Borrower, whether or not allowed in such proceeding), prepayment premiums, fees, late charges, costs, expenses, indemnification indebtedness, and other sums of money now or hereafter due and owing, or which Borrower is obligated to pay, pursuant to the terms of the Note, the Loan Agreement, the Security Agreements by and between Borrower and Lender (the "Security Agreements"), any application, agreement, note or other document executed and delivered by Borrower in connection with any Loan, or any of the other Loan Documents, including, without limitation, any letter of credit issued by Lender in connection with the Loan, as the same may from time to time be amended, supplemented, restated or otherwise modified (collectively, the "Indebtedness"). The Indebtedness includes all reasonable costs and expenses incurred by Lender in seeking to enforce

Lender's rights and remedies with respect to the Indebtedness, and to protect, defend, maintain or enforce Lender's liens or security interests, including, without limitation, collection costs, default rates of interest, reasonable attorneys' fees and costs at trial and appellate levels and related costs, and costs of alternative dispute resolution, whether or not suit is filed or other proceedings are initiated thereon. This Guaranty covers the Indebtedness presently outstanding and the Indebtedness arising subsequent to the date hereof, including all amounts advanced by Lender in stages or installments. The guaranty of Guarantor as set forth in this Section is a continuing guaranty of payment and not a guaranty of collection.

The foregoing obligations guaranteed under this Section are defined as the "Guaranteed Payment Obligations". The Guaranteed Payment Obligations are included as part of the Guaranteed Obligations for all purposes of this Guaranty.

Section 2. Guaranty of Performance.

Guarantor hereby unconditionally and irrevocably guarantees to Lender the complete performance when due of all other Obligations of Borrower under all of the Loan Documents, including, without limiting the generality of the foregoing, all such Obligations of Borrower to duly and punctually perform and observe all other terms, covenants and conditions of the Note, the Loan Agreement, and all other Loan Documents.

The foregoing obligations guaranteed under this Section are defined as the "Guaranteed Performance Obligations." The Guaranteed Performance Obligations are included as part of the Guaranteed Obligations for all purposes of this Guaranty.

The liability and obligations under this Section shall not be limited or restricted by the existence of, or any terms of, the guaranty of payment under Section 1.

Section 3. Primary Liability of Guarantor.

(a) This Guaranty is an absolute, irrevocable and unconditional guaranty of payment and performance, and Guarantor shall be liable for the payment and performance of the Guaranteed Obligations as a primary obligor. This Guaranty shall be effective as a waiver of, and Guarantor hereby expressly waives, any right to which Guarantor may otherwise have been entitled, whether existing under statute, at law or in equity, to require Lender to take prior recourse or proceedings against any collateral, security or person. It shall not be necessary for Lender, in order to enforce such payment or performance by Guarantor, first to institute suit or pursue or exhaust any rights or remedies against Borrower or other person liable on such indebtedness or performance, or to enforce any rights against any security given to secure such indebtedness or for such performance, or to join Borrower or any other person liable for the payment or performance of the Guaranteed Obligations or any part thereof in any action to enforce this Guaranty, or to resort to any other means of obtaining payment or performance of the Guaranteed Obligations provided, however, that nothing herein contained shall prevent Lender from suing on the Note or exercising any other right under the Loan Documents.

(b) Suit may be brought or demand may be made against Borrower or against any or all parties who have signed this Guaranty or any other guaranty covering all or any part of the Guaranteed Obligations, or against any one or more of them, separately or together, without impairing the rights of Lender against any party hereto. Any time that Lender is entitled to exercise its rights or remedies hereunder, it may in its discretion elect to demand payment and/or performance. If Lender elects to demand performance, it shall at all times thereafter have the right to demand payment until all of the Guaranteed Obligations have been paid and performed in full. If Lender elects to demand payment, it shall at all times thereafter have the right to demand performance until all of the Guaranteed Obligations

have been paid and performed in full.

Section 4. Certain Agreements and Waivers by Guarantor.

(a) Guarantor agrees that neither Lender's rights or remedies nor Guarantor's obligations under the terms of this Guaranty shall be released, diminished, impaired, reduced or affected by any one or more of the following events, actions, facts, or circumstances, in each case, unless the Guaranteed Obligations themselves have been changed, reduced, discharged or terminated, and the liability of Guarantor under this Guaranty shall be absolute, unconditional and irrevocable irrespective of:

(i) any limitation on the liability of, or recourse against, any other person in any Loan Document or arising under any law;

(ii) any claim or defense that this Guaranty was made without consideration or is not supported by adequate consideration or that the obligations of Guarantor hereunder exceed or are more burdensome than those of Borrower under the other Loan Documents;

(iii) the taking or accepting of any other security or guaranty for, or right of recourse with respect to, any or all of the Guaranteed Obligations;

(iv) the operation of any laws (other than statutes of limitation) regarding the limitation of actions, all of which are hereby waived as a defense to any action or proceeding brought by Lender against Guarantor, to the fullest extent permitted by law;

(v) any homestead exemption or any other exemption under applicable law;

(vi) any release, surrender, abandonment, exchange, alteration, sale or other disposition, subordination, deterioration, waste, failure to protect or preserve, impairment, or loss of, or any failure to create or perfect any lien or security interest with respect to, or any other dealings with, any collateral or security at any time existing or purported, believed or expected to exist in connection with any or all of the Guaranteed Obligations, or any impairment of Guarantor's recourse against any person or collateral;

(vii) whether express or by operation of law, any partial release of the liability of Guarantor hereunder (except to the extent paid, performed or expressly so released) or any complete or partial release of Borrower or any other person liable, directly or indirectly, for the payment or performance of any or all of the Guaranteed Obligations;

(viii) the insolvency, bankruptcy, dissolution, liquidation, termination, receivership, reorganization, merger, consolidation, change of form, structure or ownership, sale of all assets, or lack of corporate, partnership or other power of Borrower or any other person at any time liable for the payment of any or all of the Guaranteed Obligations;

(ix) any renewal, extension, modification, supplement, subordination or rearrangement of the terms of any or all of the Guaranteed Obligations and/or any of the Loan Documents, including material alterations of the terms of payment (including changes in maturity date(s) and interest rate(s) or performance or any other terms thereof, or any waiver, termination, or release of, or consent to departure from, any of the Loan Documents or any other guaranty of any or all of the Guaranteed Obligations, or any adjustment, indulgence, forbearance, or compromise that may be granted from time to time by Lender to Borrower or any other person at

any time liable for the payment or performance of any or all of the Guaranteed Obligations (collectively “**Change**”), provided however, that the Lender has furnished the Guarantor with a prior written notice setting forth such a Change, and, provided further, that the Guarantor shall be liable to guarantee the Guaranteed Obligations, as so amended, supplemented, modified, extended, renewed waived of otherwise changed, as of the effective date of such Change;

(x) any neglect, lack of diligence, delay, omission, failure, or refusal of Lender to take or prosecute (or in taking or prosecuting) any action for the collection or enforcement of any of the Guaranteed Obligations, or to foreclose or take or prosecute any action to foreclose (or in foreclosing or taking or prosecuting any action to foreclose) upon any security therefor, or to exercise (or in exercising) any other right or power with respect to any security therefor, or to take or prosecute (or in taking or prosecuting) any action in connection with any Loan Document, or any failure to sell or otherwise dispose of in a commercially reasonable manner any collateral securing any or all of the Guaranteed Obligations;

(xi) the existence of any claim, counterclaim, set-off or other right that Guarantor may at any time have against Borrower, Lender, or any other person, whether or not arising in connection with this Guaranty, the Note, the Loan Agreement, the Security Agreement, any other Loan Document; provided, however, that the foregoing shall not be deemed a waiver of Guarantor’s right to assert any compulsory counterclaim maintained in a court of the United States or the State of Florida if such counterclaim is compelled under local law or procedure;

(xii) the unenforceability of all or any part of the Guaranteed Obligations against Borrower, whether because the Guaranteed Obligations exceed the amount permitted by law or violate any usury law, or because the persons creating the Guaranteed Obligations acted in excess of their authority, or because of a lack of validity or enforceability of or defect or deficiency in any of the Loan Documents, or because Borrower has any valid defense, claim or offset with respect thereto, or because Borrower’s obligation ceases to exist by operation of law, or because of any other reason or circumstance, it being agreed that Guarantor shall remain liable hereon regardless of whether Borrower or any other person be found not liable on the Guaranteed Obligations, or any part thereof, for any reason (and regardless of any joinder of Borrower or any other party in any action to obtain payment or performance of any or all of the Guaranteed Obligations);

(xiii) any order, ruling or plan of reorganization emanating from proceedings under Title 11 of the United States Code with respect to Borrower or any other person, including any extension, reduction, composition, or other alteration of the Guaranteed Obligations, whether or not consented to by Lender, or any action taken or omitted by Lender in any such proceedings, including any election to have Lender’s claim allowed as being secured, partially secured or unsecured, any extension of credit by Lender in any such proceedings or the taking and holding by Lender of any security for any such extension of credit;

(xiv) any other condition, event, omission, or action that would in the absence of this paragraph result in the release or discharge of the Guarantor from the performance or observance of any obligation, covenant or agreement contained in this Guaranty or any other agreement;

(xv) Lender’s enforcement or forbearance from enforcement of the Guaranteed Obligations on a net or gross basis.

(b) In the event any payment by Borrower or any other person to Lender is held to constitute a preference, fraudulent transfer or other voidable payment under any bankruptcy, insolvency or similar

law, or if for any other reason Lender is required to refund such payment or pay the amount thereof to any other party, such payment by Borrower or any other party to Lender shall not constitute a release of Guarantor from any liability hereunder, and this Guaranty shall continue to be effective or shall be reinstated (notwithstanding any prior release, surrender or discharge by Lender of this Guaranty or of Guarantor), as the case may be, with respect to, and this Guaranty shall apply to, any and all amounts so refunded by Lender or paid by Lender to another person (which amounts shall constitute part of the Guaranteed Obligations), and any interest paid by Lender and any reasonable attorneys' fees, costs and expenses paid or incurred by Lender in connection with any such event.

(c) It is the intent of Guarantor and Lender that the obligations and liabilities of Guarantor hereunder are absolute, irrevocable and unconditional under any and all circumstances and that until the Guaranteed Obligations are fully and finally paid and performed, and not subject to refund or disgorgement, the obligations and liabilities of Guarantor hereunder shall not be discharged or released, in whole or in part, by any act or occurrence that might, but for the provisions of this Guaranty, be deemed a legal or equitable discharge or release of a guarantor.

(d) Guarantor's obligations shall not be affected, impaired, lessened or released by loans, credits or other financial accommodations now existing or hereafter advanced by Lender to Borrower in excess of the Guaranteed Obligations. All payments, repayments and prepayments of the Loan, whether voluntary or involuntary, received by Lender from Borrower, any other person or any other source (other than from Guarantor pursuant to a demand by Lender hereunder), and any amounts realized from any collateral for the Loan, shall be deemed to be applied first to any portion of the Loan which is not covered by this Guaranty, and last to the Guaranteed Obligations, and this Guaranty shall bind Guarantor to the extent of any Guaranteed Obligations that may remain owing to Lender. Lender shall have the right to apply any sums paid by Guarantor to any portion of the Loan in Lender's sole and absolute discretion.

(e) If acceleration of the time for payment of any amount payable by Borrower under the Note, the Loan Agreement, or any other Loan Document is stayed or delayed by any law or tribunal, then unless similarly stayed or delayed all such amounts shall nonetheless be payable by Guarantor within 10 Business Days following receipt of a written demand from the Lender.

(f) Guarantor hereby waives and agrees not to assert or take advantage of (i) any right or claim of right to cause a marshalling of any of Borrower's assets or the assets of any other party now or hereafter held as security for the Indebtedness; (ii) the defense of laches in any action hereunder or for the payment of the Indebtedness and performance of any obligation hereby guaranteed; (iii) any defense that may arise by reason of lack of authority of Guarantor, any other guarantor of the Loan, or Borrower or any other person or entity, or the voluntary or involuntary dissolution of Borrower or Guarantor, or the failure of Lender to file or enforce a claim against the estate (either in administration, bankruptcy, or any other proceeding) of Borrower or any other person or entity; (iv) any defense based on the failure of Lender to give notice of the existence, creation, or incurring of any new or additional indebtedness or obligation, or of any action or nonaction on the part of any other person whomsoever, or any modification of the terms of the Loan Documents, or the Indebtedness, in connection with any obligation hereby guaranteed; (v) any defense based upon an election of remedies by Lender which destroys or otherwise impairs any subrogation rights of Guarantor or any other guarantor of the Loan or the right of Guarantor to proceed against Borrower or any other guarantor for reimbursement, or both; (vi) any defense based upon failure of Lender to commence an action against Borrower; (vii) any defense based upon acceptance of this Guaranty by Lender; (viii) any defense based upon the invalidity or unenforceability of any of the Loan Documents; (ix) any defense based upon any complete or partial release of liability contained in any of the Loan Documents; (x) any defense based upon any transfer by Borrower of all or any part of the collateral for the Loan; (xi) any defense based upon the failure of Lender to perfect any security or to extend or renew the perfection of any security; and (xii) any other legal or equitable defenses whatsoever

to which Guarantor might otherwise be entitled.

Section 5. Subordination.

If, for any reason whatsoever, Borrower is now or hereafter becomes Indebted (as defined in the Loan Agreement) to Guarantor:

(a) such Indebtedness and all interest thereon and all liens, security interests and rights now or hereafter existing with respect to property of Borrower securing such indebtedness shall, at all times, be subordinate in all respects to the Guaranteed Obligations and to all liens, security interests and rights now or hereafter existing to secure the Guaranteed Obligations;

(b) at any time after the occurrence and during the continuation of an Event of Default, Guarantor shall not be entitled to enforce or receive payment, directly or indirectly, of any such indebtedness of Borrower to Guarantor until the Guaranteed Obligations have been fully and finally paid and performed;

(c) After the occurrence and during the continuation of an Event of Default, Guarantor shall assign and grant to Lender a security interest in all such indebtedness and security therefor, if any, of Borrower to Guarantor now existing or hereafter arising, including any dividends and payments pursuant to debtor relief or insolvency proceedings referred to below. In the event of receivership, bankruptcy, reorganization, arrangement or other debtor relief or insolvency proceedings involving Borrower as debtor, Lender shall have the right to prove its claim in any such proceeding so as to establish its rights hereunder and shall have the right to receive directly from the receiver, trustee or other custodian (whether or not an Event of Default shall have occurred or be continuing under any of the Loan Documents), dividends and payments that are payable upon any obligation of Borrower to Guarantor now existing or hereafter arising, and to have all benefits of any security therefor, until the Guaranteed Obligations have been fully and finally paid and performed. If, notwithstanding the foregoing provisions, Guarantor should receive any payment, claim or distribution that is prohibited as provided above in this Section, Guarantor shall pay the same to Lender immediately, Guarantor hereby agreeing that it shall receive the payment, claim or distribution in trust for Lender and shall have absolutely no dominion over the same except to pay it immediately to Lender; and

(d) Upon the occurrence of an Event of Default, Guarantor shall promptly upon request of Lender from time to time execute such documents and perform such acts as Lender may reasonably require to evidence and perfect its interest and to permit or facilitate exercise of its rights under this Section, including execution and delivery of proofs of claim, further assignments and security agreements, and delivery to Lender of any promissory notes or other instruments evidencing indebtedness of Borrower to Guarantor.

Section 6. Other Liability of Guarantor or Borrower.

If Guarantor is or becomes liable, by endorsement or otherwise, for any indebtedness owing by Borrower to Lender other than under this Guaranty, such liability shall not be in any manner impaired or affected hereby, and the rights of Lender hereunder shall be cumulative of any and all other rights that Lender may have against Guarantor. If Borrower is or becomes indebted to Lender for any indebtedness other than or in excess of the Guaranteed Obligations, any payment received or recovery realized upon such other indebtedness of Borrower to Lender may be applied to such other indebtedness. This Guaranty is independent of (and shall not be limited by) any other guaranty now existing or hereafter given. Further, Guarantor's liability under this Guaranty is in addition to any and all other liability Guarantor may have in any other capacity to Lender.

Section 7. [Reserved].

Section 8. Lender Assigns; Disclosure of Information.

This Guaranty is for the benefit of Lender and Lender's successors and assigns, and in the event of an assignment of the Guaranteed Obligations, or any part thereof, the rights and benefits hereunder, to the extent applicable to the Guaranteed Obligations so assigned, may be transferred with such Guaranteed Obligations. Subject to prior written notice to the Guarantor, Lender may sell or offer to sell the Loan or interests therein to one or more assignees or participants. Guarantor shall execute, acknowledge and deliver any and all instruments reasonably requested by Lender in connection therewith, and to the extent, if any, specified in any such assignment or participation, such assignee(s) or participant(s) shall have the same rights and benefits with respect to the Loan Documents as such person(s) would have if such person(s) were Lender hereunder. Lender may disclose to any such assignee or participant or prospective assignee or participant, to Lender's affiliates (in each case, provided it or they are subject to the same confidentiality obligations towards Guarantor as applicable to Lender in the Loan Documents), to any regulatory body having jurisdiction over Lender and to any other parties as necessary or appropriate in Lender's reasonable judgment, any information Lender now has or hereafter obtains pertaining to the Guaranteed Obligations, this Guaranty, or Guarantor, including information regarding any security for the Guaranteed Obligations or for this Guaranty, and/or credit or other information on Guarantor and/or any other person liable, directly or indirectly, for any part of the Guaranteed Obligations.

This Guaranty is an agreement executed under seal. If any Guarantor is a corporation, the designation "(SEAL)" on this Guaranty shall be effective as the affixing of such Guarantor's corporate seal physically to this Guaranty.

Section 11. Invalidity of Certain Provisions.

If any provision of this Guaranty or the application thereof to any person or circumstance shall, for any reason and to any extent, be declared to be invalid or unenforceable, neither the remaining provisions of this Guaranty nor the application of such provision to any other person or circumstance shall be affected thereby, and the remaining provisions of this Guaranty, or the applicability of such provision to other persons or circumstances, as applicable, shall remain in effect and be enforceable to the maximum extent permitted by applicable law.

Section 13. No Usury.

It is not the intention of Lender or Guarantor to obligate Guarantor to pay interest in excess of that lawfully permitted to be paid by Guarantor under applicable law. Should it be determined that any portion of the Guaranteed Obligations or any other amount payable by Guarantor under this Guaranty constitutes interest in excess of the maximum amount of interest that Guarantor, in Guarantor's capacity as guarantor, may lawfully be required to pay under applicable law, the obligation of Guarantor to pay such interest shall automatically be limited to the payment thereof in the maximum amount so permitted under applicable law. The provisions of this Section shall override and control all other provisions of this Guaranty and of any other agreement between Guarantor and Lender.

No Loan Documents or other document, certificate or written statement (including, without limitation, any financial statements provided to Lender by Guarantor) furnished to Lender by or on behalf of Guarantor in connection with the Loan Documents contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein and therein not misleading. Guarantor acknowledges that all such statements, representations and warranties shall be deemed to have been relied upon by Lender as an inducement to make the Loan to Borrower. Guarantor's representations, warranties and covenants are a material inducement to Lender to enter into the other Loan Documents shall survive the execution hereof and any bankruptcy, foreclosure, transfer of security or other event affecting Borrower, Guarantor, any other party, or any security for all or any part of the Guaranteed Obligations.

In addition, Borrower certifies to Lender that it has not obtained, and will not obtain, (i) another loan under the Facility, (ii) any other Main Street Lending Program loan, or (iii) a Primary Market Corporate Credit Facility.

(y) Payroll Maintenance and Employee Retention. The Borrower will make commercially reasonable efforts to maintain its payroll and retain its employees during the time the Loan is outstanding.

(z) Priority of Loan. At the time of origination of the Loan and at all times during the term of the Loan, the Loan shall be senior to, or pari passu with, in terms of priority and security, the Borrower's other loans or debt instruments, other than Mortgage Debt.

(aa) Repayment of Other Indebtedness. Borrower will not repay the principal balance of, or pay any interest on, any debt unless the principal or interest payment is mandatory and due, until (i) the Loan is repaid in full or (ii) neither the SPV nor a Governmental Assignee holds an interest in the Loan in any capacity, provided that Borrower may, at the time of origination of the Loan, refinance existing debt owed by the Borrower to a lender that is not the Lender.

With respect to debt that predates the Loan, principal and interest payments are "mandatory and due": (i) on the future date upon which they were scheduled to be paid as of the date of origination of the Loan, or (ii) upon

the occurrence of an event that automatically triggers mandatory prepayments under a contract for indebtedness that the Borrower executed prior to the date of origination of the Loan, except that any such prepayments triggered by the incurrence of new debt can only be paid (i) if such prepayments are de minimis, or (ii) under the Facility at the time of origination of the Loan.

For the avoidance of doubt, Borrower may continue to pay, and Lender may request that Borrowers pay, interest or principal payments on outstanding debt on (or after) the payment due date, provided that the payment due date was scheduled prior to the date of origination of the Loan. Borrower may not pay, and Lender may not request that Borrower pay, interest or principal payments on such debt ahead of schedule during the life of the Loan, unless required by a mandatory prepayment clause as specifically permitted above.

For future debt incurred by the Borrower in compliance with the terms and conditions of the Facility, principal and interest payments are “mandatory and due” on their scheduled dates or upon the occurrence of an event that automatically triggers mandatory prepayments.

As to repayment of a loan owed to an owner or to an affiliate of the Borrower, such repayment shall be allowed provided that the loan is a bona fide loan and repayment is made when mandatory and due. A loan owed to an owner or to an affiliate of the Borrower shall be considered “bona fide” if (i) it is a written instrument with a stated interest rate, a stated maturity date, and terms that are at least as favorable to the Borrower as market terms for similar loans at the time of origination; (ii) such owner or affiliate of the Borrower has a reasonable expectation of repayment, including that payments on the loan are not deferred; (iii) the debt is enforceable under state law; and (iv) such owner or affiliate of the Borrower has remedies upon default (e.g., a security interest or position with respect to other creditors).

Borrower hereby acknowledges and agrees that Lender may require, in its sole and absolute discretion, additional documentation from Borrower relating to any loan owed to an owner or to an affiliate of the Borrower, including, without limitation, promissory notes or other evidence of such debt, as well as affidavits or certifications from Borrower, in order to confirm that such loan is bona fide.

(bb) Refinancing of Existing Debt. Any existing debt owed by the Borrower to a lender that is not the Lender that is to be refinanced with Loan proceeds shall be repaid in accordance with the terms and conditions set forth in the Borrower Certification, the Facility and the CARES Act, and if such debt is owed to an owner or to an affiliate of the Borrower, then it may only be refinanced with Loan proceeds if it is deemed bona fide, as more particularly described in Section 6(aa) above.

(cc) Mandatory Prepayment. If, on any date (such date, a “Trigger Date”), the Board of Governors of the Federal Reserve System or a designee thereof has, after consultation with Lender, notified Lender in writing that the Borrower has materially breached, made a material misrepresentation with respect to or otherwise failed to comply with certifications in Section 2 (CARES Act Borrower Eligibility Certifications and Covenants) or Section 3 (FRA and Regulation A Borrower Eligibility Certifications) of the Borrower Certification in any material respect or that any such certification has failed to be true and correct in any material respect, then Lender shall promptly so notify the Borrower and the Borrower shall, no later than two (2) business days after such Trigger Date, prepay the Loan in full, along with any accrued and unpaid interest thereon.

(dd) Compliance with Borrower Certification, the Facility and the CARES Act. At all times during the term of the Loan, Borrower shall comply with all other covenants, terms and conditions set forth in the Borrower Certification, the Facility and/or the CARES Act.

(ee) Cooperation Agreement. In the event any of the documents evidencing and/or securing the Loan between Borrower and Lender are misstated or inaccurately reflect the agreed upon, true and correct terms and provisions of the Loan and said misstatements or inaccuracies are due to the unilateral mistake on the part of Lender, mutual mistake on the part of Lender and/or Borrower, or clerical error, then in such event Borrower shall, upon reasonable request by Lender, and in order to correct such misstatement or inaccuracy, or to comply with the

Facility requirements or in Lender's reasonable opinion, more accurately evidence the Loan, execute such new documents or initial such corrected original documents as Lender may deem reasonably necessary to remedy said inaccuracy or mistake or to comply with the Facility requirements or in Lender's reasonable opinion, more accurately evidence the Loan.

(ff) Fees and Expenses. Upon (i) the funding of the Loan, Borrower shall pay to SPV a transaction fee in the amount of \$500,000.00 in connection with the Loan, and (ii) the closing of the Loan, Borrower shall pay to Lender an origination fee in the amount of \$500,000.00 in connection with the Loan. At Borrower's option, the foregoing fees can be deducted from the Loan proceeds at closing. In addition to the foregoing fees, Borrower agrees to pay all other fees and expenses incurred by Lender in connection with the Loan, as more particularly described in Section 3 above, which shall include, but not be limited to, the legal fees and costs of Lender's counsel.

(gg) Facility Commitment Letter. Borrower hereby acknowledges and agrees that Lender shall be under no obligation to close and fund the Loan until the Lender has received a commitment letter (the "Commitment Letter") from SPV that it will purchase a participation interest in the amount of \$47,500,000.00 of the aggregate principal amount of the Loan under the Facility in accordance with the terms and guidelines of the Facility.

7. FINANCIAL AND REPORTING REQUIREMENTS.

(a) Depository Relationship. At all times during the term of the Loan, the Borrower shall maintain with Lender (i) its primary depository account(s), including its primary Operating Account(s), and (ii) its primary Treasury Management Services. As used herein, "Operating Account(s)" shall mean bank accounts that facilitate the collection of sales, including accounts receivable, and the payment of expenses and payroll disbursements; and "Treasury Management Services" shall mean commercial banking platforms that facilitate the origination of wire transfers and ACH transactions, the transfer of funds between accounts, positive pay decisioning, remote capture of check deposits and/or other electronic banking services. The Operating Accounts must be opened and the Treasury Management Services established prior to closing or funding of the Loan. In addition, at all times during the term of the Loan, Borrower shall maintain a minimum deposit ledger balance with Lender in an amount equal to the lesser of (i) \$3,000,000.00 or (ii) fifteen percent (15%) of the outstanding principal balance of the Loan (based on the principal balance in effect as of the end of each applicable quarter) (the "Minimum Deposit Relationship"), to be tested and applied on a quarterly basis. Failure to maintain the Minimum Deposit Relationship will result in a fee payable to Lender equal to two percent (2%) per annum of the amount of the deficiency (the "Deficiency Fee"), which Deficiency Fee shall be charged automatically without any notice to Borrower. The Deficiency Fee shall not be deemed to be or constitute additional interest under the Loan, as it relates specifically and directly to the required deposit balances. In the event Borrower fails to maintain the required Minimum Deposit Relationship and the Deficiency Fee becomes due and payable by Borrower, Lender shall be entitled to either (i) setoff against the Borrower's accounts held with Lender in order to collect the Deficiency Fee without the requirement of notice, or (ii) send a written demand to Borrower that the Deficiency Fee be paid within ten (10) days of written notice thereof. At Lender's sole discretion, the Minimum Deposit Relationship may be satisfied not only with Borrower accounts, but also with accounts maintained with Lender by Guarantor or any accounts owned or controlled by the Borrower or Guarantor (collectively, the "Related Accounts"). To the extent such Related Accounts are included in the calculation of the Minimum Deposit Relationship, Lender may exercise its right of setoff against any such Related Accounts along with any Borrower accounts.

(b) Borrower's Annual Financial Statements. Within one hundred twenty (120) days after the end of each fiscal year, Borrower shall provide Lender with an annual financial statement prepared on a consolidated basis in accordance with GAAP, with comparable information for the year to date and the immediately preceding fiscal year, all certified (as to the consolidated financial statements) by a recognized firm of certified public accountants. In addition, as soon as available, but in any event within sixty (60) days after the end of each fiscal year of the Borrower, (i) the Borrower shall deliver to the Lender financial reporting applicable for the Facility, in a form and substance reasonably acceptable to the Lender, setting forth the financial information, and

where applicable reasonably detailed calculations of the required data, set forth in Appendix C to the FAQs as at the end of such fiscal year of the Borrower, which financial reporting and calculations, in each case, shall be true and accurate in all material respects and, where applicable, present fairly in all material respects the financial condition of the Borrower for the period covered thereby in accordance with GAAP, consistently applied, and (ii) such supporting documentation as Lender reasonably requests.

(c) Borrower's Quarterly Financial Reporting Requirements. As soon as available, but in any event within sixty (60) days after the end of each fiscal quarter of the Borrower, (i) the Borrower shall deliver to the Lender financial reporting applicable for the Facility, in a form and substance reasonably acceptable to the Lender, setting forth the financial information, and where applicable reasonably detailed calculations of the required data, set forth in Appendix C to the FAQs as at the end of such fiscal quarter of the Borrower, which financial reporting and calculations, in each case, shall be true and accurate in all material respects and, where applicable, present fairly in all material respects the financial condition of the Borrower for the period covered thereby in accordance with GAAP, consistently applied, and (ii) such supporting documentation as Lender reasonably requests.

(d) Guarantor's Financial Statements. Within sixty (60) days after the end of each fiscal year, Guarantor shall supply Lender with (i) an annual management-prepared financial statement for the prior fiscal year in form acceptable to Lender in its sole and absolute discretion, and (ii) such supporting documentation as Lender reasonably requests.

(e) Tax Returns. Within thirty (30) days of filing, Borrower and Guarantor shall supply Lender with a copy of its respective annual federal income tax returns, including, without limitation, K-1 statements for all Partnerships and Sub Chapter S Corporations, or, if an extension is filed for any tax return, within thirty (30) days after any permitted extension date.

(f) Changes to Financial Reporting Requirements. Lender may, in its sole and absolute discretion, upon written notice to the Borrower and/or Guarantor, do the following: (i) change the financial reporting requirements applicable to the Borrower and/or Guarantor with respect to the Facility in accordance with any changes made to the financial reporting requirements of the Federal Reserve set forth on Appendix C to the FAQs attached hereto as **Exhibit "A"**, (ii) change the frequency of delivery of the financial statements and reports required to be provided to Lender by Borrower and/or Guarantor hereunder, (iii) change the method of preparation for the financial statements required to be provided to Lender by Borrower and/or Guarantor hereunder, or (iv) require Borrower and/or Guarantor to provide additional financial statements, reports, or information regarding the Collateral, or the operation, business affairs or financial condition of Borrower and Guarantor. In the event that Lender notifies the Borrower and/or Guarantor of a change to the financial reporting requirements hereunder, Borrower and Guarantor agree (i) to execute any and all documentation required by Lender to acknowledge such change, and (ii) to comply with Lender's request for the revised and/or additional financial reporting requirements.

(g) Form of Financial Statements. The form and content of each financial statement as required above, shall be acceptable to Lender in its sole discretion, shall be certified by each party to be correct and complete, and shall include a complete description of all contingent liabilities, including, without limitation, all indebtedness guaranteed.

For ease of reference and for the convenience of the parties, Appendix C to the FAQs is attached to this Agreement as **Exhibit "A"** and is incorporated by reference as if fully set forth herein.

8. DEFAULT. Upon the occurrence of any of the following events (each an "Event of Default" and collectively, the "Events of Default"), Lender may at its option exercise any of its remedies set forth herein:

(a) Borrower fails to perform any obligation under the Note when due, whether on the scheduled due date or upon acceleration, maturity or otherwise; or

(b) Borrower fails to perform any other obligation under the Loan Documents beyond any

applicable notice and cure periods; or

(c) Borrower fails to perform any obligations under this Agreement (other than the items set forth in subsection (d) through (q) below for which there will be no grace periods other than as specifically stated therein) and such failure continues for thirty (30) days after written notice thereof shall have been given to Borrower, provided that if such breach cannot reasonably be cured within such thirty (30) day period and Borrower shall commence to cure such breach with such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure same, the thirty (30) day period shall be extended for so long as it shall reasonably require Borrower in the exercise of its best efforts to cure such breach, it being agreed that no such extension shall be for a period in excess of sixty (60) days after written notice of such breach; or

(d) Borrower and/or Guarantor fails to pay or perform any other obligation, liability or indebtedness to any other party beyond the expiration of any applicable notice and cure period; or

(e) A "Default" or an "Event of Default" (as defined in each respective document) occurs (beyond any applicable notice and cure period) under any of the Loan Documents; or

(f) If any warranty or representation made by Borrower in this Agreement or pursuant to the terms hereof shall at any time be false or misleading in any material respect, or if Borrower shall fail to keep, observe or perform any of the terms, covenants, representations or warranties contained in this Agreement, the Note or any other document given in connection with the Loan, or is unwilling to meet its obligations thereunder; or

(g) The dissolution of, termination of existence of, loss of good standing status by Borrower, its subsidiaries or affiliates, if any, or any party to the Loan Documents; or

(h) Borrower becomes the subject of any bankruptcy or other voluntary or involuntary proceeding, in or out of court, for the adjustment of debtor-creditor relationships, and, in the case of any involuntary proceeding, such proceeding is not discharged within ninety (90) days of the filing thereof; or

(i) Guarantor becomes the subject of any bankruptcy or other voluntary or involuntary proceeding, in or out of court, for the adjustment of debtor-creditor relationships, and, in the case of any involuntary proceeding, such proceeding is not discharged within ninety (90) days of the filing thereof; or

(j) The entry of a judgment against Borrower or Guarantor which Lender deems to be of a material nature, in Lender's sole discretion; or

(k) The seizure or forfeiture of, or the issuance of any writ of possession, garnishment or attachment, or any turnover order for any property of Borrower or Guarantor; or

(l) A material alteration in the kind or type of Borrower's prospects or business, financial or otherwise, or in the financial condition of the Borrower or Guarantor, is made without the prior written consent of Lender; or

(m) (i) Borrower, Guarantor or any subsidiary of Borrower shall fail to make any payment when due (whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise) in respect of any Indebtedness (other than the Loan) owing to the Lender or any commonly controlled affiliate of the Lender, in each case beyond the applicable grace period with respect thereto, if any; or (ii) Borrower, Guarantor or any subsidiary of Borrower shall fail to observe or perform any other agreement or condition relating to any such Indebtedness or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event occurs, the effect of which failure to make a payment, default or other event described in clause (i) or (ii) is to cause such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity; provided that clause (ii) shall not apply to secured Indebtedness that becomes due as a result of the

voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness and such Indebtedness is repaid when required under the documents providing for such Indebtedness. As used in this Section 8(m), "Indebtedness" shall mean all debt for borrowed money and any obligations evidenced by a bond, debenture, note, loan agreement or other similar instrument, and any guarantee of any of the foregoing; or

(n) A Change of Control occurs; or

(o) The failure of Borrower or Guarantor to timely provide any of the information as required in Section 7 above; or

(p) The failure of the Borrower's business to materially comply with any law or regulation controlling its operation; or

(q) The failure of Borrower to comply with the terms and conditions of Section 6(t) through Section 6(dd), or any other terms and conditions of the Borrower Certification, the Facility or the CARES Act.

9. REMEDIES OF LENDER. Upon the happening of an Event of Default, then Lender may, at its option, upon written notice to Borrower:

(a) Commence an appropriate legal or equitable action to enforce performance of this Agreement;

(b) Accelerate the payment of the Note and the Loan, apply all or any portion of any equity funds toward payment of the Loan, and commence appropriate legal and equitable action to collect all such amounts due Lender; or

(c) Exercise any other rights or remedies Lender may have under the Loan Documents referred to in this Agreement or executed in connection with the Loan or which may be available under applicable law.

10. GENERAL TERMS. The following shall be applicable throughout the period of this Agreement or thereafter as provided herein:

(a) Rights of Third Parties. All conditions of the Lender hereunder are imposed solely and exclusively for the benefit of Lender and its successors and assigns, and no other Person shall have standing to require satisfaction of such conditions or be entitled to assume that Lender will make advances in the absence of strict compliance with any or all thereof, and no other Person shall, under any circumstances, be deemed to be a beneficiary of this Agreement or the Loan Documents, any provisions of which may be freely waived in whole or in part by the Lender at any time if, in its sole discretion, it deems it desirable to do so.

(b) Borrower is not Lender's Agent. Nothing in this Agreement, the Note or any other Loan Document shall be construed to make the Borrower the Lender's agent for any purpose whatsoever, or the Borrower and Lender partners, or joint or co-venturers, and the relationship of the parties shall, at all times, be that of debtor and creditor.

(c) Loan Expense/Enforcement Expense. Borrower agrees to pay to Lender on demand all reasonable costs and expenses incurred by Lender in seeking to enforce Lender's rights and remedies under this Agreement, including court costs, costs of alternative dispute resolution and reasonable attorneys' fees and costs, whether or not suit is filed or other proceedings are initiated hereon.

(d) Evidence of Satisfaction of Conditions. Lender shall, at all times, be free independently to establish to its good faith and satisfaction, and in its absolute discretion, the existence or nonexistence of a fact or facts which are disclosed in documents or other evidence required by the terms of this Agreement.

(e) Headings. The headings of the sections, paragraphs and subdivisions of this Agreement are for the convenience of reference only, and shall not limit or otherwise affect any of the terms hereof.

(f) Invalid Provisions to Affect No Others. If performance of any provision hereof or any transaction related hereto is limited by law, then the obligation to be performed shall be reduced accordingly; and if any clause or provision herein contained operates or would prospectively operate to invalidate this Agreement in part, then the invalid part of said clause or provision only shall be held for naught, as though not contained herein, and the remainder of this Agreement shall remain operative and in full force and effect. In addition, if any clause or provision herein contained is deemed to violate the governmental restrictions affecting the Facility, then the portion of such clause that violates the terms of the Facility shall be deemed void ab initio, as though not contained herein, and the remainder of the terms and conditions of this Agreement shall remain operative and in full force and effect.

(g) Application of Interest to Reduce Principal Sums Due. In the event that any charge, interest or late charge is above the maximum rate provided by law, then any excess amount over the lawful rate shall be applied by Lender to reduce the principal sum of the Loan or any other amounts due Lender hereunder.

(h) Governing Law. The laws of the State of Florida shall govern the interpretation and enforcement of this Agreement.

(i) Number and Gender. Whenever the singular or plural number, masculine or feminine or neuter gender is used herein, it shall equally include the others and shall apply jointly and severally.

(j) Prior Agreement. To the extent necessary, this Agreement shall be deemed to be an amendment to any prior loan agreement between Borrower and Lender, and in the event of a conflict between the terms of this Agreement or any such prior agreement, the terms of this Agreement shall govern.

(k) Waiver. If Lender shall waive any provisions of the Loan Documents, or shall fail to enforce any of the conditions or provisions of this Agreement, such waiver shall not be deemed to be a continuing waiver and shall never be construed as such; and Lender shall thereafter have the right to insist upon the enforcement of such conditions or provisions. Furthermore, no provision of this Agreement shall be amended, waived, modified, discharged or terminated, except by instrument in writing signed by the parties hereto.

(l) Notices. All notices from the Borrower to Lender and Lender to Borrower required or permitted by any provision of this Agreement shall be in writing and sent by registered or certified mail or nationally recognized overnight delivery service and addressed as follows:

(p) No Marshaling. The Lender shall not be required to marshal any present or future collateral security (including this Agreement and the Collateral) for, or other assurances of payment of, the Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order. To the extent that it lawfully may, the Borrower hereby agrees that it will not invoke any law relating to the marshaling of collateral which might cause delay in or impede the enforcement of the Lender's rights under this Agreement or under any other instrument creating or evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, the Borrower hereby irrevocably waives the benefits of all such laws.

Borrower and Guarantor hereby irrevocably submit generally and unconditionally for themselves and in respect of their property to the jurisdiction of any state court or any United States federal court sitting in Miami-Dade County, Florida. Borrower and Guarantor hereby irrevocably waive, to the fullest extent permitted by law, any objection that Borrower and/or Guarantor may now or hereafter have to the laying of venue in any such court and any claim that any such court is an inconvenient forum. Borrower and Guarantor hereby agree and consent that, in addition to any methods of service of process provided for under applicable law, all service of process in any such suit, action or proceeding in any state court or any United States federal court sitting in the state specified in the governing law section of this Loan Agreement may be made by certified or registered mail, return receipt requested, directed to Borrower and/or Guarantor, as applicable, at its address for notice set forth in this Loan Agreement, or at a subsequent address of which Lender received actual notice from Borrower and/or Guarantor, as applicable, in accordance with the notice section of this Loan Agreement, and service so made shall be complete five (5) days after the same shall have been so mailed. Nothing herein shall affect the right of Lender to serve process in any manner permitted by law or limit the right of Lender to bring proceedings against Borrower and/or Guarantor in any other court or jurisdiction.

IN WITNESS WHEREOF, Borrower and Lender have caused this Agreement to be executed on the date first above written.

FLORIDA DOCUMENTARY STAMP TAXES IN THE AMOUNT OF \$2,450.00 ARE BEING PAID IN CONNECTION WITH THIS NOTE, AS REQUIRED BY FLORIDA LAW.

PROMISSORY NOTE
[MAIN STREET PRIORITY LOAN FACILITY]

Date of Note: December 8, 2020

Amount of Note: FIFTY MILLION AND 00/100 DOLLARS (\$50,000,000.00)

FOR VALUE RECEIVED, VENUS CONCEPT USA INC., a Delaware corporation (the “Borrower”) hereby covenants and promises to pay to the order of CITY NATIONAL BANK OF FLORIDA, its successors and/or assigns (the “Lender”), at 100 S.E. 2nd Street, 13th Floor, Miami, Florida 33131, or at such other place as Lender may designate to Borrower in writing from time to time, in legal tender of the United States, FIFTY MILLION AND 00/100 DOLLARS (\$50,000,000.00), together with all accrued interest, which shall be due and payable upon the following terms and conditions contained in this Promissory Note (this “Note”) and the Loan Agreement (as defined herein). Any capitalized term not otherwise defined herein shall have the meaning given to such term in the Loan Agreement.

A. Interest Rate:

(a) Interest shall accrue on the unpaid principal balance of this Note from the date hereof at a rate per annum equal to the LIBOR 30-Day Rate (as defined below), plus three percent (3%) (as the same may be modified below, the “Interest Rate Margin”) (as the same may be modified below, the “Interest Rate”).

(b) As used herein, “LIBOR 30-Day Rate” means the rate of interest per annum equal to the London Interbank Offered Rate (“LIBOR”) for thirty (30) day U.S. dollar deposits as published in the “Money Rates” column of the local edition of The Wall Street Journal. If such LIBOR 30-Day Rate is no longer available from the Wall Street Journal, but otherwise continues to be readily available from another publisher in the marketplace, Lender, at its sole discretion, shall choose a new publisher of the LIBOR 30-Day Rate. This rate will be effective on and from the date hereof, based on the most recent rate information available, and will be effective until January 7, 2021. On January 8, 2021, the interest rate shall be readjusted to the current LIBOR 30-Day Rate, or, if applicable, the current LIBOR Successor Rate (as defined below), plus the Interest Rate Margin, or, if applicable, the Successor Interest Rate Margin (as defined below), based on the most recent rate information available on the date that the interest rate is adjusted and such rate shall be effective until February 7, 2021. The rate shall thereafter be adjusted on the eight (8th) day of each calendar month thereafter at the then current LIBOR 30-Day Rate, or, if applicable, the current LIBOR Successor Rate, plus the Interest Rate Margin or, if applicable, the Successor Interest Rate Margin, based on the most recent rate information available on the date that the interest rate is adjusted.

(c) If The Wall Street Journal or its successor ceases to publish the LIBOR 30-Day Rate, or if LIBOR is permanently or indefinitely unavailable or unascertainable, or a Governmental Authority (as defined in the Loan Agreement, and including the Board of Governors of the Federal Reserve, the Office of the Comptroller of the Currency, or the Alternative Reference Rates Committee) has made a public statement identifying a specific date after which the LIBOR 30-Day Rate shall no longer be made available or used for determining the interest rate of loans (the “LIBOR Sunset Date”), then at any time within ninety (90) days of the LIBOR Sunset Date, or reasonably promptly after such occurrence, Lender shall amend this Note (without the need for any action or consent by Borrower) to (i) replace the LIBOR 30-Day Rate with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein), giving consideration to any similar loans for such alternative benchmarks (any such proposed rate, a “LIBOR Successor Rate”), (ii) adjust the Interest Rate Margin on a permanent basis (the “Successor Interest Rate Margin”) by a factor equal to the positive or negative difference which, on the date of the adjustment, will make the LIBOR 30-Day Rate plus the Interest Rate Margin substantially equal to the LIBOR Successor Rate plus the Successor Interest Rate Margin, and (iii) make any LIBOR Successor Rate Changes (as defined herein), and Lender shall give Borrower prompt notice thereof (it being understood that such amendment may become effective prior to such notice). In the event that on the date selected by Lender to

make the change from the LIBOR 30-Day Rate to the LIBOR Successor Rate, the LIBOR 30-Day Rate is either fifty (50) basis points above or below the prior day's rate, then in order to substitute a fair LIBOR Successor Rate, the Lender shall be required to use a mathematical average of the last sixty (60) days of the LIBOR 30-Day Rate instead of the LIBOR 30-Day Rate on the date of the change. For clarification purposes, the intent of this language is that, at the time of the transition and substitution from the LIBOR 30-Day Rate to the LIBOR Successor Rate, the effective Interest Rate under this Note shall be mathematically as close as possible to what the effective Interest Rate was prior to the change. Thereafter, the Interest Rate will adjust monthly (subject to LIBOR Successor Rate Changes) based on the then current LIBOR Successor Rate plus the Successor Interest Rate Margin.

(d) For purposes hereof, "LIBOR Successor Rate Changes" means, with respect to any LIBOR Successor Rate and the Successor Interest Rate Margin, any changes to the timing and frequency of determining rates and other administrative matters as may be appropriate, in the discretion of Lender, to reflect the adoption of the LIBOR Successor Rate and the Successor Interest Rate Margin and to permit the administration thereof by Lender in a manner reasonably consistent with market practice.

(e) Interest shall be calculated at the rate of 1/360 of the annual rate of interest for each day that principal is outstanding (i.e., interest will accrue and be paid on the actual number of calendar days elapsed from the date hereof based on a 360 day year).

B. Main Street Priority Loan Facility:

(a) Reference is made to the Main Street Priority Loan Facility (the "Facility"), which has been authorized under section 13(3) of the Federal Reserve Act. Under the Facility, the Federal Reserve Bank of Boston, acting under the direction of the Board of Governors of the Federal Reserve System, has committed to lend to the SPV (as defined in the Loan Agreement), on a recourse basis. The SPV will purchase a ninety-five percent (95%) participation in this Note, and Lender will retain a five percent (5%) participation of this Note. The Secretary of the Treasury has committed funds appropriated to the Exchange Stabilization Fund under section 4027 of the CARES Act (as defined in the Loan Agreement) to the SPV in connection with the Facility.

(b) To participate in the Facility, Borrower must provide the certifications and covenants set forth in the Borrower Certification (as defined below), and comply with all terms and conditions of the Facility, even if such terms and conditions are not specifically set forth in the Loan Documents (as defined below).

C. Payment Terms:

Commencing on January 8, 2022, and continuing on the eighth (8th) day of each month thereafter, Borrower shall make consecutive monthly payments of accrued interest. In addition to the monthly payments of accrued interest, on December 8, 2023, and December 8, 2024 (each a "Principal Payment Date"), Borrower shall make an annual payment of principal, inclusive of Capitalized Interest (as defined below), in an amount equal to fifteen percent (15%) of the outstanding principal balance of this Note (inclusive of Capitalized Interest) as of the respective Principal Payment Date. Unless this Note is otherwise accelerated in accordance with the terms and conditions hereof, the entire outstanding principal balance of this Note (inclusive of Capitalized Interest) plus all accrued and unpaid interest shall be due and payable in full on December 8, 2025 (the "Maturity Date"). As used herein, "Capitalized Interest" shall mean all accrued and unpaid interest from the date hereof until and including December 8, 2021 (the "Interest Capitalization Date"), which (i) shall be capitalized and added to the outstanding principal balance of this Note on the Interest Capitalization Date and (ii) shall accrue interest at the Interest Rate commencing on the day immediately following the Interest Capitalization Date and continuing at all times thereafter. The payments due hereunder shall be debited from Borrower's account no. 1954733792 with Lender.

D. Loan Documents:

This Note, that certain Loan and Security Agreement dated as of even date herewith by and between Borrower and Lender (as the same may be amended, restated, modified or replaced from time to time, the "Loan Agreement"), that certain Main Street Priority Loan Facility Borrower Certifications and Covenants dated as of

even date herewith, from Borrower in favor of Lender (as the same may be amended or modified from time to time, the "Borrower Certification"), the Guaranty (as defined in the Loan Agreement), the Financing Statement(s) (as defined in the Loan Agreement), and all other documents and instruments executed in connection with this Note are hereinafter individually and/or collectively referred to as the "Loan Documents".

E. Default Interest Rate:

All principal and installments of interest shall bear interest from the date that said payments are due and unpaid or from the date of occurrence of any other Event of Default (as hereinafter defined) under this Note or any other Loan Document, at a rate equal to the highest rate authorized by applicable law (the "Default Rate").

F. Prepayment:

The Borrower may prepay all or any portion of this Note at any time without fee, premium or penalty.

G. Late Charges:

Lender may collect a late charge not to exceed an amount equal to five percent (5%) of any installment which is not paid within ten (10) days of the due date thereof, to cover the extra expense involved in handling delinquent payments, provided that collection of said late charge shall not be deemed a waiver by Lender of any of its rights under this Note. Notwithstanding the foregoing, there shall be no grace period or late charges for payments due on the outstanding principal balance due on the Maturity Date or upon acceleration, as set forth in Section H below, but such outstanding balance shall accrue interest at the Default Rate. The late charge is intended to compensate the Lender for administrative and processing costs incident to late payments. The late charge payments are not interest. The late charge payment shall not be subject to rebate or credit against any other amount due. Any late charge shall be in addition to any other interest due.

H. Default and Acceleration:

If any of the following "Events of Default" occur, at the Lender's option, exercisable in its sole discretion, all sums of principal and interest under this Note shall be accelerated and become immediately due and payable without notice of default, presentment or demand for payment, protest or notice of nonpayment or dishonor, or other notices or demands of any kind or character, and the Lender shall be immediately entitled to exercise all of its available remedies under the Loan Documents:

- a. Borrower fails to perform any obligation under this Note to pay principal or interest when due; or
- b. Borrower fails to perform any other obligation, liability or indebtedness under the Loan Documents to pay money when due beyond any applicable notice and cure periods; or
- c. A "Default" or an "Event of Default" (as defined in each respective document) beyond any applicable notice and cure period occurs under any of the Loan Agreement or any of the Loan Documents; or
- d. Borrower fails to comply with the terms and conditions of the Borrower Certification, the Facility or the CARES Act.

In any such event, all sums of principal and interest under this Note shall automatically become immediately due and payable without notice of default, presentment or demand for payment, protest or notice of nonpayment or dishonor, or other notices or demands of any kind or character. All persons now or at any time liable for payment of this Note hereby waive presentment, protest, notice of protest and dishonor. The Borrower expressly consents to any extension or renewal, in whole or in part, and all delays in time of payment or other performance which Lender may grant at any time and from time to time without limitation and without any notice or further consent of the undersigned.

The remedies of Lender as provided herein, or in the Loan Agreement or the other Loan Documents shall be cumulative and concurrent and may be pursued singularly, successively or together, at the sole discretion of Lender, and may be exercised as often as the occasion therefor shall arise.

The Lender may, in the sole discretion of Lender, accept payments made by Borrower after any default has occurred, without waiving any of Lender's rights herein.

I. Costs:

In the event that this Note is collected by law or through attorneys at law, or under advice therefrom (whether such attorneys are employees of Lender or an affiliate of Lender or are outside counsel), Borrower and any endorser, guarantor or other person primarily or secondarily liable for payment hereof hereby, severally and jointly agree to pay all costs of collection, including attorneys' fees, including charges for paralegals, appraisers, experts and consultants working under the direction or supervision of Lender's attorneys whether or not suit is brought, and whether incurred in connection with collection, trial, appeal, bankruptcy or other creditors' proceedings or otherwise.

Nothing herein contained, nor any transaction related thereto, shall be construed or so operate as to require Borrower or any person liable for the repayment of same, to pay interest in an amount or at a rate greater than the maximum allowed by applicable law. Should any interest or other charges paid by Borrower, or any parties liable for the payment of the loan made pursuant to this Note, result in the computation or earning of interest in excess of the maximum legal rate of interest permitted under the law in effect while said interest is being earned, then any and all of such excess shall be and is waived by Lender, and all such excess shall be automatically credited against and in reduction of the principal balance, and any portion of the excess that exceeds the principal balance shall be paid by Lender to Borrower or any parties liable for the payment of the loan made pursuant to this Note so that under no circumstances shall the Borrower, or any parties liable for the payment of the loan hereunder, be required to pay interest in excess of the maximum rate allowed by applicable law.

K. Jurisdiction:

The laws of the State of Florida shall govern the interpretation and enforcement of this Note. In the event that legal action is instituted to collect any amounts due under, or to enforce any provision of, this instrument, Borrower and any endorser, guarantor or other person primarily or secondarily liable for payment hereof consent to, and by execution hereof submit themselves to, the jurisdiction of the courts of the State of Florida, and, notwithstanding the place of residence of any of them or the place of execution of this instrument, such litigation may be brought in or transferred to a court of competent jurisdiction in and for Miami-Dade County, Florida.

L. Assignment:

Lender shall have the unrestricted right at any time and from time to time and without Borrower's or Guarantor's consent, to assign all or any portion of its rights and obligations hereunder to one or more lenders or purchasers (each, an "Assignee") under this Note and the Loan Documents and all information now or hereafter in its possession relating to the Borrower and Guarantor (all rights of privacy hereby being waived), and to retain any compensation received by Lender in connection with any such transaction and Borrower and Guarantor agree that they shall execute such documents, including without limitation, the delivery of an estoppel certificate and such other documents as Lender shall deem necessary to effect the foregoing. The Borrower hereby waives any notice of the transfer of this Note by the Lender or by any other subsequent holder of this Note and agrees to be bound by the terms of this Note subsequent to any transfer and agrees that the terms of this Note may be fully enforced by any subsequent holder of this Note.

M. Non-Waiver:

The failure at any time of Lender to exercise any of its options or any other rights hereunder shall not constitute a waiver thereof, nor shall it be a bar to the exercise of any of its options or rights at a later date. All rights and remedies of Lender shall be cumulative and may be pursued singly, successively or together, at the option of Lender.

N. Right of Setoff:

In addition to all liens upon and rights of setoff against the Borrower's money, securities or other property given to the Lender by law, the Lender shall have, with respect to the Borrower's obligations to the Lender under this Note and to the extent permitted by law, a contractual possessory security interest in and a contractual right of setoff against, and the Borrower hereby grants the Lender a security interest in, and hereby assigns, conveys, delivers, pledges and transfers to the Lender, all of the Borrower's right, title and interest in and to, all of the Borrower's deposits, moneys, securities and other property now or hereafter in the possession of or on deposit with, or in transit to, the Lender, whether held in a general or special account or deposit, whether held jointly with someone else, or whether held for safekeeping or otherwise, excluding, however, all IRA, Keogh, and trust accounts. Every such security interest and right of setoff may be exercised without demand upon or notice to the Borrower. AGREEMENTS

Guarantor owns, directly or indirectly, one hundred percent (100%) of the issued and outstanding shares of stock of Borrower, and Guarantor will receive a material benefit from Lender making the Loan to Borrower. For good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and in order to induce Lender to make the Loan to Borrower, Guarantor hereby guarantees to Lender the prompt and full payment of the indebtedness and obligations described below in this Guaranty (collectively called the "Guaranteed Obligations"), this Guaranty being upon the following terms and conditions:

Section 1. Guaranty of Payment.

Guarantor hereby unconditionally and irrevocably guarantees to Lender the punctual payment when due, whether by lapse of time, by acceleration of maturity, or otherwise, of all principal, interest (including interest accruing after maturity and after the commencement of any bankruptcy or insolvency proceeding by or against Borrower, whether or not allowed in such proceeding), prepayment premiums, fees, late charges, costs, expenses, indemnification indebtedness, and other sums of money now or hereafter due and owing, or which Borrower is obligated to pay, pursuant to the terms of the Note, the Loan Agreement (including the timely payment of insurance premiums), any amounts due and owing in connection with any interest rate derivative or swap agreements entered into by Borrower with Lender or any of Lender's affiliates, any application, agreement, note or other document executed and delivered by Borrower in connection with the Loan, or any of the other Loan Documents, including, without limitation, any letter of credit issued by Lender in connection with the Loan, as the same may from time to time be amended, supplemented, restated or otherwise modified (collectively, the "Indebtedness"). Section 2. Guaranty of Performance.

The liability and obligations under this Section shall not be limited or restricted by the existence of, or any terms of, the guaranty of payment under Section 1.

Section 3. Primary Liability of Guarantor.

(a) This Guaranty is an absolute, irrevocable and unconditional guaranty of payment and performance, and Guarantor shall be liable for the payment and performance of the Guaranteed Obligations as a primary obligor. This Guaranty shall be effective as a waiver of, and Guarantor hereby expressly waives, any right to which Guarantor may otherwise have been entitled, whether existing under statute, at law or in equity, to require Lender to take prior recourse or proceedings against any collateral, security or person. It shall not be necessary for Lender, in order to enforce such payment or performance by Guarantor, first to institute suit or pursue or exhaust any rights or remedies against Borrower or other person liable on such indebtedness or performance, or to enforce any rights against any security given to secure such indebtedness or for such performance, or to join Borrower or any other person liable for the payment or performance of the Guaranteed Obligations or any part thereof in any action to enforce this Guaranty, or to resort to any other means of obtaining payment or performance of the Guaranteed Obligations provided, however, that nothing herein contained shall prevent Lender from suing on the Note or exercising any other right under the Loan Documents.

(b) Suit may be brought or demand may be made against Borrower or against any or all parties who have signed this Guaranty or any other guaranty covering all or any part of the Guaranteed Obligations, or against any one or more of them, separately or together, without impairing the rights of Lender against any party hereto. Any time that Lender is entitled to exercise its rights or remedies hereunder, it may in its discretion elect to demand payment and/or performance. If Lender elects to demand performance, it shall at all times thereafter have the right to demand payment until all of the Guaranteed Obligations have been paid and performed in full. If Lender elects to demand payment, it shall at all times thereafter have the right to demand performance until all of the Guaranteed Obligations have been paid and performed in full.

Section 4. Certain Agreements and Waivers by Guarantor.

(a) Guarantor agrees that neither Lender's rights or remedies nor Guarantor's obligations under the terms of this Guaranty shall be released, diminished, impaired, reduced or affected by any one or more of the following events, actions, facts, or circumstances, and the liability of Guarantor under this Guaranty shall be absolute, unconditional and irrevocable irrespective of:

- (i) any limitation on the liability of, or recourse against, any other person in any Loan Document or arising under any law;
- (ii) any claim or defense that this Guaranty was made without consideration or is not supported by adequate consideration or that the obligations of Guarantor hereunder exceed or are more burdensome than those of Borrower under the other Loan Documents;
- (iii) the taking or accepting of any other security or guaranty for, or right of recourse with respect to, any or all of the Guaranteed Obligations;

(iv) the operation of any laws (other than statutes of limitation) regarding the limitation of actions, all of which are hereby waived as a defense to any action or proceeding brought by Lender against Guarantor, to the fullest extent permitted by law;

(v) any release, surrender, abandonment, exchange, alteration, sale or other disposition, subordination, deterioration, waste, failure to protect or preserve, impairment, or loss of, or any failure to create or perfect any lien or security interest with respect to, or any other dealings with, any collateral or security at any time existing or purported, believed or expected to exist in connection with any or all of the Guaranteed Obligations, or any impairment of Guarantor's recourse against any person or collateral;

(vi) whether express or by operation of law, any partial release of the liability of Guarantor hereunder (except to the extent paid, performed or expressly so released) or any complete or partial release of Borrower or any other person liable, directly or indirectly, for the payment or performance of any or all of the Guaranteed Obligations;

(vii) the insolvency, bankruptcy, dissolution, liquidation, termination, receivership, reorganization, merger, consolidation, change of form, structure or ownership, sale of all assets, or lack of corporate, partnership or other power of Borrower or any other person at any time liable for the payment of any or all of the Guaranteed Obligations;

(viii) either with or without notice to or consent of Guarantor, any renewal, extension, modification, supplement, subordination or rearrangement of the terms of any or all of the Guaranteed Obligations and/or any of the Loan Documents, including material alterations of the terms of payment (including changes in maturity date(s) and interest rate(s) or performance) or any other terms thereof, or any waiver, termination, or release of, or consent to departure from, any of the Loan Documents or any other guaranty of any or all of the Guaranteed Obligations, or any adjustment, indulgence, forbearance, or compromise that may be granted from time to time by Lender to Borrower or any other person at any time liable for the payment or performance of any or all of the Guaranteed Obligations;

(ix) any neglect, lack of diligence, delay, omission, failure, or refusal of Lender to take or prosecute (or in taking or prosecuting) any action for the collection or enforcement of any of the Guaranteed Obligations, or to foreclose or take or prosecute any action to foreclose (or in foreclosing or taking or prosecuting any action to foreclose) upon any security therefor, or to exercise (or in exercising) any other right or power with respect to any security therefor, or to take or prosecute (or in taking or prosecuting) any action in connection with any Loan Document, or any failure to sell or otherwise dispose of in a commercially reasonable manner any collateral securing any or all of the Guaranteed Obligations;

(x) any failure of Lender to notify Guarantor of any creation, renewal, extension, rearrangement, modification, supplement, subordination, or assignment of the Guaranteed Obligations or any part thereof, or of any Loan Document, or of any release of or change in any security, or of the occurrence or existence of any Event of Default, or of any other action taken or refrained from being taken by Lender against Borrower or any security or other recourse, or of any new agreement between Lender and Borrower, it being understood that Lender shall not be required to give Guarantor any notice of any kind under any circumstances with respect to or in connection with the Guaranteed Obligations, any and all rights to notice Guarantor may have otherwise had being hereby waived by Guarantor, and Guarantor shall be responsible for obtaining for itself information regarding Borrower, including any changes in the business or financial condition of Borrower, and Guarantor acknowledges and agrees that Lender shall have no duty to notify Guarantor of any information which Lender may have concerning Borrower;

(xi) the existence of any claim, counterclaim, set-off or other right that Guarantor may at any time have against Borrower, Lender, or any other person, whether or not arising in connection with this Guaranty, the Note, the Loan Agreement or any other Loan Document; provided, however, that the foregoing shall not be deemed a waiver of Guarantor's right to assert any compulsory counterclaim maintained in a court of the United States or the State of Florida if such counterclaim is compelled under local law or procedure;

(xii) the unenforceability of all or any part of the Guaranteed Obligations against Borrower, whether because the Guaranteed Obligations exceed the amount permitted by law or violate any usury law, or because the persons creating the Guaranteed Obligations acted in excess of their authority, or because of a lack of validity or enforceability of or defect or deficiency in any of the Loan Documents, or because Borrower has any valid defense, claim or offset with respect thereto, or because Borrower's obligation ceases to exist by operation of law, or because of any other reason or circumstance, it being agreed that Guarantor shall remain liable hereon regardless of whether Borrower or any other person be found not liable on the Guaranteed Obligations, or any part thereof, for any reason (and regardless of any joinder of Borrower or any other party in any action to obtain payment or performance of any or all of the Guaranteed Obligations);

(xiii) any order, ruling or plan of reorganization emanating from proceedings under Title 11 of the United States Code with respect to Borrower or any other person, including any extension, reduction, composition, or other alteration of the Guaranteed Obligations, whether or not consented to by Lender, or any action taken or omitted by Lender in any such proceedings, including any election to have Lender's claim allowed as being secured, partially secured or unsecured, any extension of credit by Lender in any such proceedings or the taking and holding by Lender of any security for any such extension of credit;

(xiv) any other condition, event, omission, or action that would in the absence of this paragraph result in the release or discharge of the Guarantor from the performance or observance of any obligation, covenant or agreement contained in this Guaranty or any other agreement;

(xv) any early termination of any of the Guaranteed Obligations; or

(xvi) Lender's enforcement or forbearance from enforcement of the Guaranteed Obligations on a net or gross basis.

(b) In the event any payment by Borrower or any other person to Lender is held to constitute a preference, fraudulent transfer or other voidable payment under any bankruptcy, insolvency or similar law, or if for any other reason Lender is required to refund such payment or pay the amount thereof to any other party, such payment by Borrower or any other party to Lender shall not constitute a release of Guarantor from any liability hereunder, and this Guaranty shall continue to be effective or shall be reinstated (notwithstanding any prior release, surrender or discharge by Lender of this Guaranty or of Guarantor), as the case may be, with respect to, and this Guaranty shall apply to, any and all amounts so refunded by Lender or paid by Lender to another person (which amounts shall constitute part of the Guaranteed Obligations), and any interest paid by Lender and any reasonable attorneys' fees, costs and expenses paid or incurred by Lender in connection with any such event.

(c) It is the intent of Guarantor and Lender that the obligations and liabilities of Guarantor hereunder are absolute, irrevocable and unconditional under any and all circumstances and that until the Guaranteed Obligations are fully and finally paid and performed, and not subject to refund or disgorgement, the obligations and liabilities of Guarantor hereunder shall not be discharged or released, in whole or in part, by any act or occurrence that might, but for the provisions of this Guaranty, be deemed a legal or equitable discharge or release of a guarantor.

(d) Guarantor's obligations shall not be affected, impaired, lessened or released by loans, credits or other financial accommodations now existing or hereafter advanced by Lender to Borrower in excess of the Guaranteed Obligations. All payments, repayments and prepayments of the Loan, whether voluntary or involuntary, received by Lender from Borrower, any other person or any other source (other than from Guarantor pursuant to a demand by Lender hereunder), and any amounts realized from any collateral for the Loan, shall be deemed to be applied first to any portion of the Loan which is not covered by this Guaranty, and last to the Guaranteed Obligations, and this Guaranty shall bind Guarantor to the extent of any Guaranteed Obligations that may remain owing to Lender. Lender shall have the right to apply any sums paid by Guarantor to any portion of the Loan in Lender's sole and absolute discretion.

(e) If acceleration of the time for payment of any amount payable by Borrower under the Note, the Loan Agreement, or any other Loan Document is stayed or delayed by any law or tribunal, all such amounts shall

nonetheless be payable by Guarantor on demand by Lender.

(f) Guarantor hereby waives and agrees not to assert or take advantage of (i) any right or claim of right to cause a marshalling of any of Borrower's assets or the assets of any other party now or hereafter held as security for the Indebtedness; (ii) the defense of laches in any action hereunder or for the payment of the Indebtedness and performance of any obligation hereby guaranteed; (iii) any defense that may arise by reason of the incapacity, lack of authority, death or disability of Guarantor, any other guarantor of the Loan, or Borrower or any other person or entity, or the voluntary or involuntary dissolution of Borrower, or the failure of Lender to file or enforce a claim against the estate (either in administration, bankruptcy, or any other proceeding) of Borrower or any other person or entity; (iv) any defense based on the failure of Lender to give notice of the existence, creation, or incurring of any new or additional indebtedness or obligation, or of any action or nonaction on the part of any other person whomsoever, or any modification of the terms of the Loan Documents, or the Indebtedness, in connection with any obligation hereby guaranteed; (v) any defense based upon an election of remedies by Lender which destroys or otherwise impairs any subrogation rights of Guarantor or any other guarantor of the Loan or the right of Guarantor to proceed against Borrower or any other guarantor for reimbursement, or both; (vi) any defense based upon failure of Lender to commence an action against Borrower; (vii) any defense based upon acceptance of this Guaranty by Lender; (viii) any defense based upon the invalidity or unenforceability of any of the Loan Documents; (ix) any defense based upon any complete or partial release of liability contained in any of the Loan Documents; (x) any defense based upon any transfer by Borrower of all or any part of the collateral for the Loan; (xi) any defense based upon the failure of Lender to perfect any security or to extend or renew the perfection of any security; and (xii) any other legal or equitable defenses whatsoever to which Guarantor might otherwise be entitled.

Section 5. Subordination.

If, for any reason whatsoever, Borrower is now or hereafter becomes indebted to Guarantor:

(a) such indebtedness and all interest thereon and all liens, security interests and rights now or hereafter existing with respect to property of Borrower securing such indebtedness shall, at all times, be subordinate in all respects to the Guaranteed Obligations and to all liens, security interests and rights now or hereafter existing to secure the Guaranteed Obligations;

(b) Guarantor shall not be entitled to enforce or receive payment, directly or indirectly, of any such indebtedness of Borrower to Guarantor until the Guaranteed Obligations have been fully and finally paid and performed;

(c) Guarantor hereby assigns and grants to Lender a security interest in all such indebtedness and security therefor, if any, of Borrower to Guarantor now existing or hereafter arising, including any dividends and payments pursuant to debtor relief or insolvency proceedings referred to below. In the event of receivership, bankruptcy, reorganization, arrangement or other debtor relief or insolvency proceedings involving Borrower as debtor, Lender shall have the right to prove its claim in any such proceeding so as to establish its rights hereunder and shall have the right to receive directly from the receiver, trustee or other custodian (whether or not an Event of Default shall have occurred or be continuing under any of the Loan Documents), dividends and payments that are payable upon any obligation of Borrower to Guarantor now existing or hereafter arising, and to have all benefits of any security therefor, until the Guaranteed Obligations have been fully and finally paid and performed. If, notwithstanding the foregoing provisions, Guarantor should receive any payment, claim or distribution that is prohibited as provided above in this Section, Guarantor shall pay the same to Lender immediately, Guarantor hereby agreeing that it shall receive the payment, claim or distribution in trust for Lender and shall have absolutely no dominion over the same except to pay it immediately to Lender; and

(d) Guarantor shall promptly upon request of Lender from time to time execute such documents and perform such acts as Lender may reasonably require to evidence and perfect its interest and to permit or facilitate exercise of its rights under this Section, including execution and delivery of proofs of claim, further assignments and security agreements, and delivery to Lender of any promissory notes or other instruments evidencing indebtedness of Borrower to Guarantor. Section 6. Other Liability of Guarantor or Borrower.

If Guarantor is or becomes liable, by endorsement or otherwise, for any indebtedness owing by Borrower to Lender other than under this Guaranty, such liability shall not be in any manner impaired or affected hereby, and the rights of Lender hereunder shall be cumulative of any and all other rights that Lender may have against Guarantor. If Borrower is or becomes indebted to Lender for any indebtedness other than or in excess of the Guaranteed Obligations, any payment received or recovery realized upon such other indebtedness of Borrower to Lender may be applied to such other indebtedness. This Guaranty is independent of (and shall not be limited by) any other guaranty now existing or hereafter given. Further, Guarantor's liability under this Guaranty is in addition to any and all other liability Guarantor may have in any other capacity to Lender.

Section 7. Lender Assigns; Disclosure of Information.

This Guaranty is for the benefit of Lender and Lender's successors and assigns, and in the event of an assignment of the Guaranteed Obligations, or any part thereof, the rights and benefits hereunder, to the extent applicable to the Guaranteed Obligations so assigned, may be transferred with such Guaranteed Obligations. Guarantor waives notice of any transfer or assignment of the Guaranteed Obligations or any part thereof. Lender may sell or offer to sell the Loan or interests therein to one or more assignees or participants. Guarantor shall execute, acknowledge and deliver any and all instruments reasonably requested by Lender in connection therewith, and to the extent, if any, specified in any such assignment or participation, such assignee(s) or participant(s) shall have the same rights and benefits with respect to the Loan Documents as such person(s) would have if such person(s) were Lender hereunder. Lender may disclose to any such assignee or participant or prospective assignee or participant, to Lender's affiliates, to any regulatory body having jurisdiction over Lender and to any other parties as necessary or appropriate in Lender's reasonable judgment, any information Lender now has or hereafter obtains pertaining to the Guaranteed Obligations, this Guaranty, or Guarantor, including information regarding any security for the Guaranteed Obligations or for this Guaranty, and/or credit or other information on Guarantor and/or any other person liable, directly or indirectly, for any part of the Guaranteed Obligations.

This Guaranty is an agreement executed under seal. If any Guarantor is a corporation, the designation "(SEAL)" on this Guaranty shall be effective as the affixing of such Guarantor's corporate seal physically to this Guaranty.

Section 10. Invalidity of Certain Provisions.

If any provision of this Guaranty or the application thereof to any person or entity or circumstance shall, for any reason and to any extent, be declared to be invalid or unenforceable, neither the remaining provisions of this Guaranty nor the application of such provision to any other person or circumstance shall be affected thereby, and the remaining provisions of this Guaranty, or the applicability of such provision to other persons or circumstances, as applicable, shall remain in effect and be enforceable to the maximum extent permitted by applicable law.

Section 12. No Usury.

It is not the intention of Lender or Guarantor to obligate Guarantor to pay interest in excess of that lawfully permitted to be paid by Guarantor under applicable law. Should it be determined that any portion of the Guaranteed Obligations or any other amount payable by Guarantor under this Guaranty constitutes interest in excess of the maximum amount of interest that Guarantor, in Guarantor's capacity as guarantor, may lawfully be required to pay under applicable law, the obligation of Guarantor to pay such interest shall automatically be limited to the payment thereof in the maximum amount so permitted under applicable law. The provisions of this Section shall override and control all other provisions of this Guaranty and of any other agreement between Guarantor and Lender.

Section 26. Savings Clause.

Notwithstanding any provision herein contained to the contrary, Guarantor's liability under this Guaranty shall be limited to an amount not to exceed as of any date of determination the amount which could be claimed by Lender from Guarantor under this Guaranty without rendering such claim voidable or avoidable under Section 548 of the Bankruptcy Code (Title 11, U.S.C.) or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law (the "Avoidance Provisions") after taking into account, among other things, Guarantor's right of contribution and indemnification from each other guarantor, if any. To the extent that Guarantor may be entitled in any state or jurisdiction to claim or benefit from any immunity (whether characterized as state immunity, sovereign immunity, act of state or otherwise) now or hereafter for itself or any of its property or assets (which it now has or may hereafter acquire) in respect of its obligations under this Guaranty from service of process or other documents relating to proceedings, jurisdiction, suit, judgement, execution, attachment (whether before awarded or judgement, in aid or execution or otherwise) or legal process or to the extent that in any such jurisdiction there may be attributed to it or any of its property or assets such immunity (whether or not claimed), the Guarantor expressly, unconditionally and irrevocably agrees not to claim, invoke or permit to be invoked on it or its property or assets' behalf or for it or its property or assets' benefit and hereby expressly, unconditionally and irrevocably waives such immunity to the fullest extent permitted by the laws of such jurisdiction.

Section 28. Service of Process.

Each holder covenants that the Securities will be disposed of only pursuant to an effective registration statement under, and in compliance with the requirements of, the Securities Act or pursuant to an available exemption from, or in a transaction not subject

to, the registration requirements of the Securities Act, and in compliance with applicable state securities laws. In connection with any transfer of Securities other than (i) pursuant to an effective registration statement, (ii) to the Company, or (iii) pursuant to Rule 144 (provided, that, the holder provides the Company with reasonable assurances (in the form of a seller representation letter) that the Securities may be sold pursuant to such rule) or Rule 144A (as promulgated under the Securities Act), the Company may require the transferor to provide to the Company an opinion of counsel selected by the transferor, the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that such transfer does not require registration of such transferred Securities under the Securities Act. The Company hereby consents to and agrees to register on the books of the Company and with its Transfer Agent, without any such legal opinion, except to the extent that the Transfer Agent requests such legal opinion, any transfer of Securities by an Investor to an Affiliate of such Investor; provided, that, such transfer does not involve a “sale” within the meaning of Section 2(a)(3) of the Securities Act; and provided, further, that, such Affiliate does not request any removal of any existing legends on any certificate evidencing such Securities.

(b) The Investors agree to the imprinting, until no longer required by Section 4.1(d), of the following legend on any certificate evidencing any of the Securities:

THESE SECURITIES [*for Notes, insert: AND THE SECURITIES ISSUABLE UPON CONVERSION HEREOF*] HAVE NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR UNDER ANY APPLICABLE STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN COMPLIANCE WITH APPLICABLE STATE SECURITIES LAWS OR BLUE SKY LAWS.

Additionally, for the Notes, insert: THIS INSTRUMENT IS SUBORDINATED TO ALL INDEBTEDNESS NOW OR HEREAFTER OWING BY THE MAKER TO CITY NATIONAL BANK OF FLORIDA, AS PROVIDED IN THOSE CERTAIN SUBORDINATION OF DEBT AGREEMENTS DATED ON OR ABOUT DECEMBER 9, 2020.

Additionally, for the Notes, insert: THIS INSTRUMENT IS SUBJECT TO THE RESTRICTIONS ON TRANSFER SET FORTH IN SECURITIES EXCHANGE AND REGISTRATION RIGHTS AGREEMENT DATED AS OF DECEMBER 8, 2020, A COPY OF WHICH IS ON FILE WITH THE SECRETARY OF THE COMPANY.

(c) [Reserved].

(d) Certificates evidencing the Securities shall not be required to contain such legend or any other legend (i) with respect to Notes Shares, following any sale of such Note Shares pursuant to an effective registration statement under the Securities Act, (ii) at the time of any sale pursuant to Rule 144 if the holder provides the Company with a legal opinion (and the documents upon which the legal opinion is based) reasonably acceptable to the Company and the Transfer Agent to the effect that the Securities can be sold under Rule 144 or (iii) if the holder provides the Company with a legal opinion (and the documents upon which the legal opinion is based) reasonably acceptable to the Company and the Transfer Agent to the effect that the legend is not required under applicable requirements of the Securities Act (including controlling judicial interpretations and pronouncements issued by the staff of the SEC (the “Staff”)); provided, however, that, the Company shall not be required to remove the restrictive legend on any Note Shares registered on a Registration Statement until the earlier of one year after the issuance of the Notes and such time that the holder intends to sell such Note Shares. The Company will no later than three (3) Trading Days following the delivery by an Investor to the Company or the Transfer Agent (if delivery is made to the Transfer Agent a copy shall be contemporaneously delivered to the Company) of (A) a legended certificate representing the applicable Securities and any necessary instruments of transfer and (B) evidence reasonably satisfactory to the Company and its counsel and the Transfer Agent of the occurrence of any of clauses (i) through (iii), above (including any applicable investor and broker representation letters and the delivery of any legal opinion referred to therein, as applicable), deliver or cause to be delivered to such Investor (or a transferee of such Investor, as applicable) a certificate or book-entry (including shares transferred via DWAC or similar methodology by DTC) representing such Securities that is free from all restrictive and other legends. The Company may not make any notation on its records or give instructions to the Transfer Agent that expand the restrictions on transfer set forth in this Section 4.1(d).

4.2 Use of Proceeds. The Company and its Subsidiaries shall use the net proceeds from the sale of the Notes and the Guarantees to (a) repay a portion of the outstanding amount of the term loans and certain other amounts owing under the Credit Agreement, and (b) pay the Closing Fee to the Investors as set forth in the Fee Letter. None of the Company or any of its Subsidiaries shall use such proceeds in violation of FCPA or OFAC regulations.

4.3 Securities Laws Disclosure; Publicity. The Company shall, on or before 9:30 a.m., New York time, on the first (1st) Business Day after the date the Notes are issued, issue a press release (the “Press Release”), the contents of which shall be subject to prior review of, and reasonable and timely comments by, the Investors, disclosing all the material terms of the transactions contemplated by the Transaction Documents. On or before 9:30 a.m., New York time, no later than the fourth (4th) Business Day after the date the Notes are issued, the Company shall file a Current Report on Form 8-K describing all the material terms of this Agreement and the Notes.

4.4 Shareholder Rights Plan. No claim will be made or enforced by the Company or, with the consent of the Company, any other Person, that any Investor is an “Acquiring Person” under any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or similar anti-takeover plan or arrangement in effect or hereafter

adopted by the Company, or that any Investor could be deemed to trigger the provisions of any such plan or arrangement, by virtue of receiving Securities under the Transaction Documents.

4.5 Form D and Blue Sky. The Company agrees to timely file a Form D with respect to the Securities as required under Regulation D. The Company, on or before the Closing Date, shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for or to qualify the Securities for sale to the Investors at the Closing pursuant to this Agreement under applicable securities or “blue sky” laws of the states of the United States (or to obtain an exemption from such qualification). The Company shall make all filings and reports, or shall rely on an available exemption, relating to the offer and sale of the Securities required under applicable securities or “blue sky” laws of the states of the United States following the Closing Date and shall provide copies to any Investor who so requests.

4.6 Taxes.

(a) Except as required by applicable law, all payments of principal and interest on the Notes and all other amounts payable under the Transaction Documents shall be made free and clear of and without deduction for any present or future income, excise, stamp, documentary, property or franchise taxes, VAT and other taxes, fees, duties, levies, assessments, withholdings or other charges of any nature whatsoever (including interest and penalties thereon) imposed by any taxing authority, excluding (i) taxes imposed on or measured by net income (however denominated), franchise Taxes and branch profits Taxes, in each case, (A) imposed by the jurisdiction under which a Recipient is organized or a jurisdiction in which the Recipient conducts business (other than solely as the result of entering into any of the Transaction Documents or taking any action thereunder), or (B) imposed as a result of such Recipient being organized under the laws of, or having its principal office or, in the case of any Investor, its applicable lending office located in, the jurisdiction imposing such Taxes (or any political subdivision thereof) or (ii) U.S. federal or foreign withholding taxes imposed on amounts payable to or for the account of a Recipient with respect to an applicable interest on the Notes pursuant to a law in effect on the date on which such Recipient acquires such interest on the Notes except in each case to the extent that, pursuant to this Section 4.6, amounts with respect to such taxes were payable either to such Recipient’s assignor immediately before such Recipient became a party hereto, (iii) Canadian withholding taxes imposed or assessed solely as a result of (A) such Recipient not dealing at arm’s length with an Obligor within the meaning of the Income Tax Act (Canada) at the time of payment or (B) such Recipient being or not dealing at arm’s length (within the meaning of the Income Tax Act (Canada)) with a “specified shareholder” of an Obligor (within the meaning of subsection 18(5) of the Income Tax Act (Canada)) at the time of payment and (iv) U.S. federal withholding tax imposed under FATCA (all non-excluded items being called “Taxes”). If any withholding or deduction of any Taxes from any payment by or on account of any obligation of any Obligor hereunder is required in respect of any Taxes pursuant to any applicable law, then the sum payable by the applicable Obligor shall be increased by such additional amount or amounts as is necessary to ensure that the net amount actually received by the applicable Recipient will equal the full amount such Recipient would have received had no such withholding or deduction been required.

(b) The Company or the Guarantors, as applicable, shall indemnify each Recipient, within ten (10) days after written demand therefor, for the full amount of any Taxes (including Taxes imposed on or attributable to amounts payable under this Section 4.6) payable or paid by such Recipient or required to be withheld or deducted from a payment by such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority.

(c) Any Investor that is entitled to an exemption from or reduction of withholding Taxes with respect to payments made under any Transaction Document shall deliver to the Company, at the time or times reasonably requested by the Company, such properly completed and executed documentation reasonably requested by the Company as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Investor, at the time or times reasonably requested by the Company, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Company as will enable the Company to determine whether or not such Investor is subject to backup withholding, information reporting requirements, or withholding under FATCA. Each Investor that is not a “United States person” as defined in Section 7701(a)(30) of the Internal Revenue Code (each such Investor a “Foreign Investor”) shall execute and deliver to the Company on or prior to the date that such Investor becomes a party hereto (and from time to time thereafter upon the reasonable request of the Company), one or more (as the Company may reasonably request) duly completed and executed copies of United States Internal Revenue Service Forms W-8ECI, W-8BEN, W-8BEN-E, W-8IMY (as applicable) and other applicable forms, certificates or documents prescribed by the United States Internal Revenue Service or reasonably requested by the Company certifying as to such Investor’s entitlement to any available exemption from or reduction of withholding or deduction of taxes. Each Investor that is a “United States person” as defined in Section 7701(a)(30) of the Internal Revenue Code shall execute and deliver to the Company on or prior to the date such Investor becomes a party hereto (and from time to time thereafter upon the reasonable request of the Company), one or more (as the Company may reasonably request) duly completed and executed copies of United States Internal Revenue Service Form W-9 certifying that such Investor is not subject to United States backup withholding. The Company shall not be required to pay additional amounts to any Investor pursuant to this Section 4.6 with respect to taxes attributable to the failure of such Foreign Investor to comply with this paragraph or Section 4.6(d).

(d) Each Investor agrees that if any form or certification it previously delivered pursuant to this Section 4.6 expires or becomes obsolete or inaccurate in any respect, it shall promptly update such form or certification or promptly notify the Company of its inability to do so.

(e) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 4.6 (including by the payment of additional amounts pursuant to this Section 4.6), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, under this Section 4.6 with

respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 4.6(e) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority in the event that such indemnified party is required to repay such refund to such Governmental Authority). Notwithstanding anything to the contrary in this Section 4.6(e), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 4.6(e) the payment of which would place the indemnified party in a less favorable net after-tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had never been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts had never been paid. This paragraph shall not be construed to require any indemnified party to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the indemnifying party or any other Person.

(f) VAT.

(i) All amounts expressed in any Transaction Document to be payable by an Israeli Guarantor or other Obligor are deemed to be exclusive of any VAT which is chargeable on the payment of such amount, which VAT shall be the responsibility of the payor.

(ii) Where any Transaction Document requires an Israeli Guarantor or other Obligor to reimburse or indemnify another Person for any cost or expense, such Israeli Guarantor or other Obligor shall reimburse or indemnify (as the case may be) the Person for the full amount of such cost or expense, including such part thereof as represents VAT.

(iii) An Israeli Guarantor or any other Obligor shall promptly, upon request, provide the Collateral Agent or Investor, as the case may be, details of the Israeli Guarantor's or other Obligor's VAT registration and such other information as is reasonably requested in connection with any applicable VAT reporting requirements or demands made upon the Collateral Agent or Investor.

4.7 Israeli Security Matters. Within 120 calendar days following the Closing Date, the Company and the Israeli Guarantor shall (i) create and timely perfect the Investors' security interest on their Israeli assets and/or equity interests granted as collateral pursuant to the Transaction Documents, and (ii) duly apply (A) to the Israeli Companies Registrar, within 21 days of the date of creation of those security interests, to ensure registration of such security interests by the Companies Registrar with effect as of creation of the security interests, (B) to the Israeli Patents Authority to ensure registration of such security interests in patents or patent applications within 21 days of the date of creation of those security interests, and (C) to the Israeli Pledges Registrar to ensure registration of security interests created by any other Obligor in any shares or other equity interests issued by any Israeli Guarantor.

4.8 Canadian Security Matters. Within 120 calendar days following the Closing Date, the Company and the Venus Canada shall create and perfect the Investors' security interest on their Canadian assets and/or equity interests granted as collateral pursuant to the Transaction Documents.

ARTICLE V REGISTRATION RIGHTS

5.1 Resale Registration.

(a) Mandatory Registration. The Company shall prepare and, as soon as reasonably practicable, but in no event later than the Filing Deadline, file with the SEC, an initial Registration Statement on Form S-3 or such other form under the Securities Act as is then available to the Company, providing for the resale from time to time by the Investors of at least the number of Registrable Securities equal to the Required Registration Amount as of the date such Registration Statement is initially filed with the SEC. Notwithstanding anything to the contrary contained herein, the Filing Deadline with respect to any Registration Statement shall be automatically extended by a number of days necessary to address any comments to such Registration Statement by any Investor's counsel, which comments have required that the Company not file such Registration Statement as set forth in clause (B) of Section 5.1(c)(iii). Such initial Registration Statement, and each other Registration Statement required to be filed pursuant to the terms of this Agreement, shall contain (except as otherwise directed by the Investors) the "Selling Stockholders" and "Plan of Distribution" sections in substantially the form attached hereto as Annex B. The Company agrees to use reasonable efforts to cause the initial Registration Statement, and each other Registration Statement required to be filed pursuant to the terms of this Agreement, to be declared effective by the SEC as soon as practicable following such filing. The Company shall promptly, and in any event within three (3) Trading Days, notify the Investors of the effectiveness of a Registration Statement.

(b) [Reserved].

(c) Related Obligations. The Company shall use reasonable efforts to effect the registration of all the Registrable Securities in accordance with the intended method of disposition thereof, and, pursuant thereto, the Company shall have the following obligations:

(i) The Company shall promptly prepare and file with the SEC a Registration Statement with respect to all the Registrable Securities (but in no event later than the applicable Filing Deadline) and use reasonable efforts to cause such Registration Statement to become effective as soon as practicable after such filing. Subject to Allowable Grace Periods, the Company shall keep each Registration Statement effective (and the prospectus contained therein available for use) pursuant to Rule 415 for resales by the Investors on a delayed or continuous basis at then-prevailing market prices (and not fixed prices) at all times until the earlier of (A) the date as of which all of the Investors may sell all of the Registrable Securities required to be covered by such Registration Statement (disregarding any

reduction pursuant to Section 5.1(g)) without restriction pursuant to Rule 144 (including, without limitation, volume restrictions) and without the need for current public information required by Rule 144(c)(1) (or Rule 144(i)(2), if applicable), as determined by legal counsel for the Company, or (B) the date on which the Investors shall have sold all of the Registrable Securities covered by such Registration Statement (the "Registration Period"). Notwithstanding anything to the contrary contained in this Agreement, the Company shall ensure that, when filed and at all times while effective, each Registration Statement shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein (in the case of prospectuses, in the light of the circumstances in which they were made) not misleading. The Company shall submit to the SEC, within five (5) days after the Staff advises the Company (orally or in writing, whichever is earlier) that the Staff either will not review a particular Registration Statement or has no further comments on such Registration Statement (as the case may be), a request for acceleration of effectiveness of such Registration Statement to a time and date not later than forty-eight (48) hours after the submission of such request.

(ii) Subject to Section 5.1(c)(xiv), the Company shall prepare and file with the SEC such amendments (including, without limitation, post-effective amendments) and supplements to each Registration Statement and the prospectus used in connection with each such Registration Statement, which prospectus is to be filed pursuant to Rule 424 promulgated under the Securities Act, as may be necessary to keep each such Registration Statement effective at all times during the Registration Period for such Registration Statement, and, during such period, comply with the provisions of the Securities Act with respect to the registration of all Registrable Securities of the Company required to be covered by such Registration Statement until the completion of the applicable Registration Period; provided, however, that, by 5:30 p.m. (New York time) on or prior to the fifth (5th) Business Day immediately following the effective date of each Registration Statement, the Company shall file with the SEC in accordance with Rule 424(b) under the Securities Act the final prospectus to be used in connection with sales pursuant to such Registration Statement (whether or not such a prospectus is technically required by such rule). In the case of amendments and supplements to any Registration Statement which are required to be filed pursuant to this Agreement (including, without limitation, pursuant to this Section 5.1(c)(ii)) by reason of the Company filing a report on Form 10-Q or Form 10-K or any analogous report under the Exchange Act, the Company shall, if permitted under the applicable rules and regulations of the SEC, have incorporated such report by reference into such Registration Statement, if applicable, or shall file such amendments or supplements with the SEC on or prior to the third (3rd) Trading Day following the date on which the Exchange Act report is filed with the SEC which created the requirement for the Company to amend or supplement such Registration Statement.

(iii) The Company shall (A) permit one legal counsel in the aggregate for the Investors to review and comment upon (1) each Registration Statement that

includes the name, or otherwise identifies, any Investor as a “Selling Stockholder” with respect to securities registered for sale pursuant to such Registration Statement at least five (5) days prior to its filing with the SEC and (2) all amendments and supplements to each Registration Statement that includes the name, or otherwise identifies, any Investor as a “Selling Stockholder” with respect to securities registered for sale pursuant to such Registration Statement (including, without limitation, the prospectus contained therein) (except for Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8K, and any similar or successor reports) within a reasonable number of days prior to their filing with the SEC, and (B) not file any Registration Statement or amendment or supplement thereto, in each case, referred to in clause (A) above, in a form to which legal counsel for the Investors reasonably objects in a timely manner; provided however, that, in the event of such objection, the Company shall have no liability to any Investor for the resulting failure to timely file the Registration Statement. The Company shall reasonably cooperate with legal counsel for the Investors in performing the Company’s obligations pursuant to this Section 5.1(e)(iii).

(iv) The Company shall promptly furnish to each Investor whose Registrable Securities are included in any Registration Statement, without charge, (A) copies of any correspondence from the SEC or the Staff to the Company or its representatives relating to such Registration Statement, to the extent that such comments relate to the “Selling Stockholders” or the “Plan of Distribution”, (B) upon request, after the same is prepared and filed with the SEC, a reasonable number of copies of such Registration Statement and any amendment(s) and supplement(s) thereto, including, if so requested, the financial statements and schedules filed therewith, all documents incorporated therein by reference, all exhibits and each preliminary prospectus, (C) upon request, upon the effectiveness of such Registration Statement, two (2) copies of the prospectus included in such Registration Statement and all amendments and supplements thereto (or such other number of copies as such Investor may reasonably request from time to time), and (D) such other documents, including, without limitation, copies of any preliminary or final prospectus, as such Investor may reasonably request from time to time in order to facilitate the disposition of the Registrable Securities owned by such Investor.

(v) The Company shall use reasonable efforts to (A) register and qualify, unless an exemption from registration and qualification applies, the resale by Investors of the Registrable Securities covered by any Registration Statement under such other securities or “blue sky” laws of jurisdictions in the United States as shall be reasonably appropriate for the distribution of the Registrable Securities covered by such Registration Statement, (B) prepare and file in those jurisdictions, such amendments (including, without limitation, post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the applicable Registration Period, (C) take such other actions as may be necessary to maintain such registrations and qualifications in effect at all times during the applicable Registration Period, and (D) take all other actions reasonably necessary or advisable to qualify the

Registrable Securities for sale in such jurisdictions; provided, however, that, the Company shall not be required in connection therewith or as a condition thereto to (1) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 5.1(c)(v), (2) subject itself to general taxation in any such jurisdiction, or (3) file a general consent to service of process in any such jurisdiction. The Company shall promptly notify each Investor who holds Registrable Securities of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Registrable Securities for sale under the securities or “blue sky” laws of any jurisdiction in the United States or its receipt of actual notice of the initiation or threatening of any proceeding for such purpose.

(vi) The Company shall promptly notify each Investor in writing when a prospectus or any prospectus supplement or post-effective amendment relating to a Registration Statement has been filed, when a Registration Statement or any post-effective amendment thereto has become effective (notification of such effectiveness shall be delivered to each Investor by facsimile or e-mail no later than one (1) Business Day following the date of such effectiveness or by overnight mail), and when the Company receives written notice from the SEC that a Registration Statement or any post-effective amendment thereto will be reviewed by the SEC. The Company shall respond as promptly as practicable to any comments received from the SEC with respect to each Registration Statement or any amendment thereto. If the Company receives SEC comments which challenge the right of an Investor to have its Registrable Securities included in a Registration Statement without being deemed an underwriter thereunder, the Company shall, in discussions with and responses to the SEC, use reasonable efforts and time to cause as many Registrable Securities as possible to be included in such Registration Statement without characterizing any Investor as an underwriter and in such regard use reasonable efforts to cause the SEC to permit the affected Investors or their respective counsel to reasonably participate in SEC conversations on such issue together with Company Counsel, and timely convey relevant information concerning such issue with the affected Investors or their respective counsel. In no event may the Company name any Investor as an underwriter without such Investor’s prior written consent.

(vii) The Company shall (A) use reasonable efforts to prevent the issuance of any stop order or other suspension of effectiveness of each Registration Statement or the use of any prospectus contained therein, or the suspension of the qualification, or the loss of an exemption from qualification, of any of the Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension as soon as reasonably practicable and (B) notify each Investor who holds Registrable Securities of the issuance of such order and the resolution thereof or its receipt of actual notice of the initiation or threat of any proceeding for such purpose.

(viii) The Company shall hold in confidence and not make, without the consent of such Investor, any disclosure of confidential information concerning an

Investor provided to the Company unless (A) disclosure of such information is necessary to comply with federal or state securities laws, (B) the disclosure of such information is necessary to avoid or correct a misstatement or omission in a Registration Statement or is otherwise required to be disclosed in a Registration Statement pursuant to the Securities Act, (C) the release of such information is ordered pursuant to a subpoena or other final, non-appealable order from a court or governmental body of competent jurisdiction, or (D) such information has been made generally available to the public other than by disclosure in violation of this Agreement or any other Transaction Document. The Company agrees that it shall, upon learning that disclosure of such information concerning an Investor is sought in or by a court or governmental body of competent jurisdiction or through other means, give prompt written notice to such Investor and allow such Investor to undertake, at its expense, appropriate action to prevent disclosure of, or to obtain a protective order for, such information. For the avoidance of doubt, nothing contained in this Section 5.1(c)(viii) shall obligate the Company to withhold disclosure in contravention of any deadline imposed by any court or governmental body of competent jurisdiction.

(ix) Without limiting any obligation of the Company under this Agreement, the Company shall use reasonable efforts to cause all of the Registrable Securities covered by each Registration Statement to be listed on each securities exchange on which securities of the same class or series issued by the Company are then listed, if any, if the listing of such Registrable Securities is then permitted under the rules of such exchange. In addition, the Company shall cooperate with each Investor and any broker or dealer through which any such Investor proposes to sell its Registrable Securities in effecting a filing with FINRA pursuant to FINRA Rule 5110 as requested by such Investor. The Company shall pay all fees and expenses in connection with satisfying its obligations under this Section 5.1(c)(ix).

(x) [Reserved].

(xi) [Reserved].

(xii) [Reserved].

(xiii) Within two (2) Business Days after the date on which a Registration Statement which covers Registrable Securities is declared effective by the SEC, the Company shall deliver, or shall cause legal counsel for the Company to deliver, to the Transfer Agent (with copies to the Investors whose Registrable Securities are included in such Registration Statement upon request by any such Investor) written confirmation that such Registration Statement has been declared effective by the SEC.

(xiv) Notwithstanding anything to the contrary herein, at any time after the date on which a particular Registration Statement is declared effective by the SEC, the Company may suspend the use of any prospectus for sales of Registrable Securities under such Registration Statement or delay the disclosure of any material

non-public information or pending development concerning the Company or any of its Subsidiaries for a specified period if the disclosure of such information or development during such period would be materially detrimental, in the good faith opinion of the Company's board of directors or any named executive officer of the Company, to the Company (a "Grace Period"), provided, that, the Company shall promptly notify the Investors in writing of the (A) existence of material non-public information or pending development (without disclosing the nature of such information or development) giving rise to a Grace Period and the date on which such Grace Period will begin and (B) date on which such Grace Period ends, provided, further, that, (1) such Grace Period shall not exceed sixty (60) consecutive days, (2) during any three hundred sixty five (365) day period, all Grace Periods occurring during such period shall not exceed an aggregate of one hundred twenty (120) days, (3) the first day of any Grace Period must be at least five (5) Trading Days after the last day of any prior Grace Period, and (4) no Grace Period may exist during the forty-five (45) day period immediately following the effective date of such Registration Statement (provided, that, such forty-five (45) day period shall be extended by the number of days during such period and any extension thereof contemplated by this proviso during which such Registration Statement is not effective or the prospectus contained therein is not available for use) (each Grace Period satisfying each of the conditions in the foregoing clauses (1), (2), (3) and (4), an "Allowable Grace Period"). For purposes of determining the length of a Grace Period above, such Grace Period shall begin on and include the date the Company delivers to the Investors the notice referred to in clause (A) above and shall end on and include the earlier of (x) the date stated in the notice referred to in clause (B) above as the end of such Grace Period or (y) to the extent considered appropriate by the Company in its sole discretion, such earlier date as to which the Company may advise the Investors in writing after the Company's provision of the notices described above. The provisions of Section 5.1(c)(vi) hereof shall not be applicable during the period of any Allowable Grace Period. Upon expiration of each Grace Period, the Company shall again be bound by the first sentence of Section 5.1(c)(vi) with respect to the information giving rise thereto unless such material non-public information is no longer applicable.

(d) Obligations of the Investors. Each Investor shall furnish to the Company such information regarding itself and the Persons who control such Investor, the Registrable Securities held by it, and the intended method of disposition of such securities as the Company shall reasonably request and as shall be required in connection with the registration of the Registrable Securities, and shall execute such documents in connection with such registration as the Company may reasonably request. Each Investor, by such Investor's acceptance of the Registrable Securities, agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of any Registration Statement, unless such Investor has notified the Company in writing of such Investor's election to exclude all of such Investor's Registrable Securities from such Registration Statement. Each Investor agrees to provide the Company with such information within three (3) Business Days of any such request by the Company.

(e) Expenses of Registration. All expenses incurred in connection with any Registration Statement, excluding underwriters' discounts and commissions, but including without limitation all registration, filing and qualification fees, word processing, duplicating, printers' and accounting fees, stock exchange fees, messenger and delivery expenses incurred by the Company, all fees and expenses of complying with state securities or blue sky laws and the fees and disbursements of counsel for the Company shall be paid by the Company; provided, however, that, in the event the Company is required to file an amendment or supplement to any Registration Statement to identify an assignee of Registrable Securities as a "Selling Stockholder" in such Registration Statement, then, except with respect to the first transfer by the Investor of Registrable Securities to an assignee that is (or the first series of substantially concurrent transfers of Registrable Securities by the Investors to assignees that are) either (i) an "affiliate" (as defined in Rule 144) of an Investor or (ii) a limited partner of an Investor or an "affiliate" (as defined in Rule 144) of any such limited partner, such assignee shall pay any such expenses incurred in connection therewith.

(f) Sufficient Number of Shares Registered. Subject to Section 5.1(g), in the event the number of shares available under any Registration Statement during the applicable Registration Period is insufficient to cover all of the Registrable Securities required to be covered by such Registration Statement or an Investor's allocated portion of the Registrable Securities pursuant to Section 5.1(h), the Company shall amend such Registration Statement (if permissible), or file with the SEC a new Registration Statement (on the short form available therefor, if applicable), or both, so as to cover at least the Required Registration Amount as of the Trading Day immediately preceding the date of the filing of such amendment or new Registration Statement, in each case, as soon as practicable, but in any event not later than thirty (30) days after the necessity therefor arises (but taking account of any Staff position with respect to the date on which the Staff will permit such amendment to such Registration Statement and/or such new Registration Statement (as the case may be) to be filed with the SEC). The Company shall use reasonable efforts to cause such amendment to such Registration Statement and/or such new Registration Statement (as the case may be) to become effective as soon as practicable following the filing thereof with the SEC. Subject to Section 5.1(g), for purposes of the foregoing provision, the number of shares available under a Registration Statement shall be deemed "insufficient to cover all of the Registrable Securities" if at any time the number of shares of Common Stock available for resale under the applicable Registration Statement is less than the Required Registration Amount as of such time. The calculation set forth in the foregoing sentence shall be made without regard to any limitations on conversion, amortization and/or redemption of the Notes (and such calculation shall assume that (A) the Notes are then convertible in full into shares of Common Stock at the then prevailing Conversion Rate (as defined in the Notes) and (B) the initial outstanding principal amount of the Notes remains outstanding through the scheduled Maturity Date (as defined in the Notes) and no redemptions of the Notes occur prior to the scheduled Maturity Date (except to the extent redemptions of the Notes have actually occurred on or prior to such date).

(g) Offering. Notwithstanding anything to the contrary contained in this Agreement, in the event the Staff or the SEC seeks to characterize any offering pursuant to

a Registration Statement filed pursuant to this Agreement as constituting an offering of securities by, or on behalf of, the Company, or in any other manner, such that the Staff or the SEC do not permit such Registration Statement to become effective and used for resales in a manner that does not constitute such an offering and that permits the continuous resale at the market by the Investors participating therein (or as otherwise may be acceptable to each Investor) without being named therein as an “underwriter,” then the Company shall reduce the number of shares to be included in such Registration Statement by all Investors until such time as the Staff and the SEC shall so permit such Registration Statement to become effective as aforesaid. In making such reduction, the Company shall reduce the number of shares to be included by all Investors on a pro rata basis (based upon the number of Registrable Securities otherwise required to be included for each Investor) unless the inclusion of shares by a particular Investor or a particular set of Investors are resulting in the Staff or the SEC’s “by or on behalf of the Company” offering position, in which event the shares held by such Investor or set of Investors shall be the only shares subject to reduction (and if by a set of Investors on a pro rata basis by such Investors or on such other basis as would result in the exclusion of the least number of shares by all such Investors); provided, that, with respect to such pro rata portion allocated to any Investor, such Investor may elect the allocation of such pro rata portion among the Registrable Securities of such Investor. In addition, in the event that the Staff or the SEC requires any Investor seeking to sell securities under a Registration Statement filed pursuant to this Agreement to be specifically identified as an “underwriter” in order to permit such Registration Statement to become effective, and such Investor does not consent to being so named as an underwriter in such Registration Statement, then, in each such case, the Company shall reduce the total number of Registrable Securities to be registered on behalf of such Investor, until such time as the Staff or the SEC does not require such identification or until such Investor accepts such identification and the manner thereof.

(h) Allocation of Registrable Securities. The initial number of Registrable Securities included in any Registration Statement and any increase in the number of Registrable Securities included therein shall be allocated pro rata among the Investors based on the number of Registrable Securities held by each Investor at the time such Registration Statement covering such initial number of Registrable Securities or increase thereof is declared effective by the SEC. In the event that an Investor sells or otherwise transfers any of such Investor’s Registrable Securities, each transferee or assignee (as the case may be) that becomes an Investor shall be allocated a pro rata portion of the then-remaining number of Registrable Securities included in such Registration Statement for such transferor or assignee (as the case may be).

(i) No Inclusion of Other Securities. The Company shall in no event include any securities other than Registrable Securities on any Registration Statement filed in accordance herewith without the prior written consent of the Investors.

5.2 Rules 144 and 144A and Regulation S. The Company shall file the reports required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted by the SEC thereunder (or, if the Company is not required to file such reports, it will, upon the request of any Investor, make publicly available such necessary information for so long as necessary to permit sales that would otherwise be permitted by this Agreement pursuant

to Rule 144, Rule 144A or Regulation S under the Securities Act, as such rules may be amended from time to time or any similar rule or regulation hereafter adopted by the SEC), and it will take such further action as any Investor may reasonably request, all to the extent required from time to time to enable the Investors to sell Registrable Securities without Registration under the Securities Act in transactions that would otherwise be permitted by this Agreement and within the limitation of the exemptions provided by (i) Rule 144, Rule 144A or Regulation S under the Securities Act, as such rules may be amended from time to time, or (ii) any similar rule or regulation hereafter adopted by the SEC. Upon the request of any Investor, the Company will deliver to the Investors a written statement as to whether it has complied with such requirements and, if not, the specifics thereof.

5.3 Notification. As promptly as practicable, each Investor of Registrable Securities shall notify the Company when all of such Investor's Registrable Securities have been sold.

ARTICLE VI CONDITIONS

6.1 Conditions Precedent to the Obligations of the Investors. The obligation of each Investor to purchase the Notes at the Closing is subject to the satisfaction, unless waived in writing by such Investor, at or before the Closing, of each of the following conditions:

(l) Perfection and Priority of Liens. Other than as set forth in Sections 4.7 and 4.8, receipt by the Investors of the following:

(b) Deliverables. The Investors shall have executed each of the Transaction Documents to which it is a party and delivered the same to the Company. The Investors shall have delivered to the Company those items required by Section 2.2(b).

ARTICLE VII INDEMNIFICATION

7.1 Indemnification.

(a) To the fullest extent permitted by law, Obligors will, and hereby do, indemnify, hold harmless and defend each Investor and each of its directors, officers, shareholders, members, partners, employees, agents, and representatives and each Person, if any, who controls such Investor within the meaning of the Securities Act or the Exchange Act (each, an "Indemnified Person"), against any losses, claims, damages, liabilities, judgments, fines, penalties, charges, costs (including, without limitation, court costs, reasonable attorneys' fees and costs of defense and investigation), amounts paid in settlement or expenses, joint or several, (collectively, "Claims") incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the SEC, whether pending or threatened in writing ("Indemnified Damages"), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any breach of the representations, warranties, covenants or agreements made by any of the Obligors in this Agreement or in the other Transaction Documents, (ii) any untrue statement or alleged untrue statement of a material fact in any Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or other "blue sky" laws of any jurisdiction in which Registrable Securities are offered, or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (iii) any untrue statement or alleged untrue statement of a material fact contained in any final prospectus relating to any Registration Statement (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in light of the circumstances under which

the statements therein were made, not misleading, or (iv) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any other law, including, without limitation, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Registrable Securities pursuant to any Registration Statement (the matters in the foregoing clauses (i) through (iv) being, collectively, “Violations”). Subject to Section 7.1(c), the Obligor shall reimburse the Indemnified Persons for any reasonable and documented legal fees of one counsel or other reasonable and documented out-of-pocket expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 7.1(a): (A) shall not apply to a Claim by an Indemnified Person arising out of or based upon a Violation which occurs in reliance upon and in conformity with information furnished in writing to the Company by such Indemnified Person expressly for use in connection with the preparation of, or inclusion in, any Registration Statement or any such amendment thereof or supplement thereto, (B) shall not be available to a particular Investor to the extent such Claim is based on a failure of such Investor to deliver or to cause to be delivered the prospectus made available by the Company (to the extent applicable), including, without limitation, a corrected prospectus, if such prospectus or corrected prospectus was made available by the Company. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Person and shall survive the transfer of any of the Registrable Securities by any of the Investors and (C) shall not be available to the extent that such Claims are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnified Person. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Person and shall survive the transfer of any of the Registrable Securities by any of the Investors.

(b) To the fullest extent permitted by law, each Investor agrees to severally and not jointly indemnify, hold harmless and defend, to the same extent and in the same manner as is set forth in Section 7.1(a), each Obligor, each of its directors, officers, shareholders, members, partners, employees, agents, and representatives and each Person, if any, who controls any Obligor within the meaning of the Securities Act or the Exchange Act (each, an “Indemnified Party”), against any Claim or Indemnified Damages to which any of them may become subject, under the Securities Act, the Exchange Act or otherwise, insofar as such Claim or Indemnified Damages arise out of or are based upon any Violation, in each case, to the extent, and only to the extent, that such Violation occurs in reliance upon and in conformity with written information furnished to the Company by such Investor expressly for use in connection with the preparation of, or inclusion in, (i) a Registration Statement or any such amendment thereof or supplement thereto or (ii) any final prospectus relating to any Registration Statement (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the SEC); and, subject to Section 7.1(c) and the below provisos in this Section 7.1(b), such Investor will reimburse an Indemnified Party for any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any such Claim; provided, however, that, the indemnity agreement contained in this Section 7.1(b) and the agreement with respect to contribution contained in Section 7.2 shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of such Investor,

which consent shall not be unreasonably withheld or delayed, provided, further, that, such Investor shall be liable under this Section 7.1(b) for only that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to such Investor as a result of the applicable sale of Registrable Securities pursuant to such Registration Statement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Indemnified Party and shall survive the transfer of any of the Registrable Securities by any of the Investors.

(c) Promptly after receipt by an Indemnified Person or Indemnified Party (as the case may be) under this Section 7.1 of notice of the commencement of any action or proceeding (including, without limitation, any governmental action or proceeding) involving a Claim, such Indemnified Person or Indemnified Party (as the case may be) shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 7.1, deliver to the applicable indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, with the written consent of the Company if the Company is not the indemnifying party, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person or the Indemnified Party (as the case may be); provided, however, that, an Indemnified Person or Indemnified Party (as the case may be) shall have the right to retain its own counsel with the fees and expenses of such counsel to be paid by the indemnifying party if: (i) the indemnifying party has agreed in writing to pay such fees and expenses; (ii) the indemnifying party shall have failed promptly to assume the defense of such Claim and to employ counsel reasonably satisfactory to such Indemnified Person or Indemnified Party (as the case may be) in any such Claim; or (iii) the named parties to any such Claim (including, without limitation, any impleaded parties) include both such Indemnified Person or Indemnified Party (as the case may be) and the indemnifying party, and such Indemnified Person or such Indemnified Party (as the case may be) shall have been advised by counsel that a conflict of interest is likely to exist if the same counsel were to represent such Indemnified Person or such Indemnified Party and the indemnifying party (in which case, if such Indemnified Person or such Indemnified Party (as the case may be) notifies the indemnifying party in writing that it elects to employ separate counsel at the expense of the indemnifying party, then the indemnifying party shall not have the right to assume the defense thereof and such counsel shall be at the expense of the indemnifying party), provided, further, that, in the case of clause (iii) above the indemnifying party shall not be responsible for the reasonable fees and expenses of more than one (1) separate legal counsel for all Indemnified Persons or Indemnified Parties (as the case may be). The Indemnified Party or Indemnified Person (as the case may be) shall reasonably cooperate with the indemnifying party in connection with any negotiation or defense of any such action or Claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Party or Indemnified Person (as the case may be) which relates to such action or Claim. The indemnifying party shall keep the Indemnified Party or Indemnified Person (as the case may be) reasonably apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent; provided, however, that, the indemnifying party shall not unreasonably withhold, delay or

condition its consent. No indemnifying party shall, without the prior written consent of the Indemnified Party or Indemnified Person (as the case may be), consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party or Indemnified Person (as the case may be) of a release from all liability in respect to such Claim or litigation, and such settlement shall not include any admission as to fault on the part of the Indemnified Party or Indemnified Person (as the case may be). Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Party or Indemnified Person (as the case may be) with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person or Indemnified Party (as the case may be) under this Section 7.1, except to the extent that the indemnifying party is materially and adversely prejudiced in its ability to defend such action.

(d) No Person involved in the sale of Registrable Securities who is guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) in connection with such sale shall be entitled to indemnification from any Person involved in such sale of Registrable Securities who is not guilty of fraudulent misrepresentation.

(e) The indemnity and contribution agreements contained herein shall be in addition to (i) any cause of action or similar right of the Indemnified Party or Indemnified Person against the indemnifying party or others, and (ii) any liabilities to which the indemnifying party may be subject pursuant to the law.

7.2 Contribution. To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 7.1 to the fullest extent permitted by law; provided, however, that: (a) no contribution shall be made under circumstances where the maker would not have been liable for indemnification under the fault standards set forth in Section 7.1; (b) no Person involved in the sale of Registrable Securities which Person is guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) in connection with such sale shall be entitled to contribution from any Person involved in such sale of Registrable Securities who was not guilty of fraudulent misrepresentation; and (c) contribution by any seller of Registrable Securities shall be limited in amount to the amount of net proceeds received by such seller from the applicable sale of such Registrable Securities pursuant to a Registration Statement. Notwithstanding the provisions of this Section 7.2, no Investor shall be required to contribute, in the aggregate, any amount in excess of the amount by which the net proceeds actually received by such Investor from the applicable sale of the Registrable Securities subject to the Claim exceeds the amount of any damages that such Investor has otherwise been required to pay, or would otherwise be required to pay under Section 7.1(b), by reason of such untrue or alleged untrue statement or omission or alleged omission.

ARTICLE VIII COLLATERAL AGENT

8.1 Appointment. Each of the Investors hereby irrevocably appoints the Collateral Agent as its agent, and for purposes of acquiring, holding and enforcing any and all Liens which are governed by Israeli law, as its trustee, and authorizes the Collateral Agent to take such actions on its behalf, including execution of the other Transaction Documents, and to exercise such powers as are delegated to the Collateral Agent by the terms of the Transaction Documents, together with such actions and powers as are reasonably incidental thereto.

8.2 Duties. The Collateral Agent shall not have any duties or obligations except those expressly set forth in the Transaction Documents. Without limiting the generality of the foregoing, (a) the Collateral Agent shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default (as defined in the Notes) has occurred and is continuing, (b) the Collateral Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Transaction Documents that the Collateral Agent is required to exercise in writing as directed by the Required Holders (as defined in the Notes), and (c) except as expressly set forth in the Transaction Documents, the Collateral Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Subsidiaries that is communicated to or obtained by the entity serving as Collateral Agent or any of its Affiliates in any capacity. The Collateral Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Holders or in the absence of its own gross negligence or willful misconduct. The Collateral Agent shall be deemed not to have knowledge of any Event of Default unless and until written notice thereof is given to the Collateral Agent by the Company or an Investor, and the Collateral Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Transaction Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Transaction Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Transaction Document, (iv) the validity, enforceability, effectiveness or genuineness of any Transaction Document or any other agreement, instrument or document, (v) the creation, perfection or priority of Liens on the Collateral or the existence of the Collateral, or (vi) the satisfaction of any condition set forth in any Transaction Document. The entity serving as the Collateral Agent may generally engage in any kind of business with the Company or any Subsidiary of the Company or other Affiliate thereof as if it were not the Collateral Agent hereunder. The Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Collateral Agent may consult with legal counsel (who may be counsel for the Company), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

8.3 Sub-Agents. The Collateral Agent may perform any and all of its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Collateral Agent. The Collateral Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Affiliates. The exculpatory provisions of

this Article VIII shall apply to any such sub-agent and to the Affiliates of the Collateral Agent and any such sub-agent, and shall apply to their activities as Collateral Agent.

8.4 Successor Collateral Agent. Subject to the appointment and acceptance of a successor Collateral Agent as provided in this paragraph, the Collateral Agent may resign at any time by notifying the Investors and the Company. Upon any such resignation, the Required Holders shall have the right to appoint a successor. If no successor shall have been so appointed by the Required Holders and shall have accepted such appointment within 30 days after the retiring Collateral Agent gives notice of its resignation, then the retiring Collateral Agent may, on behalf of the Investors, appoint a successor Collateral Agent which shall be a commercial bank or an Affiliate of any such commercial bank. Upon the acceptance of its appointment as Collateral Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent, and the retiring Collateral Agent shall be discharged from its duties and obligations hereunder. After the Collateral Agent's resignation hereunder, the provisions of this Article VIII shall continue in effect for the benefit of such retiring Collateral Agent, its sub-agents and their respective Affiliates in respect of any actions taken or omitted to be taken by any of them while it was acting as Collateral Agent.

ARTICLE IX MISCELLANEOUS

9.1 Termination. This Agreement, subject to Section 9.11, shall terminate and have no further force or effect (a) upon any repayment, conversion or redemption of the Notes in full in accordance with the terms thereof or (b) if Closing does not occur on or prior to December 31, 2020.

9.2 Fees and Expenses. The Obligors shall pay (a) all reasonable and documented out-of-pocket expenses incurred by the Investors and the Collateral Agent (including the fees, charges and disbursements of one counsel in the aggregate for all Investors and the Collateral Agent), in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Transaction Documents and (ii) any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) or the administration of this Agreement and the other Transaction Documents and (b) all reasonable and documented out-of-pocket expenses incurred by the Investors and the Collateral Agent (including the fees, charges and disbursements of one counsel in the aggregate for all Investors and the Collateral Agent), in connection with the enforcement or protection of their rights (i) in connection with this Agreement and the other Transaction Documents, including their rights under this Section 9.2 or (ii) in connection with the Notes, including all such out-of-pocket expenses incurred during any arbitration, dispute resolution, workout, restructuring or negotiations in respect of such Notes.

9.3 Confidentiality. Each of the Investors agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates or to its and such Affiliates' respective partners, directors, officers, employees, agents, trustees, administrators, managers, advisors, sub-advisors or representatives in connection with the transactions contemplated hereby (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and will be instructed to keep such

Information confidential), (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or such Person's Affiliates or the partners, directors, officers, employees, agents, trustees, administrators, managers, advisors, sub-advisors or representatives of such Person or of such Person's Affiliates (including any self-regulatory authority), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other original Investor signatory hereto, (e) as may be reasonably necessary in connection with the exercise of any remedies hereunder or under any other Transaction Document or any action or proceeding relating to this Agreement or any other Transaction Document or the enforcement of rights hereunder or thereunder, (f) upon the prior written consent of the Company, to any prospective assignee of any of an Investor's rights and obligations under this Agreement which agrees to be bound by the confidentiality provisions set forth in this [Section 9.3](#), (g) on a confidential basis to (i) any rating agency in connection with rating any Obligor or its Subsidiaries or any of the Securities or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers or other market identifiers with respect to any of the Securities, (h) with the consent of the Company, (i) to the members of its investment committee and its limited partners in connection with the transactions contemplated hereby (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential) or (j) to the extent such Information (x) becomes publicly available other than as a result of a breach of this [Section 9.3](#) or (y) becomes available to the Investors or any of their respective Affiliates on a nonconfidential basis from a source other than the Obligors. Each of the Investors, any permitted assignee and any Affiliate of such Investor agrees not to transact in the securities of the Company on the basis of any Information provided by the Company to the extent and for so long as such Information remains material non-public information.

9.4 Entire Agreement; Further Assurances. The Transaction Documents, together with the Exhibits, Annexes and Schedules thereto, contain the entire understanding of the parties with respect to the subject matter hereof and supersede all prior agreements and understandings, oral or written, with respect to such matters, which the parties acknowledge have been merged into such documents, exhibits and schedules.

9.5 Notices. Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and provided by email and by deposit with a nationally recognized courier service and shall be deemed given and effective on the earliest of (a) the Trading Day such notice or communication is delivered by such nationally recognized courier service to the party to whom such notice is required to be given, if such notice or communication is delivered at the address specified in this [Section 9.5](#) prior to 6:30 p.m. (New York City time) on a Trading Day, or (b) the next Trading Day after the date of delivery, if such notice or communication is delivered by such nationally recognized courier service to the party to whom such notice is required to be given at the address specified in this [Section 9.5](#) on a day that is not a Trading Day or later than 6:30 p.m. (New York City time) on any Trading Day. The addresses and email addresses for such notices and communications are those set forth on the signature pages hereof, or such other address as may be designated in writing hereafter, in the same manner, by any such Person.

9.6 Amendments; Waivers. No provision of this Agreement may be waived or amended except in a written instrument signed, in the case of an amendment, by the Obligors, the

Collateral Agent and the Investors holding more than 50% of the outstanding principal amount of the Notes or, in the case of a waiver, by the party against whom enforcement of any such waiver is sought. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of any party to exercise any right hereunder in any manner impair the exercise of any such right.

9.7 Construction. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party. A reference to a provision of law is a reference to that provision as amended or reenacted and any reference to any law shall include all rules and regulations promulgated pursuant to such law. Any reference to a law, unless the context requires otherwise, shall refer also to any applicable treaty, rule, official directive, request or guideline of any governmental, fiscal, monetary or regulatory body, agency, department or regulatory, self-regulatory or other authority or organization, whether or not having the force of law.

9.8 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. No Obligor may assign this Agreement or any rights or obligations hereunder without the prior written consent of the Investors holding more than 50% of the outstanding principal amount of the Notes; provided, however, that, this Agreement shall be assigned to any corporation or association into which such Obligor may be merged or converted or with which it may be consolidated, and any corporation, association or other similar entity resulting from any such merger, conversion or consolidation shall be a party hereto without the execution or filing of any paper with any party hereto or any further act on the part of any of the parties to this Agreement, anything herein to the contrary notwithstanding. Any Investor may assign its rights under this Agreement to any Person to whom such investor assigns or transfers any Registrable Securities, but unless the Assignment Conditions have been satisfied, no Investor may assign its rights under this Agreement in connection with any transfer or assignment of the Notes, other than to an Affiliate of such Investor. In addition to the Assignment Conditions, prior to any assignment of this Agreement, (a) such transferor shall have agreed in writing with the transferee or assignee to assign such rights, and a copy of such agreement shall be furnished to the Company after such assignment, (b) the Company shall have been furnished with written notice of the name and address of such transferee or assignee, (c) following such transfer or assignment, the further disposition of such securities by the transferee or assignee shall be restricted, as applicable, under the Securities Act and applicable state securities laws, (d) such transferee shall agree in writing to be bound, with respect to the transferred Securities, by the provisions hereof that apply to the "Investors" and (e) such transfer shall have been made in accordance with the applicable requirements of this Agreement and with all laws applicable thereto.

9.9 No Third-Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

9.10 Governing Law; Venue; Waiver of Jury Trial. This agreement shall be governed by and construed in accordance with the laws of the State of New York. The Obligors and the Investors hereby irrevocably submit to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan for the adjudication of any dispute brought by any Obligor or any Investor hereunder, in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waive, and agree not to assert in any suit, action or proceeding brought by any Obligor or any Investor, any claim that it is not personally subject to the jurisdiction of any such court, or that such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. The Obligors and the Investors hereby waive all rights to a trial by jury.

9.11 Survival. Notwithstanding Section 9.1(a) above, Sections 4.1, 4.4, 4.6, 7.1, 7.2, 9.2, 9.3, 9.10, 9.15 and 9.16 and Article V shall survive the termination of this Agreement upon repayment, conversion or redemption of the Notes in full.

9.12 Execution. This Agreement may be executed in counterparts, all of which when taken together shall be considered one and the same agreement. In the event that any signature is delivered by facsimile transmission or email attachment, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or email-attached signature page were an original thereof.

9.13 Severability. If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Agreement.

9.14 Independent Nature of Investors' Obligations and Rights. The obligations of each Investor under any Transaction Document are several and not joint with the obligations of any other Investor, and no Investor shall be responsible in any way for the performance of the obligations of any other Investor under any Transaction Documents. The decision of each Investor to purchase Securities pursuant to this Agreement has been made by such Investor independently of any other Investor and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company and its Subsidiaries which may have been made or given by any other Investor or by any agent or employee of any other Investor, and no Investor or any of its agents or employees shall have any liability to any other Investor (or any other person) relating to or arising from any such information, materials, statements or opinions. Nothing contained herein or in any Transaction Document, and no action taken by any Investor pursuant thereto, shall be deemed to constitute the Investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Investors are in any way acting

in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Investor acknowledges that no other Investor has acted as agent for such Investor in connection with making its investment hereunder and that no other Investor will be acting as agent of such Investor in connection with monitoring its investment hereunder. Each Investor shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Investor to be joined for such purpose as an additional party in any action, claim, suit, investigation or proceeding (including, without limitation, a partial proceeding, such as a deposition).

9.15 CNB Escrow Agreement. The Collateral Agent and the Investors agree not to (a) take any affirmative action to cause the CNB Escrow Agreement to cease to be in full force and effect prior to the first anniversary of the issuance of the Notes and (b) amend, restate, supplement or otherwise modify the CNB Escrow Agreement in any respect without the prior written consent of the Obligors (such prior written consent not to be unreasonably withheld, conditioned or delayed). This Section 9.15 shall no longer apply if City National Bank of Florida has agreed in writing to release the Collateral Agent and the Investors from the CNB Escrow Agreement prior to the first anniversary of the issuance of the Notes.

9.16 Replacement of Securities. If any certificate or instrument evidencing any Securities is mutilated, lost, stolen or destroyed, then the relevant Obligor shall issue or cause to be issued in exchange and substitution for and upon cancellation thereof (in the case of mutilation), or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to such Obligor of such loss, theft or destruction. The applicant for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs (including customary indemnity) associated with the issuance of such replacement Securities, but without any requirement to post a bond (unless required by the Transfer Agent, in which case the cost of such bond shall be paid by the relevant Obligor).

9.17 USA PATRIOT Act and Canadian AML Act Notice. Each Investor that is subject to the Act (as hereinafter defined), the Canadian AML Acts or the Israeli PMLL hereby notifies the Obligors that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), the Canadian AML Acts and the Israeli PMLL, it is required to obtain, verify and record information that identifies the Obligors, which information includes the name and address of the Obligors, information concerning its direct and indirect holders of equity interests and other Persons exercising control over it, and its and their respective directors and officers, and other information that will allow such Investor to identify the Obligors in accordance with the Act, the Canadian AML Acts and the Israeli PMLL. The Obligors shall, promptly following a request by any Investor, provide all documentation and other information that such Investor reasonably requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Act, the Canadian AML Acts and the Israeli PMLL.

9.18 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Transaction Document, the interest (actual or deemed) paid or agreed to be paid under the Transaction Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (including without limitation, the Criminal Code (Canada)) (the "Maximum Rate").

If the Collateral Agent or any Investor shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Notes or, if it exceeds such unpaid principal, refunded to the Company. In determining whether the interest contracted for, charged, or received by the Collateral Agent or an Investor exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the obligations under the Transaction Documents.

VENUS CONCEPT INC.

SECURED SUBORDINATED CONVERTIBLE NOTE

Certificate No.: 1

Issuance Date: December 9, 2020

Original Principal Amount: U.S.\$9,877,190.90

FOR VALUE RECEIVED, Venus Concept Inc., a Delaware corporation (the "Company"), hereby promises to pay to Madryn Health Partners, LP or registered permitted assigns (the "Holder") in cash the amount set out above as the Original Principal Amount (as reduced pursuant to the terms hereof pursuant to redemption, conversion or otherwise, the "Principal") when due, whether upon the Maturity Date, acceleration, redemption or otherwise (in each case in accordance with the terms hereof) and to pay interest ("Interest") on any outstanding Principal at the applicable Interest Rate from the date set out above as the Issuance Date (the "Issuance Date") until the same becomes due and payable, whether upon an Interest Date, the Maturity Date, acceleration, conversion, redemption or otherwise (in each case in accordance with the terms hereof). This Secured Subordinated Convertible Note (including all Secured Subordinated Convertible Notes issued in exchange, transfer or replacement hereof, this "Note") is one of a series of Secured Subordinated Convertible Notes issued pursuant to the Securities Exchange Agreement (as defined herein) on the Issuance Date (collectively, the "Notes" and such other Secured Subordinated Convertible Notes, the "Other Notes"). Certain capitalized terms used herein are defined in Section 28.

1. Payments of Principal. On the Maturity Date, the Company shall pay to the Holder an amount in cash equal to (a) all outstanding Principal as of such date, plus (b) all accrued and unpaid Interest thereon as of such date. Other than as specifically permitted by this Note, the

Company may not prepay any portion of the outstanding Principal or accrued and unpaid Interest. Notwithstanding anything herein to the contrary, with respect to any repayment, conversion or redemption hereunder, as applicable, the Company shall repay, convert or redeem, as applicable, (i) first, all accrued and unpaid Interest hereunder and under any other Notes held by such Holder, (ii) second, all other amounts (other than Principal, but including any Redemption Premium Amount) outstanding hereunder and under any other Notes held by such Holder, and (iii) third, all Principal outstanding hereunder and under any other Notes held by such Holder, in each case, allocated pro rata among this Note and such other Notes held by such Holder.

2. Interest. Interest on this Note shall commence accruing on the Issuance Date at the Interest Rate and shall be computed on the basis of a 360-day year and the actual number of days elapsed per month and shall be payable in arrears for each Calendar Quarter on the last Business Day of each Calendar Quarter after the Issuance Date (each, an “Interest Date”). Interest shall be payable on each Interest Date, to the record holder of this Note on the applicable Interest Date, by wire transfer of immediately available funds pursuant to wire instructions provided by the Holder in writing to the Company. If any portion of this Note is repaid or redeemed pursuant to Sections 4.2, 4.3, 5.2 and 7 or converted pursuant to Section 3 prior to the Maturity Date and prior to the payment of Interest on an Interest Date, Interest on such portion of this Note shall accrue at the Interest Rate and be payable in cash on each Redemption Date, on each Conversion Date and/or in connection with any required payment upon any Event of Default, as applicable; provided, that, in connection with a conversion, such Interest accrued and unpaid interest may, at the option of the Company, be converted into shares of Common Stock on the same terms as the Principal being converted on such Conversion Date, in lieu of payment in cash. Interest shall continue to accrue on any portion of this Note to the extent not so repaid, redeemed or converted.

3. Conversion of Notes. At any time after the Issuance Date, this Note shall be convertible into validly issued, fully paid and non-assessable shares of Common Stock, on the terms and conditions set forth in this Section 3.

3.1 Conversion Right. Subject to the provisions of Section 3.3, at any time or times on or after the Issuance Date, the Holder shall be entitled to convert any portion of the outstanding and unpaid Principal into fully paid and nonassessable shares of Common Stock in accordance with Section 3.2, at the Conversion Rate. The Company shall not issue any fraction of a share of Common Stock upon any such conversion. If the issuance would result in the issuance of a fraction of a share of Common Stock, the Company shall round such fraction of a share of Common Stock up to the nearest whole share. The Company shall pay any and all transfer, stamp and similar taxes, costs and expenses (including, without limitation, fees and expenses of the transfer agent of the Company (the “Transfer Agent”)) that may be payable with respect to the issuance and delivery of Common Stock upon conversion of any portion of the outstanding and unpaid Principal.

3.2 Mechanics of Conversion.

(a) Optional Conversion.

(i) To convert any portion of the outstanding Principal into shares of Common Stock on any date (a “Conversion Date”), the Holder

shall deliver (whether via facsimile, electronic mail or otherwise), for receipt on or prior to 11:59 p.m., New York time, on such date, a copy of an executed notice of conversion in the form attached hereto as Exhibit I (the “Conversion Notice”) to the Company. If required by Section 3.2(c), within two (2) Trading Days following a conversion of this Note as aforesaid, the Holder shall surrender this Note to a nationally recognized overnight delivery service for delivery to the Company (or an indemnification undertaking with respect to this Note in the case of its loss, theft or destruction as contemplated by Section 16.2).

(ii) On or before the second (2nd) Trading Day following the date of receipt of a Conversion Notice, the Company shall transmit by facsimile, electronic mail or otherwise the Transfer Agent instructions and representation as to whether such shares of Common Stock may then be resold pursuant to (A) an effective and available registration statement, either, (1) prior to, (2) contemporaneously with, or (3) within thirty (30) days after, as applicable, the date of the applicable Conversion Notice by the Holder, (B) Rule 144, unless the Holder affirmatively indicates on the applicable Conversion Notice that the shares of Common Stock issuable in connection with such Conversion Notice are not being resold either (1) prior to, (2) contemporaneously with, or (3) within thirty (30) days after, as applicable, the date of the applicable Conversion Notice by the Holder, provided that the Holder shall provide the Company with customary representations with respect to compliance by the Holder with Rule 144, or (C) Rule 144 without having to comply with the information requirements under Rule 144(c)(1) (each, a “Permitted Securities Transaction”), substantially in the form attached hereto as Exhibit II, to the Holder and the Transfer Agent which shall instruct the Transfer Agent to process such Conversion Notice in accordance with the terms herein.

(iii) On or before the third (3rd) Trading Day following the date on which the Company has received a Conversion Notice (the “Share Delivery Deadline”), the Company shall (A) provided, that, the Transfer Agent is participating in The Depository Trust Company’s (“DTC”) Fast Automated Securities Transfer Program, with respect to the shares of Common Stock included in the Conversion Notice that may then be resold by the Holder pursuant to a Permitted Securities Transaction, credit such aggregate number of shares of Common Stock to which the Holder shall be entitled pursuant to such conversion to the Holder’s or its designee’s balance account with DTC through its Deposit/Withdrawal at Custodian system or (B) if the Transfer Agent is not participating in the DTC Fast Automated Securities Transfer Program or with respect to the shares of Common Stock included in the Conversion Notice that may not then be resold by the Holder pursuant to a Permitted Securities Transaction, deliver a certificate, registered in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder shall be entitled pursuant to such conversion.

(iv) If this Note is physically surrendered for conversion pursuant to Section 3.2(c) and the outstanding Principal of this Note is greater than the portion of the Principal being converted, then the Company shall as soon as practicable and in no event later than five (5) Business Days after receipt of this Note and at its own expense, issue and deliver to the Holder (or its designee) a new Note (in accordance with Section 16.4) representing the outstanding Principal not so converted.

(v) The Person or Persons entitled to receive the shares of Common Stock issuable upon a conversion of this Note shall be treated for all purposes as the record holder or holders of such shares of Common Stock on the Conversion Date.

(b) [Reserved].

(c) Registration; Book-Entry. The Company shall maintain a register (the “Register”) for the recordation of the names and addresses of the holders of each Note and the principal amount of the Notes held by such holders (the “Registered Notes”). The entries in the Register shall be presumed correct absent reasonable evidence to the contrary provided by the holders of the Notes. The Company and the holders of the Notes shall treat each Person whose name is recorded in the Register as the owner of a Note for all purposes (including, without limitation, the right to receive payments of Principal and Interest hereunder) notwithstanding notice to the contrary. Unless the Assignment Conditions (as defined in the Securities Exchange Agreement) and the other terms of Section 9.8 of the Securities Exchange Agreement have been satisfied, the Registered Note may not be assigned, transferred or sold in whole or in part other than to an Affiliate of Holder and may be assigned, transferred or sold only by registration of such assignment or sale on the Register. Upon satisfaction of the Assignment Conditions and the other terms of Section 9.8 of the Securities Exchange Agreement, the Company shall record the information relating to such assignment in the Register and issue one or more new Registered Notes in the same aggregate principal amount as the principal amount of the surrendered Registered Note to the designated assignee or transferee pursuant to Section 16, provided, that, if the Company does not so record an assignment, transfer or sale (as the case may be) of all or part of any Registered Note within two (2) Business Days of such a request, then the Register shall be automatically deemed updated to reflect such assignment, transfer or sale (as the case may be). Notwithstanding anything to the contrary set forth in this Section 3, following conversion of any portion of this Note in accordance with the terms hereof, the Holder shall not be required to physically surrender this Note to the Company unless (i) the full outstanding Principal represented by this Note is being converted (in which event this Note shall be delivered to the Company following conversion thereof as contemplated by Section 3.2(a)) or (ii) the Holder has provided the Company with prior written notice (which notice may be included in a Conversion Notice) requesting reissuance of this Note upon physical surrender of this Note. The Holder and the Company shall maintain records showing the Principal and Interest converted and/or paid (as the case may be) and the dates of

such conversions and/or payments (as the case may be) or shall use such other methods as are reasonably satisfactory to the Holder and the Company, so as not to require physical surrender of this Note upon conversion. If the Company does not update the Register to record such Principal and Interest converted and/or paid (as the case may be) and the dates of such conversions, and/or payments (as the case may be) within two (2) Business Days of such occurrence, then the Register shall be automatically deemed updated to reflect such occurrence.

(d) Pro Rata Conversion; Disputes. In the event that the Company receives a Conversion Notice from more than one holder of Notes for the same Conversion Date and the Company can convert some, but not all, of such portions of the Notes submitted for conversion, the Company, subject to Section 3.3, shall convert from each holder of Notes electing to have Notes converted on such Conversion Date a pro rata amount of such holder's portion of its Notes submitted for conversion based on the principal amount of Notes submitted for conversion on such Conversion Date by such holder relative to the aggregate principal amount of all Notes submitted for conversion on such Conversion Date. In the event of a dispute as to the number of shares of Common Stock issuable to the Holder in connection with a conversion of this Note, the Company shall issue to the Holder the number of shares of Common Stock not in dispute and resolve such dispute in accordance with Section 21.

3.3 Exchange Cap. So long as the rules of the Principal Market (or another Eligible Market, if Common Stock is re-listed, re-traded or re-quoted on another Eligible Market) so require, the sum of the number of shares of Common Stock that may be issued under this Note and all outstanding Other Notes shall be limited to the Exchange Cap, unless stockholder approval is obtained prior to the issuance to issue more than the Exchange Cap. The Exchange Cap shall be appropriately adjusted for any reorganization, recapitalization, non-cash dividend, stock split, reverse stock split or other similar transaction in accordance with the rules of the Principal Market or another Eligible Market. If the Exchange Cap is reached upon conversion of this Note and all outstanding Other Notes, the Company shall use its commercially reasonable efforts to file a proxy statement with the SEC seeking stockholder approval, within seventy-five (75) calendar days after the date on which the Exchange Cap is reached, from at least a majority of the Company's stockholders, for the Company's issuance of all of the remaining shares of Common Stock underlying this Note and all outstanding Other Notes. Should the stockholders of the Company vote to reject such additional issuance, the Company shall not be required to seek another stockholder approval under this Section 3.3.

3.4 Net Share Settlement.

(a) Notwithstanding Section 3.2 above, in the case of conversion of this Note on the Maturity Date, any Redemption Date or any date of any required payment upon any Event of Default, as applicable, on which the entire outstanding Principal of this Note is to be repaid, redeemed or prepaid in full, the Company shall, at the option of the Holder, satisfy its obligation to issue and deliver shares of Common Stock by paying and delivering to the Holder, a combination of cash

and shares of Common Stock (the “Net Share Settlement”), as set forth in this Section 3.4.

(b) If the Holder elects the Net Share Settlement in a Conversion Notice, the Company shall pay and deliver the Net Share Settlement Amount in accordance with Sections 1, 2 and 3, as applicable.

The “Net Share Settlement Amount” will consist of (i) cash equal to the Principal of this Note outstanding immediately prior to the Maturity Date, the applicable Redemption Date or the applicable date of any required payment upon any Event of Default, plus all accrued but unpaid Interest and, if any, Redemption Premium Amount thereon and (ii) the number of shares of Common Stock equal to the Net Share Amount.

The “Net Share Amount” means the number of shares of Common Stock calculated by the following formula:

$$\text{Net Share Amount} = \frac{P}{CP} - \frac{P}{MP}$$

Where:

P = the Principal of this Note to be redeemed on the Maturity Date, the applicable Redemption Date or the applicable date of any required payment upon any Event of Default, as the case may be.

CP = the Conversion Price in effect as of the date of the Conversion Notice.

MP = the Closing Sale Price per share of the Common Stock on the date of the Conversion Notice or, if such Closing Sale Price is not yet available as of the date of the Conversion Notice, the Closing Sale Price per share of the Common Stock on the Trading Day immediately preceding the date of the Conversion Notice.

4. Events of Default; Rights Upon an Event of Default.

4.1 Event of Default. Each of the following events shall constitute an “Event of Default” and each of the events in clauses (d) and (e) below shall constitute a “Bankruptcy Event of Default”:

(a) the Company’s failure to cure a Conversion Failure by delivery of the required number of shares of Common Stock within ten (10) Trading Days after the applicable Conversion Date;

(b) the Company’s or any Guarantor’s failure to pay to the Holder (i) any amount of Principal when due under this Note, or (ii) any amount of Interest or other amounts due under this Note (including, without limitation, the Company’s

or any Guarantor's failure to pay any redemption payments or amounts hereunder) or any other Transaction Document or any other agreement, document, certificate or other instrument delivered to Holder in connection with the transactions contemplated hereby and thereby, within three (3) Trading Days after such amounts were due;

(c) The occurrence of any default, event of default, or similar term under the MSPLP Facility or the ABL Facility, in each case, after the expiration of all applicable notice, grace and cure periods (each, a "CNB Event of Default"); provided, that no CNB Event of Default shall have occurred if the underlying default or event of default is a result of a breach of the CNB Escrow Agreement (as defined in the Securities Exchange Agreement) by Madryn Health Partners, LP or any of its Affiliates; provided, further, that, to the extent that the Holder has not accelerated the Notes or foreclosed upon the Collateral in reliance on the Event of Default in this clause (c) on or prior to the date upon which CNB, its affiliates or successors enter into a consent, amendment, waiver or similar agreement with respect to the underlying CNB Event of Default giving rise to the Event of Default under this clause (c), the Event of Default pursuant to this clause (c) shall be deemed to be automatically cured upon effectiveness of such waiver or similar agreement among CNB, its affiliates or successors and the Company and its affiliates with respect to the CNB Event of Default. For the avoidance of doubt, the proviso set forth in this clause (c) shall not apply to, or be deemed to have any impact on, any Event of Default arising independently of this clause (c);

(d) any Obligor or any of its Subsidiaries institutes or consents to the institution of any proceeding under any Debtor Relief Law (as defined in the Guaranty and Security Agreement), or makes an assignment for the benefit of creditors; or makes a proposal to its creditors or files notice of its intention to do so, institutes any other proceeding under applicable law seeking to adjudicate it as bankrupt or insolvent, or seeking liquidation, dissolution, winding-up, reorganization, compromise, arrangement, adjustment, protection, moratorium, relief, stay of proceedings of creditors, composition of it or its debts or any other similar relief; or applies for or consents to the appointment (including any provisional appointment) of any receiver, receiver-manager, trustee, custodian, conservator, liquidator, rehabilitator or similar officer for it or for all or any material part of its property; or any receiver, administrative receiver, administrator, compulsory manager, receiver-manager, trustee, custodian, conservator, liquidator, rehabilitator or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or with regard to an Israeli Guarantor (as defined in the Securities and Exchange Agreement), the occurrence at any time with respect to it of a winding-up, bankruptcy, dissolution or administration;

(e) the entry against the Company or any Guarantor of one or more final judgments or orders for the payment of money in an aggregate amount exceeding \$500,000 (to the extent not covered by independent third-party insurance and/or third party indemnity rights as to which the applicable insurer or indemnitor does not dispute coverage in writing) and such judgment or order remains unpaid for a period of thirty (30) consecutive days;

(f) any default by the Company in the due performance and observance of any of the covenants or agreements contained in Section 12;

(g) any representation, warranty or other written statement of the Company set forth in any Transaction Document or any certification provided by the Company pursuant to any Transaction Document is incorrect or misleading in any material respect when given;

(h) other than as specifically set forth in another clause of this Section 4.1, any default by any Obligor in the due performance and observance of any of the covenants or agreements of any Transaction Document, except, in the case of a breach of a covenant that is curable, only if such breach remains uncured for a period of thirty (30) days following the earlier of the date on which (i) a Responsible Officer (as defined in the Securities Exchange Agreement) of any Obligor becomes aware of such failure and (ii) notice thereof shall have been given to the Obligors by the Holder;

(i) any material provision of any Transaction Document shall at any time for any reason (other than pursuant to the express terms thereof) cease to be valid and binding on or enforceable against the Obligors party thereto in any material respect, or the validity or enforceability thereof shall be contested by any Obligor party thereto (other than with respect to indemnification or contribution provisions which may be unenforceable), or a proceeding shall be commenced by the Company or any Guarantor or any governmental authority having jurisdiction over any of them, seeking to establish the invalidity or unenforceability thereof, or the Company or any Guarantor shall deny in writing that it has any liability or obligation purported to be created under any Transaction Document;

(j) shares of Common Stock shall cease to be quoted on the Principal Market for any reason and are not thereafter re-listed, re-traded or re-quoted on another Eligible Market within fifteen (15) Trading Days;

(k) the Company shall fail to comply in any material respect with the reporting requirements of the Exchange Act (including but not limited to becoming delinquent in its filings beyond any available extension); or

(l) any Event of Default (as defined in the Other Notes) occurs with respect to any Other Notes.

4.2 Remedies Upon Event of Default. If any Event of Default occurs and is continuing, the Holder may (a) declare the outstanding Principal of this Note, all Interest

accrued and unpaid on the outstanding Principal of this Note and all other amounts owing or payable hereunder or under any other Transaction Document, to be immediately due and payable (and upon any such declaration the same shall become and shall be immediately due and payable), without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Company and (b) exercise all rights and remedies available to it under the Transaction Documents. Notwithstanding anything to the contrary in this Section 4.2, but subject to Section 3.3, the Holder may, in its sole discretion, determine to accept payment on the Principal part in shares of the Common Stock, converted at the Conversion Price, and part in cash. Accrued but unpaid Interest on the Principal shall be paid to the Holder in cash. For the avoidance of doubt, it is understood and agreed that no Redemption Premium Amount shall be due or payable upon acceleration of this Note.

4.3 Mandatory Redemption upon Bankruptcy Event of Default. Notwithstanding anything to the contrary herein, and notwithstanding any conversion that is then required or in process, upon any Bankruptcy Event of Default, whether occurring prior to or following the Maturity Date, the Company shall immediately pay to the Holder an amount in cash representing all outstanding Principal, in addition to all accrued and unpaid Interest and any and all other amounts due hereunder, without the requirement for any notice or demand or other action by the Holder or any other person or entity; provided, that, the Holder may, in its sole discretion, waive such right to receive payment upon a Bankruptcy Event of Default, in whole or in part, and any such waiver shall not affect any other rights of the Holder hereunder, including any other rights in respect of such Bankruptcy Event of Default, any right to conversion, and any right to payment under Section 4.2 or of any Redemption Price, as applicable.

5. Fundamental Transactions; Change of Control.

5.1 Fundamental Transactions.

(a) If, at any time while this Note is outstanding, (i) the Company, directly or indirectly, in one or more related transactions, effects any merger or consolidation of the Company with or into another Person, (ii) the Company, directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of the assets of the Company and its subsidiaries, taken as a whole, to any Person other than one of the Company's subsidiaries in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of fifty percent (50%) or more of the outstanding Common Stock, (iv) the Company, directly or indirectly, in one or more related transactions, effects any reclassification, reorganization or recapitalization of the Common Stock (other than changes resulting from a subdivision or combination thereof) or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property, (v) the Company, directly or indirectly, in one or more

related transactions, consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person whereby such other Person acquires more than fifty percent (50%) of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination); (each a “Fundamental Transaction”), then, upon any subsequent conversion of this Note, the Holder shall have the right to receive, for each share of Common Stock that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction (without regard to any limitation in Section 3.3 on the conversion of this Note), the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the “Alternate Consideration”) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Note is convertible immediately prior to such Fundamental Transaction (without regard to any limitation in Section 3.3 on the conversion of this Note). For purposes of any such conversion, the determination of the Conversion Rate shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one (1) share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Conversion Rate among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any conversion of this Note following such Fundamental Transaction. The Company shall cause the Successor Entity to assume in writing all of the obligations of the Company under this Note, the other Transaction Documents, and any document ancillary hereto or thereto, pursuant to written agreements in form and substance reasonably satisfactory to the Required Holders and approved by such Holders (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder of this Note, deliver to the Holder in exchange for this Note a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Note which is convertible for a corresponding number of shares of capital stock of such Successor Entity (or its Parent Entity) equivalent to the shares of Common Stock acquirable and receivable upon conversion of this Note (without regard to any limitations on the conversion of this Note) prior to such Fundamental Transaction, and with a conversion rate which applies the Conversion Rate hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such conversion rate being for the purpose of protecting the economic value of this Note immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the

Holder. At and after the effective time of such Fundamental Transaction, (A) the Holder shall continue to have the right to determine the form of consideration to be paid or delivered in accordance with Section 3.4, (B)(1) any amount payable in cash upon conversion of this Note in accordance with Section 3 shall continue to be payable in cash, (2) any shares of Common Stock that the Company would have been required to deliver upon conversion of this Note in accordance with Section 3 shall instead be deliverable in the corresponding amount of Alternate Consideration that a holder of that number of shares of Common Stock would have received in such Fundamental Transaction and (3) the Closing Sale Price for the purposes Section 3.4 shall be calculated based on the value of such Alternate Consideration; provided that, if shares of capital stock of the relevant Successor Entity (or its Parent Entity) are not then traded on any securities exchange or trading market, the Closing Sale Price for the purposes Section 3.4 shall be deemed to be the greater of the per share price of the capital stock of such Successor Entity (or its Parent Entity) (I) as determined at the time of such Fundamental Transaction and (II) as determined by the latest transaction or series of related transactions pursuant to which such Successor Entity (or its Parent Entity) issues and sells shares of its capital stock (including securities convertible or exchangeable into shares of such capital stock) with the principal purpose of raising capital. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Note and the other Transaction Documents referring to the “Company” shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Note and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein.

(b) Waiver. Notwithstanding the foregoing, the Holder may elect, at its sole option, by delivery of written notice to the Company to waive this Section 5.1 to permit the Fundamental Transaction without the assumption of this Note and the other Transaction Documents.

(c) Applicability. The provisions of this Section 5.1 shall apply similarly and equally to successive Fundamental Transactions and shall be applied without regard to any limitations on the conversion of this Note.

5.2 Notice of a Change of Control; Redemption Right. Subject to prior public disclosure by the Company, not later than fifteen (15) calendar days, prior to the consummation of a Change of Control, the Company shall deliver written notice thereof via facsimile or electronic mail and overnight courier to the Holder (a “Change of Control Notice”). At any time during the period beginning after the Company’s delivery of a Change of Control Notice, or the Holder becoming aware of a Change of Control if a Change of Control Notice is not delivered to the Holder in accordance with the immediately preceding sentence (as applicable), and ending on the later of fifteen (15) calendar days after (a) the date on which the Company delivers such Change of Control Notice or (b) only if a Change of Control Notice is not delivered to the Holder in accordance with the immediately preceding sentence, the Holder becoming aware of the consummation of such

Change of Control, the Holder may require the Company to redeem all or any portion of this Note by delivering written notice thereof (“Change of Control Redemption Notice”) to the Company, which Change of Control Redemption Notice shall indicate the portion of the Principal the Holder is electing to redeem. The portion of the Principal of this Note subject to redemption pursuant to this Section 5.2 shall be redeemed by the Company at par (the “Change of Control Redemption Price”), plus all accrued but unpaid Interest on such portion of the Principal being redeemed. Redemptions required by this Section 5.2 shall be made in accordance with the provisions of Section 10 and shall have priority to payments to stockholders in connection with such Change of Control. To the extent redemptions required by this Section 5.2 are deemed or determined by a court of competent jurisdiction to be prepayments of this Note by the Company, such redemptions shall be deemed to be voluntary prepayments, but will not, in any event, be subject to the payment of any Redemption Premium Amount. Notwithstanding anything to the contrary in this Section 5.2, but subject to Section 3.3, until the Change of Control Redemption Price (together with all accrued but unpaid Interest on the Principal to be redeemed) is repaid in full, the portion of the Principal submitted for redemption under this Section 5.2 may be converted, in whole or in part, by the Holder into Common Stock pursuant to Section 3 (in which case such accrued but unpaid Interest on such Principal shall be paid to the Holder in cash). In no event will any Redemption Premium Amount be required to be paid in connection with payment of the Change of Control Redemption Price or any accrued Interest therewith.

6. Adjustments to the Conversion Rate.

6.1 Adjustment of Conversion Rate upon Subdivision or Combination of Common Stock or Stock Dividend. If the Company issues solely shares of Common Stock as a dividend or distribution on all or substantially all shares of the Common Stock, or if the Company effects a stock split or a stock combination of the Common Stock (in each case excluding an issuance solely pursuant to a Fundamental Transaction, as to which the provisions set forth in Section 5.1 will apply), then the Conversion Rate will be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_1}{OS_0}$$

Where:

CR₀ = the Conversion Rate in effect immediately before the open of business on the ex-dividend date for such dividend or distribution, or immediately before the open of business on the effective date of such stock split or stock combination, as applicable.

CR₁ = the Conversion Rate in effect immediately after the open of business on such ex-dividend date or the open of business on such effective date, as applicable.

- OS₀ the number of shares of Common Stock outstanding immediately before the open of business on such ex-dividend date or effective date, as applicable.
- OS₁ the number of shares of Common Stock outstanding immediately after giving effect to such dividend, distribution, stock split or stock combination.

For the avoidance of doubt, pursuant to the definition of CR₁ above in this Section 6.1, any adjustment to the Conversion Rate made pursuant to this Section 6.1 will become effective immediately after the open of business on such ex-dividend date or the open of business on such effective date, as applicable. If any dividend, distribution, stock split or stock combination of the type described in this Section 6.1 is declared or announced, but not so paid or made, then the Conversion Rate, if previously adjusted, will be readjusted, effective as of the date the Board of Directors of the Company determines not to pay such dividend or distribution or to effect such stock split or stock combination, to the Conversion Rate that would then be in effect had such dividend, distribution, stock split or stock combination not been declared or announced.

6.2 Rights, Options and Warrants. If the Company distributes, to all or substantially all holders of Common Stock, rights, options or warrants entitling such holders, for a period of not more than sixty (60) calendar days after the record date of such distribution, to subscribe for or purchase shares of Common Stock at a price per share that is less than the average of the Closing Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is publicly announced, then the Conversion Rate will be decreased based on the following formula:

$$CR_1 = CR_0 \times \frac{OS + X}{OS + Y}$$

CR₀ = the Conversion Rate in effect immediately before the open of business on the ex-dividend date for such distribution.

CR₁ = the Conversion Rate in effect immediately after the open of business on such ex-dividend date.

OS the number of shares of Common Stock outstanding immediately before the open of business on such ex-dividend date.

X the total number of shares of Common Stock issuable pursuant to such rights, options or warrants.

Y = a number of shares of Common Stock obtained by dividing (i) the aggregate price amount to exercise all such rights, options or warrants distributed by the Company by (ii) the average of the Closing Sale Prices per share of Common Stock for the ten (10) consecutive Trading

Days ending on, and including, the Trading Day immediately before the date such distribution is announced.

For the avoidance of doubt, any adjustment to the Conversion Rate made pursuant to this [Section 6.2](#) will be made successively whenever any such rights, options or warrants are issued and, pursuant to the definition of CR₁ above in this [Section 6.2](#), will become effective immediately after the open of business on the ex-dividend date for the applicable distribution. To the extent that shares of Common Stock are not delivered after the expiration of such rights, options or warrants (including as a result of such rights, options or warrants not being exercised), the Conversion Rate, if previously adjusted, will be readjusted effective as of such expiration date to the Conversion Rate that would then be in effect had the decrease to the Conversion Rate for such distribution been made on the basis of delivery of only the number of shares of Common Stock actually delivered upon exercise of such rights, option or warrants. To the extent such rights, options or warrants are not so distributed, the Conversion Rate will be readjusted effective as of the date the Board of Directors of the Company determines not to distribute such rights, options or warrants, to the Conversion Rate that would then be in effect had the ex-dividend date for the distribution of such rights, options or warrants not occurred. For purposes of this [Section 6.2](#), in determining whether any rights, options or warrants entitle holders of Common Stock to subscribe for or purchase shares of Common Stock at a price per share that is less than the average of the Closing Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date of the distribution of such rights, options or warrants is announced, and in determining the aggregate price payable to exercise such rights, options or warrants, there will be taken into account any consideration the Company receives for such rights, options or warrants and any amount payable on exercise thereof, with the value of such consideration, if not cash, to be determined by the Board of Directors of the Company.

6.3 Other In-Kind Distributions. If the Company distributes shares of its capital stock, evidences of its indebtedness, other assets or property of the Company or rights, options or warrants to acquire its capital stock or other securities, to all or substantially all holders of the Common Stock, excluding:

- (a) dividends, distributions or issuances as to which an adjustment was effected pursuant to [Section 6.1](#) or [Section 6.2](#);
- (b) rights issued under a stockholder rights plan (except as set forth in this [Section 6.3](#));
- (c) dividends or distributions paid exclusively in cash as to which an adjustment was effected pursuant to [Section 6.4](#);
- (d) any dividends and distributions in connection with a Fundamental Transaction described in [Section 5.1](#); and
- (e) Spin-Offs as to which the provisions set forth in this [Section 6.3](#) shall apply,

(any of such shares of capital stock, evidences of indebtedness, assets, property, rights, options or warrants to acquire capital stock or other securities of the Company, the “Distributed Property”), then the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0}{(SP_0 - FMV)}$$

CR₀ = the Conversion Rate in effect immediately before the open of business on the ex-dividend date for such distribution.

CR₁ = the Conversion Rate in effect immediately after the open of business on such ex-dividend date.

SP₀ = the average of the Closing Sale Prices per share of the Common Stock over the ten (10) consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the ex-dividend date for such distribution.

FMV = the fair market value (as determined by the Board of Directors of the Company) of the Distributed Property so distributed with respect to each outstanding share of the Common Stock on the ex-dividend date for such distribution.

Any increase made under the portion of this Section 6.3 above shall become effective immediately after the open of business on the ex-dividend date for such distribution. If such distribution is not so paid or made, the Conversion Rate shall be decreased, effective as of the date the Company’s Board of Directors determines not to pay or make such distribution, to be the Conversion Rate that would then be in effect if such distribution had not been declared. Notwithstanding the foregoing, if “FMV” (as defined above) is equal to or greater than “SP₀” (as defined above), in lieu of the foregoing increase, the Holder shall receive, in respect of each \$1,000 principal amount thereof, at the same time and upon the same terms as holders of the Common Stock receive the Distributed Property, the amount and kind of Distributed Property that such Holder would have received if such Holder owned a number of shares of Common Stock equal to the Conversion Rate in effect on the ex-dividend date for the distribution.

With respect to an adjustment pursuant to this Section 6.3 where there has been a payment of a dividend or other distribution on the Common Stock of shares of capital stock of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit of the Company, that are, or, when issued, will be, listed or admitted for trading on a U.S. national securities exchange (a “Spin-Off”), the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{(FMV_0 + MP_0)}{MP_0}$$

- CR₀ = the Conversion Rate in effect immediately before the open of business on the ex-dividend date for such dividend or distribution.
- CR₁ = the Conversion Rate in effect immediately after the open of business on such ex-dividend date.
- FMV₀ = the average of the Closing Sale Prices per share of the capital stock or similar equity interest distributed to holders of the Common Stock applicable to one share of the Common Stock over the first ten (10) consecutive Trading Day period after, and including, the ex-dividend date of the Spin-Off (the “Valuation Period”).
- MP₀ = the average of the Closing Sale Prices per share of the Common Stock over the Valuation Period.

The increase to the Conversion Rate under the preceding paragraph shall occur at the close of business on the last Trading Day of the Valuation Period; provided, that, if the relevant Conversion Date occurs during the Valuation Period, the references to “10” in the preceding paragraph shall be deemed to be replaced with such lesser number of Trading Days as have elapsed between the ex-dividend date of such Spin-Off and the Conversion Date in determining the Conversion Rate. If such Spin-Off does not occur, the Conversion Rate shall be decreased, effective as of the date the Company’s Board of Directors determines not to consummate such Spin-Off, to be the Conversion Rate that would then be in effect if such distribution had not been declared, effective as of the date on which the Company’s Board of Directors (or its designee) determines not to consummate such Spin-Off.

For purposes of this Section 6.3, rights, options or warrants distributed by the Company to all holders of the Common Stock entitling them to subscribe for or purchase shares of the Company’s capital stock, including Common Stock (either initially or under certain circumstances), which rights, options or warrants, until the occurrence of a specified event or events (“Trigger Event”):

- (i) are deemed to be transferred with such shares of the Common Stock;
- (ii) are not exercisable; and
- (iii) are also issued in respect of future issuances of the Common Stock,

shall be deemed not to have been distributed for purposes of this Section 6.3 (and no adjustment to the Conversion Rate under this Section 6.3 will be required) until the occurrence of the earliest Trigger Event, whereupon such rights, options or warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Rate shall be made under this Section 6.3. If any such right, option or warrant, including any such existing rights, options or warrants distributed prior to the date of this Note, are subject to events, upon the occurrence of which such rights, options or warrants become exercisable to purchase different securities, evidences of indebtedness or

other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and ex-dividend date with respect to new rights, options or warrants with such rights (in which case the existing rights, options or warrants shall be deemed to terminate and expire on such date without exercise by any of the holders thereof).

In addition, in the event of any distribution (or deemed distribution) of rights, options or warrants, or any Trigger Event or other event (of the type described in the immediately preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Conversion Rate under this Section 6.3 was made:

(A) in the case of any such rights, options or warrants that shall all have been redeemed or purchased without exercise by any holders thereof, upon such final redemption or purchase, (1) the Conversion Rate shall be readjusted as if such rights, options or warrants had not been issued and (2) the Conversion Rate shall then again be readjusted to give effect to such distribution, deemed distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or purchase price received by a holder or holders of Common Stock with respect to such rights, options or warrants (assuming such holder had retained such rights, options or warrants), made to all holders of Common Stock as of the date of such redemption or purchase, and

(B) in the case of such rights, options or warrants that shall have expired or been terminated without exercise by any holders thereof, the Conversion Rate shall be readjusted as if such rights, options and warrants had not been issued.

For purposes of Section 6.1, Section 6.2 and this Section 6.3, any dividend or distribution to which this Section 6.3 is applicable that also includes one or both of:

(I) a dividend or distribution of shares of Common Stock to which Section 6.1 is applicable (the “Section 6.1 Distribution”); or

(II) a dividend or distribution of rights, options or warrants to which Section 6.2 is applicable (the “Section 6.2 Distribution”),

then:

(x) such dividend or distribution, other than the Section 6.1 Distribution and the Section 6.2 Distribution, shall be deemed to be a dividend or distribution to which this Section 6.3 is applicable (the “Section 6.3 Distribution”) and any Conversion Rate adjustment required by this Section 6.3 with respect to such Section 6.3 Distribution shall then be made; and

(y) the Section 6.1 Distribution and Section 6.2 Distribution shall be deemed to immediately follow the Section 6.3 Distribution and any Conversion Rate adjustment required by Section 6.1 and Section 6.2 with respect thereto shall then be made, except that, if determined by the Company (a) the “ex-dividend date” of

the Section 6.1 Distribution and the Section 6.2 Distribution shall be deemed to be the ex-dividend date of the Section 6.3 Distribution and (b) any shares of Common Stock included in the Section 6.1 Distribution or Section 6.2 Distribution shall be deemed not to be “outstanding immediately before the open of business on such ex-dividend date or effective date” within the meaning of Section 6.1 or “outstanding immediately before the open of business on such ex-dividend date” within the meaning of Section 6.2.

6.4 Cash Dividends and Distributions. If any cash dividend or distribution is made to all or substantially all holders of the Common Stock, the Conversion Rate shall be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0}{SP_0 - C}$$

CR₀ = the Conversion Rate in effect immediately before the open of business on the ex-dividend date for such dividend or distribution.

CR₁ = the Conversion Rate in effect immediately after the open of business on such ex-dividend date.

SP₀ = the Closing Sale Price per share of the Common Stock on the Trading Day immediately preceding the ex-dividend date for such dividend or distribution.

C = the amount in cash per share the Company distributes to all or substantially all holders of the Common Stock.

Any increase made pursuant to this Section 6.4 shall become effective immediately after the open of business on the ex-dividend date for such dividend or distribution. If such dividend or distribution is not so paid, the Conversion Rate shall be decreased, effective as of the date the Board of Directors of the Company determines not to make or pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. Notwithstanding the foregoing, if “C” (as defined above) is equal to or greater than “SP₀” (as defined above), in lieu of the foregoing increase, the Holder shall receive, at the same time and upon the same terms as holders of shares of the Common Stock, the amount of cash that the Holder would have received if such Holder owned a number of shares of Common Stock equal to the Conversion Rate in effect immediately prior to the open of business on the ex-dividend date for such cash dividend or distribution.

6.5 Tender or Exchange Offers. If the Company or any of its Subsidiaries makes a payment in respect of a tender or exchange offer for the Common Stock (in each case excluding a tender or exchange offer that constitutes a Fundamental Transaction, as to which the provisions set forth in Section 5.1 will apply), to the extent that the cash and value of any other consideration included in the payment per share of the Common Stock

exceeds the average of the Closing Sale Prices per share of the Common Stock over the ten (10) consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer (such date, the "Expiration Date"), the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{(AC + (SP_1 \times OS_1))}{(OS_0 \times SP_1)}$$

CR₀ = the Conversion Rate in effect immediately prior to the close of business on the tenth (10th) Trading Day immediately following, and including, the Trading Day next succeeding the Expiration Date.

CR₁ = the Conversion Rate in effect immediately after the close of business on the tenth (10th) Trading Day immediately following, and including, the Trading Day next succeeding the Expiration Date.

AC = the aggregate value of all cash and any other consideration (as determined by the Board of Directors of the Company) paid or payable for shares of Common Stock purchased in such tender or exchange offer.

OS₀ = the number of shares of Common Stock outstanding immediately prior to the time (the "Expiration Time") such tender or exchange offer expires (prior to giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer).

OS₁ = the number of shares of Common Stock outstanding immediately after the Expiration Time (after giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer).

SP₁ = the average of the Closing Sale Prices per share of the Common Stock over the ten (10) consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the Expiration Date.

The increase to the Conversion Rate under this Section 6.5 shall occur at the close of business on the tenth (10th) Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires; provided, that, if the relevant Conversion Date occurs during the ten (10) Trading Days immediately following, and including, the Trading Day next succeeding the Expiration Date of any tender or exchange offer, references to "10" or "10th" in the preceding paragraph shall be deemed to be replaced with such lesser number of Trading Days as have elapsed between such Expiration Date of such tender or exchange offer and the Conversion Date in determining the Conversion Rate.

In the event that the Company or one of its Subsidiaries is obligated to purchase shares of Common Stock pursuant to any such tender offer or exchange offer, but the Company or such Subsidiary is permanently prevented by applicable law from effecting any such purchases, or all such purchases are rescinded, then the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such tender offer or exchange offer had not been made or had been made only in respect of the purchases that have been effected.

6.6 Voluntary Adjustment by Company. The Company may at any time during the term of this Note, with the prior written consent of the Required Holders, increase the then current Conversion Rate to any amount and for any period of time deemed appropriate by the Board of Directors of the Company.

6.7 No Adjustments. Notwithstanding anything to the contrary in this Section 6, the Conversion Rate shall not be adjusted:

- (a) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in shares of Common Stock under any plan;
- (b) upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program of or assumed by the Company or any of the Company's Subsidiaries;
- (c) upon the issuance of any shares of the Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security not described in Section 6.7(b) and outstanding as of the date the Notes were first issued;
- (d) for ordinary course of business stock repurchases that are not tender offers referred to in Section 6.5, including structured or derivative transactions or pursuant to a stock repurchase program approved by the Board of Directors of the Company;
- (e) solely for a change in the par value of the Common Stock; or
- (f) for accrued and unpaid interest, if any.

6.8 Calculations. All calculations and other determinations under this Section 6 shall be made by the Company and shall be made to the nearest one-ten thousandth (1/10,000th) of a share. If an adjustment to the Conversion Rate otherwise required pursuant to Sections 6.1 through 6.5 would result in a change of less than 1.0% to the Conversion Rate, then, notwithstanding the foregoing, the Company may, at its election, defer and carry forward such adjustment, except that all such deferred adjustments must be given effect immediately upon the earliest to occur of the following: (i) when all such deferred adjustments would result in an aggregate change of at least 1.0% to the Conversion

Rate; (ii) on the Conversion Date for this Note, and (iii) on the effective date of any Fundamental Transaction, in each case, unless the adjustment has already been made.

7. Redemptions at the Company's Option.

7.1 Company Optional Redemption.

(a) The Company shall have the right at any time to redeem all, but not less than all, of the Principal then outstanding under this Note (the "Company Optional Redemption Amount") on the Company Optional Redemption Date (a "Company Optional Redemption"). The portion of this Note subject to redemption pursuant to this Section 7.1 shall be redeemed by the Company in cash at (i) a price equal to the sum of the Redemption Premium Amount as of the Company Optional Redemption Date and the outstanding Principal being redeemed as of the Company Optional Redemption Date (the "Company Optional Redemption Price"), plus (ii) all accrued but unpaid Interest on such Principal to be redeemed.

(b) The Company may exercise its right to require redemption under this Section 7.1 by delivering a written notice thereof by facsimile or electronic mail and overnight courier to all, but not less than all, of the holders of Notes (the "Company Optional Redemption Notice") and the date all of the holders of Notes received such notice is referred to as the "Company Optional Redemption Notice Date"). The Company may deliver only one Company Optional Redemption Notice hereunder and such Company Optional Redemption Notice shall be irrevocable; provided, that the Company Optional Redemption Notice may be conditioned upon the effectiveness of any credit facility or capital raising, the consummation of a particular disposition or the occurrence of a change of control, as specified in the Company Optional Redemption Notice, in which case such Company Optional Redemption Notice may be revoked by the Company (by notice to all the holders of Notes on or prior to the Company Optional Redemption Date) if such condition is not satisfied. The Company Optional Redemption Notice shall (i) state the date on which the Company Optional Redemption shall occur (the "Company Optional Redemption Date") which date shall (A) not be less than fifteen (15) calendar days nor more than twenty-five (25) calendar days following the Company Optional Redemption Notice Date, or (B) if such Company Optional Redemption is conditioned upon the effectiveness of any credit facility or capital raising, the consummation of a particular disposition or the occurrence of a change of control, as specified in the Company Optional Redemption Notice, not be less than fifteen (15) calendar days following the Company Optional Redemption Notice Date nor be a date that is later than the applicable closing date of the relevant transaction specified in the Company Optional Redemption Notice and (ii) certify that there has been no Equity Conditions Failure.

(c) Notwithstanding anything herein to the contrary, (i) if no Equity Conditions Failure has occurred as of the Company Optional Redemption Notice Date but an Equity Conditions Failure occurs at any time prior to the Company Optional Redemption Date, (A) the Company shall provide the Holder a subsequent

notice to that effect, and (B) unless the Holder waives the Equity Conditions Failure, the Company Optional Redemption shall be cancelled and the applicable Company Optional Redemption Notice shall be null and void, and (ii) at any time prior to the date that is fifteen (15) calendar days following the Company Optional Redemption Notice Date, the Company Optional Redemption Amount may be converted, in whole or in part, by the Holder into shares of Common Stock pursuant to Section 3 (in which case all accrued but unpaid Interest and any Redemption Premium Amount payable on such Principal shall be paid to the Holder in cash).

(d) Any portion of the Principal of the Note converted by the Holder after the Company Optional Redemption Notice Date shall reduce the Company Optional Redemption Amount of this Note required to be redeemed on the Company Optional Redemption Date. Redemptions made pursuant to this Section 7.1 shall be made in accordance with Section 10. For the avoidance of doubt, the Redemption Premium shall be disregarded for purposes of calculation of the number of shares of Common Stock issuable upon conversion of this Note.

(e) In the event of the Company's redemption of this Note under this Section 7.1, the Holder's damages would be uncertain and difficult to estimate because of the parties' inability to predict future interest rates and the uncertainty of the availability of a suitable substitute investment opportunity for the Holder. Accordingly, any redemption premium amount due under this Section 7.1 is intended by the parties to be, and shall be deemed, a reasonable estimate of the Holder's actual loss of its investment opportunity and not as a penalty. For the avoidance of doubt, the Company shall have the right to effect a Company Optional Redemption if any Event of Default has occurred and continuing.

7.2 Pro Rata Redemption Requirement. If the Company elects to cause a Company Optional Redemption of this Note pursuant to Section 7.1, then it must simultaneously take the same action with respect to all of the Other Notes.

8. Noncircumvention. The Company hereby covenants and agrees that the Company will not, by amendment of its certificate or articles of incorporation, bylaws or other governing document or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issue or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Note, and will at all times in good faith carry out all of the provisions of this Note. Without limiting the generality of the foregoing or any other provision of this Note or the other Transaction Documents, the Company (a) shall not increase the par value of any shares of Common Stock receivable upon conversion of this Note above the Conversion Price then in effect, (b) shall not modify the voting rights attached to Common Stock and (c) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock upon the conversion of this Note.

9. Reservation of Authorized Shares.

9.1 Reservation. The Company shall initially reserve out of its authorized and unissued shares of Common Stock a number of shares of Common Stock for each of this Note and the Other Notes equal to 100% of the Conversion Rate with respect to the principal amount of each such Note as of the Issuance Date. So long as any of this Note and the Other Notes are outstanding, the Company shall take all action necessary to reserve and keep available out of its authorized and unissued Common Stock, solely for the purpose of effecting the conversion of this Note and the Other Notes, the number of shares of Common Stock as shall from time to time be necessary to effect the conversion of all of the Notes then outstanding; provided, that, at no time shall the number of shares of Common Stock so reserved be less than the number of shares required to be reserved pursuant hereto (in each case, without regard to any limitations on conversions) (the "Required Reserve Amount"). The initial number of shares of Common Stock reserved for conversions of this Note and the Other Notes and each increase in the number of shares so reserved shall be allocated pro rata among the Holder and the holders of the Other Notes based on the Principal amount of this Note and the Other Notes held by each holder at the Closing (as defined in the Securities Exchange Agreement) or at the time of the increase in the number of reserved shares, as the case may be (the "Authorized Share Allocation"). In the event that a holder shall sell or otherwise transfer this Note, or a portion thereof, or any of such holder's Other Notes, each transferee shall be allocated a pro rata portion of such holder's Authorized Share Allocation.

9.2 Insufficient Authorized Shares. If at any time while any of the Notes remain outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to have reserved for issuance upon conversion of the outstanding Notes at least a number of shares of Common Stock equal to the Required Reserve Amount (an "Authorized Share Failure"), then the Company shall promptly take all action necessary to increase the Company's authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for the Notes then outstanding. Without limiting the generality of the foregoing sentence, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than sixty (60) days after the occurrence of such Authorized Share Failure, the Company shall either (i) obtain the written consent of its stockholders for the approval of an increase in the number of authorized shares of Common Stock or (ii) file with the SEC a proxy statement for a meeting of its stockholders at which meeting the Company will seek the approval of its stockholders for an increase in the number of authorized shares of Common Stock. In connection with such meeting, the Company shall provide each stockholder with a proxy statement and shall use commercially reasonable efforts to solicit its stockholders' approval of such increase in authorized shares of Common Stock and to cause its Board of Directors to recommend to the stockholders that they approve such proposal. Notwithstanding the foregoing, if during any such time of an Authorized Share Failure, the Company is able to obtain the written consent of a majority of the shares of its issued and outstanding Common Stock to approve the increase in the number of authorized shares of Common Stock, the Company may satisfy this obligation by obtaining such consent and submitting for filing with the SEC an Information Statement on Schedule 14C.

10. Redemptions.

10.1 Mechanics.

(a) If the Holder has submitted a Change of Control Redemption Notice in accordance with Section 5.2, the Company shall deliver the applicable Change of Control Redemption Price (together with all accrued but unpaid Interest on the Principal to be redeemed) to the Holder in cash concurrently with the consummation of such Change of Control if such notice is received prior to the consummation of such Change of Control and within five (5) Business Days after the Company's receipt of such notice otherwise (each, a "Change of Control Redemption Date").

(b) In the event of a Company Optional Redemption, the Company shall deliver the applicable Company Optional Redemption Price (together with all accrued but unpaid Interest) to the Holder in cash or shares of Common Stock as determined in Section 3.4 hereof on the applicable Company Optional Redemption Date.

(c) Notwithstanding anything herein to the contrary, in connection with any redemption under this Section 10 at a time the Holder is entitled to receive a cash payment under any of the other Transaction Documents, at the option of the Holder delivered in writing to the Company, the applicable Redemption Price hereunder shall be increased by the amount of such cash payment owed to the Holder under such other Transaction Document and, upon payment in full in accordance herewith, shall satisfy the Company's payment obligation under such other Transaction Document.

(d) In the event of a redemption of less than all of the Principal of this Note, the Company shall promptly cause to be issued and delivered to the Holder a new Note (in accordance with Section 16.4) representing the outstanding Principal which has not been redeemed.

(e) In the event that the Company does not pay the applicable Redemption Price to the Holder within the time period required, at any time thereafter and until the Company pays such unpaid Redemption Price in full, the Holder shall have the option, in lieu of redemption, to require the Company to promptly return to the Holder all or any portion of this Note representing the Principal that was submitted for redemption and for which the applicable Redemption Price (together with any Interest thereon) has not been paid. Upon the Company's receipt of such notice, (i) the applicable Redemption Notice shall be null and void with respect to such Principal, and (ii) the Company shall immediately return this Note, or issue a new Note (in accordance with Section 16.4), to the Holder; provided, that, notwithstanding the applicable Redemption Notice being deemed null and void and such return or issuance of this Note or a new Note in accordance with the foregoing, a continual Event of Default shall thereafter be deemed to have occurred and be continuing until the subsequent repayment or conversion of this Note in full.

10.2 Redemption by Other Holders. Upon the Company's receipt of notice from any of the holders of the Other Notes (other than any such holder which is an Affiliate of the Holder) for redemption or repayment as a result of an event or occurrence substantially similar to the events or occurrences described Section 5.2 (each, an "Other Redemption Notice"), the Company shall immediately, but no later than two (2) Business Days after its receipt thereof, forward to the Holder by facsimile or electronic mail a copy of such notice. If the Company receives a Change of Control Redemption Notice and one or more Other Redemption Notices, during the seven (7) Business Day period beginning on and including the date which is two (2) Business Days prior to the Company's receipt of the Holder's Change of Control Redemption Notice and ending on and including the date which is five (5) Business Days after the Company's receipt of the Holder's Change of Control Redemption Notice and the Company is unable to redeem all principal, interest and any other amount designated in such Change of Control Redemption Notice and such Other Redemption Notices received during such seven (7) Business Day period, then the Company shall redeem a pro rata amount from each holder of the Notes (including the Holder) based on the principal amount of the Notes submitted for redemption pursuant to such Change of Control Redemption Notice and such Other Redemption Notices received by the Company during such seven (7) Business Day period.

11. Voting Rights. The Holder shall have no voting rights with respect to the shares of the capital stock of the Company in its capacity as the holder of this Note, except as required by law and as expressly provided in this Note.

12. Covenants. Until all of the Notes have been converted, redeemed or otherwise satisfied, in full, in accordance with their terms (excluding contingent and indemnification or contribution obligations), the Company hereby covenants and agrees that:

12.1 Rank. All payments due under this Note shall rank *pari passu* with all Other Notes.

12.2 Maintenance of Existence. The Company shall preserve and maintain its legal existence.

12.3 Maintenance of Listing. The Company shall maintain its Common Stock listing on the Principal Market or another Eligible Market (subject to all cure periods permitted by the Principal Market or such other Eligible Market). The Company shall list any Common Stock issuable upon conversion of this Note on the Principal Market or any other Eligible Market on which the Common Stock is then listed prior to issuance of such Common Stock.

13. Amendments and Waivers. No amendment or waiver of any provision of this Note or any other Transaction Document, and no consent to any departure by the Company therefrom, shall be effective unless in writing signed by the Required Holders and the Company. Each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it is given. Notwithstanding the foregoing, any such amendment, waiver, consent or other departure that complies with the foregoing but that disproportionately, materially and adversely affects the rights and obligations of any holder of this Note or any Other Note relative to the

comparable rights and obligations of the other holders of this Note or any Other Note shall require the prior written consent of such adversely affected Person(s). Any change, amendment, waiver, consent or departure by the Company and the Holder required by this Section 13 shall be binding on the Company, the Holder of this Note and all holders of the Other Notes.

14. Collateral. Solely in the event that this Note is held by Madryn Health Partners, LP or Madryn Health Partners (Cayman Master), LP or any of its Affiliates, this Note and the Other Notes are secured to the extent and in the manner set forth in the Transaction Documents (including, without limitation, the Guaranty and Security Agreement).

15. Transfer. Unless the Assignment Conditions and the other terms of Section 9.8 of the Securities Exchange Agreement have been satisfied, this Note may not be offered, sold, assigned or transferred by the Holder other than to an Affiliate of the Holder upon notice to the Company, subject only to the provisions of Section 4.1 of the Securities Exchange Agreement. Any shares of Common Stock issued upon conversion of this Note may be offered, sold, assigned or transferred by the Holder without the consent of the Company, subject only to the provisions of Section 4.1 of the Securities Exchange Agreement.

16. Reissuances; New Notes.

16.1 Transfer. If this Note is to be transferred in accordance with the terms of this Note, the Holder shall surrender this Note to the Company, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new Note (in accordance with Section 16.4 and subject to Section 3.2(c)), registered as the Holder may request, representing the outstanding Principal being transferred by the Holder and, if less than the entire outstanding Principal is being transferred, a new Note (in accordance with Section 16.4) to the Holder representing the outstanding Principal not being transferred. The Holder and any assignee, by acceptance of this Note, acknowledge and agree that, by reason of the provisions of Section 3.2(c) following conversion or redemption of any portion of this Note, the outstanding Principal represented by this Note may be less than the Principal stated on the face of this Note.

16.2 Lost, Stolen or Mutilated Note. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Note, and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary form and, in the case of mutilation, upon surrender and cancellation of this Note, the Company shall execute and deliver to the Holder a new Note (in accordance with Section 16.4) representing the outstanding Principal.

16.3 Note Exchangeable for Different Denominations. This Note is exchangeable, upon the surrender hereof by the Holder at the principal office of the Company, for a new Note or Notes (in accordance with Section 16.4) representing in the aggregate the outstanding Principal of this Note, and each such new Note will represent such portion of such outstanding Principal as is designated by the Holder at the time of such surrender.

16.4 Issuance of New Notes. Whenever the Company is required to issue a new Note pursuant to the terms of this Note, such new Note (a) shall be of like tenor with this Note, (b) shall represent, as indicated on the face of such new Note, the Principal remaining outstanding (or in the case of a new Note being issued pursuant to Section 16.1 or Section 16.3, the Principal designated by the Holder which, when added to the principal represented by the other new Notes issued in connection with such issuance, does not exceed the Principal remaining outstanding under this Note immediately prior to such issuance of new Notes), (c) shall have an issuance date, as indicated on the face of such new Note, which is the same as the Issuance Date of this Note, and (d) shall have the same rights and conditions as this Note.

17. Remedies, other Obligations, Breaches and Injunctive Relief. The remedies provided in this Note shall be cumulative and in addition to all other remedies available under this Note and any of the other Transaction Documents at law or in equity, and nothing herein shall limit the Holder's right to pursue actual damages for any failure by the Company to comply with the terms of this Note. No failure on the part of the Holder to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise by the Holder of any right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. In addition, the exercise of any right or remedy of the Holder at law or equity or under this Note or any of the documents shall not be deemed to be an election of Holder's rights or remedies under such documents or at law or equity. Amounts set forth or provided for herein with respect to payments, conversion and the like (and the computation thereof) shall be the amounts to be received by the Holder and shall not, except as expressly provided herein, be subject to any other obligation of the Company (or the performance thereof). The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder and that the remedy at law for any such breach may be inadequate. Notwithstanding anything to the contrary set forth herein or any other Transaction Document, to the fullest extent permitted by applicable law, neither the Company nor the Holder shall assert, and each of the Company and the Holder waives, and acknowledges that no Person shall have, any claims on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Note or any other Transaction Document or any transaction contemplated thereby.

18. Payment of Collection, Enforcement and Other Costs. If (a) an Event of Default has occurred and this Note is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding or the Holder otherwise takes action to collect amounts due under this Note or to enforce the provisions of this Note or (b) there occurs any bankruptcy, reorganization, receivership of the Company or other proceedings affecting Company creditors' rights and involving a claim under this Note, then the Company shall pay the reasonable and documented out-of-pocket costs incurred by the Holder for such collection, enforcement or action or in connection with such bankruptcy, reorganization, receivership or other proceeding, including, without limitation, attorneys' fees and disbursements.

19. Construction; Headings. This Note shall be deemed to be jointly drafted by the Company and the initial Holder and shall not be construed against any such Person as the drafter hereof. The headings of this Note are for convenience of reference and shall not form part of, or affect the interpretation of, this Note. Unless the context clearly indicates otherwise, each pronoun

herein shall be deemed to include the masculine, feminine, neuter, singular and plural forms thereof. The terms “including,” “includes,” “include” and words of like import shall be construed broadly as if followed by the words “without limitation.” The terms “herein,” “hereunder,” “hereof” and words of like import refer to this entire Note instead of just the provision in which they are found. Unless expressly indicated otherwise, all section references are to sections of this Note. Terms used in this Note and not otherwise defined herein, but defined in the other Transaction Documents, shall have the meanings ascribed to such terms on the Issuance Date in such other Transaction Documents unless otherwise consented to in writing by the Holder.

20. Failure or Indulgence Not Waiver. No failure or delay on the part of the Holder in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege.

21. Dispute Resolution.

21.1 Submission to Dispute Resolution.

(a) In the case of a dispute relating to a Closing Sale Price, a Conversion Rate, a fair market value or a Redemption Premium Amount or the arithmetic calculation of a Conversion Price or the applicable Redemption Price (as the case may be) (including, without limitation, a dispute relating to the determination of any of the foregoing), the Company or the Holder (as the case may be) shall submit the dispute to the other party via facsimile or electronic mail (i) if by the Company, within five (5) Business Days after the occurrence of the circumstances giving rise to such dispute or (ii) if by the Holder, within five (5) Business Days after the Holder learned of the circumstances giving rise to such dispute. If the Holder and the Company are unable to promptly resolve such dispute relating to such Closing Sale Price, such Conversion Rate, such fair market value or such Redemption Premium Amount, or the arithmetic calculation of such Conversion Price or such applicable Redemption Price (as the case may be), at any time after the second (2nd) Business Day following such initial notice by the Company or the Holder (as the case may be) of such dispute to the Company or the Holder (as the case may be), then the Holder may, with the consent of the Company (such consent not to be unreasonably or untimely withheld), select an independent, reputable, nationally known investment bank to resolve such dispute.

(b) The Holder and the Company shall each deliver to such investment bank (i) a copy of the initial dispute submission so delivered in accordance with the first sentence of this Section 21 and (ii) written documentation supporting its position with respect to such dispute, in each case, no later than 5:00 p.m. (New York time) by the tenth (10th) Business Day immediately following the date on which the Holder selected such investment bank (the “Dispute Submission Deadline”) (the documents referred to in the immediately preceding clauses (i) and (ii) are collectively referred to herein as the “Required Dispute Documentation”) (it being understood and agreed that if either the Holder or the Company fails to so deliver all of the Required Dispute Documentation by the Dispute Submission

Deadline, then the party who fails to so submit all of the Required Dispute Documentation shall no longer be entitled to (and hereby waives its right to) deliver or submit any written documentation or other support to such investment bank with respect to such dispute and such investment bank shall resolve such dispute based solely on the Required Dispute Documentation that was delivered to such investment bank prior to the Dispute Submission Deadline). Unless otherwise agreed to in writing by both the Company and the Holder or otherwise requested by such investment bank, neither the Company nor the Holder shall be entitled to deliver or submit any written documentation or other support to such investment bank in connection with such dispute (other than the Required Dispute Documentation).

(c) The Company and the Holder shall cause such investment bank to determine the resolution of such dispute and notify the Company and the Holder of such resolution no later than ten (10) Business Days immediately following the Dispute Submission Deadline. The reasonable fees and reasonable expenses of such investment bank shall be borne solely by the Company, and such investment bank's resolution of such dispute shall be final and binding upon all parties absent manifest error.

21.2 Miscellaneous. The Company expressly acknowledges and agrees that (a) this Section 21 constitutes an agreement to arbitrate between the Company and the Holder (and constitutes an arbitration agreement) under § 7501, et seq. of the New York Civil Practice Law and Rules ("CPLR") and that the Holder is authorized to apply for an order to compel arbitration pursuant to CPLR § 7503(a) in order to compel compliance with this Section 21, (b) a dispute relating to a Conversion Rate or a Conversion Price includes, without limitation, disputes as to whether an agreement, instrument, security or the like constitutes a right, warrant, grant or option to subscribe for or purchase shares of Common Stock, (c) the terms of this Note and each other applicable Transaction Document shall serve as the basis for the selected investment bank's resolution of the applicable dispute, such investment bank shall be entitled (and is hereby expressly authorized) to make all findings, determinations and the like that such investment bank determines are required to be made by such investment bank in connection with its resolution of such dispute and in resolving such dispute such investment bank shall apply such findings, determinations and the like to the terms of this Note and any other applicable Transaction Documents, (d) the Holder (and only the Holder), in its sole discretion, shall have the right to submit any dispute described in this Section 21 to any state or federal court sitting in The City of New York, Borough of Manhattan in lieu of utilizing the procedures set forth in this Section 21 and (e) nothing in this Section 21 shall limit the Holder from obtaining any injunctive relief or other equitable remedies (including, without limitation, with respect to any matters described in this Section 21).

21.3 Pendency of Dispute. Notwithstanding anything to the contrary set forth herein, during either (a) the pendency of any dispute under this Section 21 with respect to either (i) whether the existence or continuation of an Event of Default has occurred or (ii) whether the conditions to a Company Optional Redemption pursuant to Section 7 have been satisfied, or (b) the time that both an Event of Default is continuing and the pendency

of any other dispute under this Section 21, without the prior written consent of the Holder, the Company shall not be permitted to exercise its rights under Section 7 and no Company Optional Redemption pursuant to Section 7 shall be effective.

22. Notices; Currency; Payments.

22.1 Notices. Whenever notice is required to be given under this Note, unless otherwise provided herein, such notice shall be given in accordance with Section 9.5 of the Securities Exchange Agreement. The Company will give written notice to the Holder promptly upon any adjustment of the Conversion Rate, setting forth in reasonable detail, and certifying, the calculation of such adjustment.

22.2 Currency. All dollar amounts referred to in this Note are in United States Dollars ("U.S. Dollars"), and all amounts owing under this Note shall be paid in U.S. Dollars. All amounts denominated in other currencies (if any) shall be converted into the U.S. Dollar equivalent amount in accordance with the Exchange Rate on the date of calculation. "Exchange Rate" means, in relation to any amount of currency to be converted into U.S. Dollars pursuant to this Note, the U.S. Dollar exchange rate as published in the Wall Street Journal on the relevant date of calculation (it being understood and agreed that where an amount is calculated with reference to, or over, a period of time, the date of calculation shall be the final date of such period of time).

Whenever any amount expressed to be due by the terms of this Note is due on any day which is not a Business Day, the same shall instead be due on the next succeeding day which is a Business Day.

23. Cancellation. After all Principal, accrued Interest and other amounts at any time owed on this Note have been satisfied in full (including, for the avoidance of doubt, by conversion in full of this Note into shares of the Common Stock, but excluding contingent and indemnification obligations), this Note shall automatically be deemed canceled, shall be surrendered to the Company for cancellation and shall not be reissued.

24. Waiver of Notice. To the extent permitted by law, the Company hereby irrevocably waives demand, notice, presentment, protest and all other demands and notices in connection with the delivery, acceptance, performance, default or enforcement of this Note and the Securities Exchange Agreement.

25. Governing Law. This Note shall be construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Note

shall be governed by, the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York. Except as otherwise required by Section 21 above, the Company hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. Nothing contained herein (a) shall be deemed or operate to preclude the Holder from bringing suit or taking other legal action against the Company in any other jurisdiction to collect on the Company's obligations to the Holder, to realize on any collateral or any other security for such obligations, or to enforce a judgment or other court ruling in favor of the Holder or (b) shall limit, or shall be deemed or construed to limit, any provision of Section 21. **THE COMPANY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS NOTE OR ANY TRANSACTION CONTEMPLATED HEREBY.**

26. Severability. The Company shall not issue any fraction of a share of Common Stock upon any such conversion. If the issuance would result in the issuance of a fraction of a share of Common Stock, the Company shall round such fraction of a share of Common Stock up to the nearest whole share. The Company shall pay any and all transfer, stamp and similar taxes, costs and expenses (including, without limitation, fees and expenses of the transfer agent of the Company (the “Transfer Agent”)) that may be payable with respect to the issuance and delivery of Common Stock upon conversion of any portion of the outstanding and unpaid Principal.

3.2 Mechanics of Conversion.

(a) Optional Conversion.

(i) To convert any portion of the outstanding Principal into shares of Common Stock on any date (a “Conversion Date”), the Holder

shall deliver (whether via facsimile, electronic mail or otherwise), for receipt on or prior to 11:59 p.m., New York time, on such date, a copy of an executed notice of conversion in the form attached hereto as Exhibit I (the “Conversion Notice”) to the Company. If required by Section 3.2(c), within two (2) Trading Days following a conversion of this Note as aforesaid, the Holder shall surrender this Note to a nationally recognized overnight delivery service for delivery to the Company (or an indemnification undertaking with respect to this Note in the case of its loss, theft or destruction as contemplated by Section 16.2).

(ii) On or before the second (2nd) Trading Day following the date of receipt of a Conversion Notice, the Company shall transmit by facsimile, electronic mail or otherwise the Transfer Agent instructions and representation as to whether such shares of Common Stock may then be resold pursuant to (A) an effective and available registration statement, either, (1) prior to, (2) contemporaneously with, or (3) within thirty (30) days after, as applicable, the date of the applicable Conversion Notice by the Holder, (B) Rule 144, unless the Holder affirmatively indicates on the applicable Conversion Notice that the shares of Common Stock issuable in connection with such Conversion Notice are not being resold either (1) prior to, (2) contemporaneously with, or (3) within thirty (30) days after, as applicable, the date of the applicable Conversion Notice by the Holder, provided that the Holder shall provide the Company with customary representations with respect to compliance by the Holder with Rule 144, or (C) Rule 144 without having to comply with the information requirements under Rule 144(c)(1) (each, a “Permitted Securities Transaction”), substantially in the form attached hereto as Exhibit II, to the Holder and the Transfer Agent which shall instruct the Transfer Agent to process such Conversion Notice in accordance with the terms herein.

(iii) On or before the third (3rd) Trading Day following the date on which the Company has received a Conversion Notice (the “Share Delivery Deadline”), the Company shall (A) provided, that, the Transfer Agent is participating in The Depository Trust Company’s (“DTC”) Fast Automated Securities Transfer Program, with respect to the shares of Common Stock included in the Conversion Notice that may then be resold by the Holder pursuant to a Permitted Securities Transaction, credit such aggregate number of shares of Common Stock to which the Holder shall be entitled pursuant to such conversion to the Holder’s or its designee’s balance account with DTC through its Deposit/Withdrawal at Custodian system or (B) if the Transfer Agent is not participating in the DTC Fast Automated Securities Transfer Program or with respect to the shares of Common Stock included in the Conversion Notice that may not then be resold by the Holder pursuant to a Permitted Securities Transaction, deliver a certificate, registered in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder shall be entitled pursuant to such conversion.

(iv) If this Note is physically surrendered for conversion pursuant to Section 3.2(c) and the outstanding Principal of this Note is greater than the portion of the Principal being converted, then the Company shall as soon as practicable and in no event later than five (5) Business Days after receipt of this Note and at its own expense, issue and deliver to the Holder (or its designee) a new Note (in accordance with Section 16.4) representing the outstanding Principal not so converted.

(v) The Person or Persons entitled to receive the shares of Common Stock issuable upon a conversion of this Note shall be treated for all purposes as the record holder or holders of such shares of Common Stock on the Conversion Date.

(b) [Reserved].

(c) Registration; Book-Entry. The Company shall maintain a register (the “Register”) for the recordation of the names and addresses of the holders of each Note and the principal amount of the Notes held by such holders (the “Registered Notes”). The entries in the Register shall be presumed correct absent reasonable evidence to the contrary provided by the holders of the Notes. The Company and the holders of the Notes shall treat each Person whose name is recorded in the Register as the owner of a Note for all purposes (including, without limitation, the right to receive payments of Principal and Interest hereunder) notwithstanding notice to the contrary. Unless the Assignment Conditions (as defined in the Securities Exchange Agreement) and the other terms of Section 9.8 of the Securities Exchange Agreement have been satisfied, the Registered Note may not be assigned, transferred or sold in whole or in part other than to an Affiliate of Holder and may be assigned, transferred or sold only by registration of such assignment or sale on the Register. Upon satisfaction of the Assignment Conditions and the other terms of Section 9.8 of the Securities Exchange Agreement, the Company shall record the information relating to such assignment in the Register and issue one or more new Registered Notes in the same aggregate principal amount as the principal amount of the surrendered Registered Note to the designated assignee or transferee pursuant to Section 16, provided, that, if the Company does not so record an assignment, transfer or sale (as the case may be) of all or part of any Registered Note within two (2) Business Days of such a request, then the Register shall be automatically deemed updated to reflect such assignment, transfer or sale (as the case may be). Notwithstanding anything to the contrary set forth in this Section 3, following conversion of any portion of this Note in accordance with the terms hereof, the Holder shall not be required to physically surrender this Note to the Company unless (i) the full outstanding Principal represented by this Note is being converted (in which event this Note shall be delivered to the Company following conversion thereof as contemplated by Section 3.2(a)) or (ii) the Holder has provided the Company with prior written notice (which notice may be included in a Conversion Notice) requesting reissuance of this Note upon physical surrender of this Note. The Holder and the Company shall maintain records showing the Principal and Interest converted and/or paid (as the case may be) and the dates of

such conversions and/or payments (as the case may be) or shall use such other methods as are reasonably satisfactory to the Holder and the Company, so as not to require physical surrender of this Note upon conversion. If the Company does not update the Register to record such Principal and Interest converted and/or paid (as the case may be) and the dates of such conversions, and/or payments (as the case may be) within two (2) Business Days of such occurrence, then the Register shall be automatically deemed updated to reflect such occurrence.

(d) Pro Rata Conversion; Disputes. In the event that the Company receives a Conversion Notice from more than one holder of Notes for the same Conversion Date and the Company can convert some, but not all, of such portions of the Notes submitted for conversion, the Company, subject to Section 3.3, shall convert from each holder of Notes electing to have Notes converted on such Conversion Date a pro rata amount of such holder's portion of its Notes submitted for conversion based on the principal amount of Notes submitted for conversion on such Conversion Date by such holder relative to the aggregate principal amount of all Notes submitted for conversion on such Conversion Date. In the event of a dispute as to the number of shares of Common Stock issuable to the Holder in connection with a conversion of this Note, the Company shall issue to the Holder the number of shares of Common Stock not in dispute and resolve such dispute in accordance with Section 21.

3.3 Exchange Cap. So long as the rules of the Principal Market (or another Eligible Market, if Common Stock is re-listed, re-traded or re-quoted on another Eligible Market) so require, the sum of the number of shares of Common Stock that may be issued under this Note and all outstanding Other Notes shall be limited to the Exchange Cap, unless stockholder approval is obtained prior to the issuance to issue more than the Exchange Cap. The Exchange Cap shall be appropriately adjusted for any reorganization, recapitalization, non-cash dividend, stock split, reverse stock split or other similar transaction in accordance with the rules of the Principal Market or another Eligible Market. If the Exchange Cap is reached upon conversion of this Note and all outstanding Other Notes, the Company shall use its commercially reasonable efforts to file a proxy statement with the SEC seeking stockholder approval, within seventy-five (75) calendar days after the date on which the Exchange Cap is reached, from at least a majority of the Company's stockholders, for the Company's issuance of all of the remaining shares of Common Stock underlying this Note and all outstanding Other Notes. Should the stockholders of the Company vote to reject such additional issuance, the Company shall not be required to seek another stockholder approval under this Section 3.3.

3.4 Net Share Settlement.

(a) Notwithstanding Section 3.2 above, in the case of conversion of this Note on the Maturity Date, any Redemption Date or any date of any required payment upon any Event of Default, as applicable, on which the entire outstanding Principal of this Note is to be repaid, redeemed or prepaid in full, the Company shall, at the option of the Holder, satisfy its obligation to issue and deliver shares of Common Stock by paying and delivering to the Holder, a combination of cash

and shares of Common Stock (the “Net Share Settlement”), as set forth in this Section 3.4.

(b) If the Holder elects the Net Share Settlement in a Conversion Notice, the Company shall pay and deliver the Net Share Settlement Amount in accordance with Sections 1, 2 and 3, as applicable.

The “Net Share Settlement Amount” will consist of (i) cash equal to the Principal of this Note outstanding immediately prior to the Maturity Date, the applicable Redemption Date or the applicable date of any required payment upon any Event of Default, plus all accrued but unpaid Interest and, if any, Redemption Premium Amount thereon and (ii) the number of shares of Common Stock equal to the Net Share Amount.

The “Net Share Amount” means the number of shares of Common Stock calculated by the following formula:

$$\text{Net Share Amount} = \frac{P}{CP} - \frac{P}{MP}$$

Where:

- P = the Principal of this Note to be redeemed on the Maturity Date, the applicable Redemption Date or the applicable date of any required payment upon any Event of Default, as the case may be.
- CP = the Conversion Price in effect as of the date of the Conversion Notice.
- MP = the Closing Sale Price per share of the Common Stock on the date of the Conversion Notice or, if such Closing Sale Price is not yet available as of the date of the Conversion Notice, the Closing Sale Price per share of the Common Stock on the Trading Day immediately preceding the date of the Conversion Notice.

4. Events of Default; Rights Upon an Event of Default.

4.1 Event of Default. Each of the following events shall constitute an “Event of Default” and each of the events in clauses (d) and (e) below shall constitute a “Bankruptcy Event of Default”:

- (a) the Company’s failure to cure a Conversion Failure by delivery of the required number of shares of Common Stock within ten (10) Trading Days after the applicable Conversion Date;
- (b) the Company’s or any Guarantor’s failure to pay to the Holder (i) any amount of Principal when due under this Note, or (ii) any amount of Interest or other amounts due under this Note (including, without limitation, the Company’s

or any Guarantor's failure to pay any redemption payments or amounts hereunder) or any other Transaction Document or any other agreement, document, certificate or other instrument delivered to Holder in connection with the transactions contemplated hereby and thereby, within three (3) Trading Days after such amounts were due;

(c) The occurrence of any default, event of default, or similar term under the MSPLP Facility or the ABL Facility, in each case, after the expiration of all applicable notice, grace and cure periods (each, a "CNB Event of Default"); provided, that no CNB Event of Default shall have occurred if the underlying default or event of default is a result of a breach of the CNB Escrow Agreement (as defined in the Securities Exchange Agreement) by Madryn Health Partners, LP or any of its Affiliates; provided, further, that, to the extent that the Holder has not accelerated the Notes or foreclosed upon the Collateral in reliance on the Event of Default in this clause (c) on or prior to the date upon which CNB, its affiliates or successors enter into a consent, amendment, waiver or similar agreement with respect to the underlying CNB Event of Default giving rise to the Event of Default under this clause (c), the Event of Default pursuant to this clause (c) shall be deemed to be automatically cured upon effectiveness of such waiver or similar agreement among CNB, its affiliates or successors and the Company and its affiliates with respect to the CNB Event of Default. For the avoidance of doubt, the proviso set forth in this clause (c) shall not apply to, or be deemed to have any impact on, any Event of Default arising independently of this clause (c);

(d) any Obligor or any of its Subsidiaries institutes or consents to the institution of any proceeding under any Debtor Relief Law (as defined in the Guaranty and Security Agreement), or makes an assignment for the benefit of creditors; or makes a proposal to its creditors or files notice of its intention to do so, institutes any other proceeding under applicable law seeking to adjudicate it as bankrupt or insolvent, or seeking liquidation, dissolution, winding-up, reorganization, compromise, arrangement, adjustment, protection, moratorium, relief, stay of proceedings of creditors, composition of it or its debts or any other similar relief; or applies for or consents to the appointment (including any provisional appointment) of any receiver, receiver-manager, trustee, custodian, conservator, liquidator, rehabilitator or similar officer for it or for all or any material part of its property; or any receiver, administrative receiver, administrator, compulsory manager, receiver-manager, trustee, custodian, conservator, liquidator, rehabilitator or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or with regard to an Israeli Guarantor (as defined in the Securities and Exchange Agreement), the occurrence at any time with respect to it of a winding-up, bankruptcy, dissolution or administration;

(e) the entry against the Company or any Guarantor of one or more final judgments or orders for the payment of money in an aggregate amount exceeding \$500,000 (to the extent not covered by independent third-party insurance and/or third party indemnity rights as to which the applicable insurer or indemnitor does not dispute coverage in writing) and such judgment or order remains unpaid for a period of thirty (30) consecutive days;

(f) any default by the Company in the due performance and observance of any of the covenants or agreements contained in Section 12;

(g) any representation, warranty or other written statement of the Company set forth in any Transaction Document or any certification provided by the Company pursuant to any Transaction Document is incorrect or misleading in any material respect when given;

(h) other than as specifically set forth in another clause of this Section 4.1, any default by any Obligor in the due performance and observance of any of the covenants or agreements of any Transaction Document, except, in the case of a breach of a covenant that is curable, only if such breach remains uncured for a period of thirty (30) days following the earlier of the date on which (i) a Responsible Officer (as defined in the Securities Exchange Agreement) of any Obligor becomes aware of such failure and (ii) notice thereof shall have been given to the Obligors by the Holder;

(i) any material provision of any Transaction Document shall at any time for any reason (other than pursuant to the express terms thereof) cease to be valid and binding on or enforceable against the Obligors party thereto in any material respect, or the validity or enforceability thereof shall be contested by any Obligor party thereto (other than with respect to indemnification or contribution provisions which may be unenforceable), or a proceeding shall be commenced by the Company or any Guarantor or any governmental authority having jurisdiction over any of them, seeking to establish the invalidity or unenforceability thereof, or the Company or any Guarantor shall deny in writing that it has any liability or obligation purported to be created under any Transaction Document;

(j) shares of Common Stock shall cease to be quoted on the Principal Market for any reason and are not thereafter re-listed, re-traded or re-quoted on another Eligible Market within fifteen (15) Trading Days;

(k) the Company shall fail to comply in any material respect with the reporting requirements of the Exchange Act (including but not limited to becoming delinquent in its filings beyond any available extension); or

(l) any Event of Default (as defined in the Other Notes) occurs with respect to any Other Notes.

4.2 Remedies Upon Event of Default. If any Event of Default occurs and is continuing, the Holder may (a) declare the outstanding Principal of this Note, all Interest

accrued and unpaid on the outstanding Principal of this Note and all other amounts owing or payable hereunder or under any other Transaction Document, to be immediately due and payable (and upon any such declaration the same shall become and shall be immediately due and payable), without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Company and (b) exercise all rights and remedies available to it under the Transaction Documents. Notwithstanding anything to the contrary in this Section 4.2, but subject to Section 3.3, the Holder may, in its sole discretion, determine to accept payment on the Principal part in shares of the Common Stock, converted at the Conversion Price, and part in cash. Accrued but unpaid Interest on the Principal shall be paid to the Holder in cash. For the avoidance of doubt, it is understood and agreed that no Redemption Premium Amount shall be due or payable upon acceleration of this Note.

4.3 Mandatory Redemption upon Bankruptcy Event of Default. Notwithstanding anything to the contrary herein, and notwithstanding any conversion that is then required or in process, upon any Bankruptcy Event of Default, whether occurring prior to or following the Maturity Date, the Company shall immediately pay to the Holder an amount in cash representing all outstanding Principal, in addition to all accrued and unpaid Interest and any and all other amounts due hereunder, without the requirement for any notice or demand or other action by the Holder or any other person or entity; provided, that, the Holder may, in its sole discretion, waive such right to receive payment upon a Bankruptcy Event of Default, in whole or in part, and any such waiver shall not affect any other rights of the Holder hereunder, including any other rights in respect of such Bankruptcy Event of Default, any right to conversion, and any right to payment under Section 4.2 or of any Redemption Price, as applicable.

5. Fundamental Transactions; Change of Control.

5.1 Fundamental Transactions.

(a) If, at any time while this Note is outstanding, (i) the Company, directly or indirectly, in one or more related transactions, effects any merger or consolidation of the Company with or into another Person, (ii) the Company, directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of the assets of the Company and its subsidiaries, taken as a whole, to any Person other than one of the Company's subsidiaries in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of fifty percent (50%) or more of the outstanding Common Stock, (iv) the Company, directly or indirectly, in one or more related transactions, effects any reclassification, reorganization or recapitalization of the Common Stock (other than changes resulting from a subdivision or combination thereof) or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property, (v) the Company, directly or indirectly, in one or more

related transactions, consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person whereby such other Person acquires more than fifty percent (50%) of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination); (each a “Fundamental Transaction”), then, upon any subsequent conversion of this Note, the Holder shall have the right to receive, for each share of Common Stock that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction (without regard to any limitation in Section 3.3 on the conversion of this Note), the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the “Alternate Consideration”) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Note is convertible immediately prior to such Fundamental Transaction (without regard to any limitation in Section 3.3 on the conversion of this Note). For purposes of any such conversion, the determination of the Conversion Rate shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one (1) share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Conversion Rate among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any conversion of this Note following such Fundamental Transaction. The Company shall cause the Successor Entity to assume in writing all of the obligations of the Company under this Note, the other Transaction Documents, and any document ancillary hereto or thereto, pursuant to written agreements in form and substance reasonably satisfactory to the Required Holders and approved by such Holders (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder of this Note, deliver to the Holder in exchange for this Note a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Note which is convertible for a corresponding number of shares of capital stock of such Successor Entity (or its Parent Entity) equivalent to the shares of Common Stock acquirable and receivable upon conversion of this Note (without regard to any limitations on the conversion of this Note) prior to such Fundamental Transaction, and with a conversion rate which applies the Conversion Rate hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such conversion rate being for the purpose of protecting the economic value of this Note immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the

Holder. At and after the effective time of such Fundamental Transaction, (A) the Holder shall continue to have the right to determine the form of consideration to be paid or delivered in accordance with Section 3.4, (B)(1) any amount payable in cash upon conversion of this Note in accordance with Section 3 shall continue to be payable in cash, (2) any shares of Common Stock that the Company would have been required to deliver upon conversion of this Note in accordance with Section 3 shall instead be deliverable in the corresponding amount of Alternate Consideration that a holder of that number of shares of Common Stock would have received in such Fundamental Transaction and (3) the Closing Sale Price for the purposes Section 3.4 shall be calculated based on the value of such Alternate Consideration; provided that, if shares of capital stock of the relevant Successor Entity (or its Parent Entity) are not then traded on any securities exchange or trading market, the Closing Sale Price for the purposes Section 3.4 shall be deemed to be the greater of the per share price of the capital stock of such Successor Entity (or its Parent Entity) (I) as determined at the time of such Fundamental Transaction and (II) as determined by the latest transaction or series of related transactions pursuant to which such Successor Entity (or its Parent Entity) issues and sells shares of its capital stock (including securities convertible or exchangeable into shares of such capital stock) with the principal purpose of raising capital. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Note and the other Transaction Documents referring to the “Company” shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Note and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein.

(b) Waiver. Notwithstanding the foregoing, the Holder may elect, at its sole option, by delivery of written notice to the Company to waive this Section 5.1 to permit the Fundamental Transaction without the assumption of this Note and the other Transaction Documents.

(c) Applicability. The provisions of this Section 5.1 shall apply similarly and equally to successive Fundamental Transactions and shall be applied without regard to any limitations on the conversion of this Note.

5.2 Notice of a Change of Control; Redemption Right. Subject to prior public disclosure by the Company, not later than fifteen (15) calendar days, prior to the consummation of a Change of Control, the Company shall deliver written notice thereof via facsimile or electronic mail and overnight courier to the Holder (a “Change of Control Notice”). At any time during the period beginning after the Company’s delivery of a Change of Control Notice, or the Holder becoming aware of a Change of Control if a Change of Control Notice is not delivered to the Holder in accordance with the immediately preceding sentence (as applicable), and ending on the later of fifteen (15) calendar days after (a) the date on which the Company delivers such Change of Control Notice or (b) only if a Change of Control Notice is not delivered to the Holder in accordance with the immediately preceding sentence, the Holder becoming aware of the consummation of such

Change of Control, the Holder may require the Company to redeem all or any portion of this Note by delivering written notice thereof (“Change of Control Redemption Notice”) to the Company, which Change of Control Redemption Notice shall indicate the portion of the Principal the Holder is electing to redeem. The portion of the Principal of this Note subject to redemption pursuant to this Section 5.2 shall be redeemed by the Company at par (the “Change of Control Redemption Price”), plus all accrued but unpaid Interest on such portion of the Principal being redeemed. Redemptions required by this Section 5.2 shall be made in accordance with the provisions of Section 10 and shall have priority to payments to stockholders in connection with such Change of Control. To the extent redemptions required by this Section 5.2 are deemed or determined by a court of competent jurisdiction to be prepayments of this Note by the Company, such redemptions shall be deemed to be voluntary prepayments, but will not, in any event, be subject to the payment of any Redemption Premium Amount. Notwithstanding anything to the contrary in this Section 5.2, but subject to Section 3.3, until the Change of Control Redemption Price (together with all accrued but unpaid Interest on the Principal to be redeemed) is repaid in full, the portion of the Principal submitted for redemption under this Section 5.2 may be converted, in whole or in part, by the Holder into Common Stock pursuant to Section 3 (in which case such accrued but unpaid Interest on such Principal shall be paid to the Holder in cash). In no event will any Redemption Premium Amount be required to be paid in connection with payment of the Change of Control Redemption Price or any accrued Interest therewith.

6. Adjustments to the Conversion Rate.

6.1 Adjustment of Conversion Rate upon Subdivision or Combination of Common Stock or Stock Dividend. If the Company issues solely shares of Common Stock as a dividend or distribution on all or substantially all shares of the Common Stock, or if the Company effects a stock split or a stock combination of the Common Stock (in each case excluding an issuance solely pursuant to a Fundamental Transaction, as to which the provisions set forth in Section 5.1 will apply), then the Conversion Rate will be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_1}{OS_0}$$

Where:

CR₀ = the Conversion Rate in effect immediately before the open of business on the ex-dividend date for such dividend or distribution, or immediately before the open of business on the effective date of such stock split or stock combination, as applicable.

CR₁ = the Conversion Rate in effect immediately after the open of business on such ex-dividend date or the open of business on such effective date, as applicable.

OS₀ the number of shares of Common Stock outstanding immediately before the open of business on such ex-dividend date or effective date, as applicable.

OS₁ the number of shares of Common Stock outstanding immediately after giving effect to such dividend, distribution, stock split or stock combination.

For the avoidance of doubt, pursuant to the definition of CR₁ above in this Section 6.1, any adjustment to the Conversion Rate made pursuant to this Section 6.1 will become effective immediately after the open of business on such ex-dividend date or the open of business on such effective date, as applicable. If any dividend, distribution, stock split or stock combination of the type described in this Section 6.1 is declared or announced, but not so paid or made, then the Conversion Rate, if previously adjusted, will be readjusted, effective as of the date the Board of Directors of the Company determines not to pay such dividend or distribution or to effect such stock split or stock combination, to the Conversion Rate that would then be in effect had such dividend, distribution, stock split or stock combination not been declared or announced.

6.2 Rights, Options and Warrants. If the Company distributes, to all or substantially all holders of Common Stock, rights, options or warrants entitling such holders, for a period of not more than sixty (60) calendar days after the record date of such distribution, to subscribe for or purchase shares of Common Stock at a price per share that is less than the average of the Closing Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is publicly announced, then the Conversion Rate will be decreased based on the following formula:

$$CR_1 = CR_0 \times \frac{OS + X}{OS + Y}$$

CR₀ = the Conversion Rate in effect immediately before the open of business on the ex-dividend date for such distribution.

CR₁ = the Conversion Rate in effect immediately after the open of business on such ex-dividend date.

OS the number of shares of Common Stock outstanding immediately before the open of business on such ex-dividend date.

X the total number of shares of Common Stock issuable pursuant to such rights, options or warrants.

Y = a number of shares of Common Stock obtained by dividing (i) the aggregate price amount to exercise all such rights, options or warrants distributed by the Company by (ii) the average of the Closing Sale Prices per share of Common Stock for the ten (10) consecutive Trading

Days ending on, and including, the Trading Day immediately before the date such distribution is announced.

For the avoidance of doubt, any adjustment to the Conversion Rate made pursuant to this Section 6.2 will be made successively whenever any such rights, options or warrants are issued and, pursuant to the definition of CR₁ above in this Section 6.2, will become effective immediately after the open of business on the ex-dividend date for the applicable distribution. To the extent that shares of Common Stock are not delivered after the expiration of such rights, options or warrants (including as a result of such rights, options or warrants not being exercised), the Conversion Rate, if previously adjusted, will be readjusted effective as of such expiration date to the Conversion Rate that would then be in effect had the decrease to the Conversion Rate for such distribution been made on the basis of delivery of only the number of shares of Common Stock actually delivered upon exercise of such rights, option or warrants. To the extent such rights, options or warrants are not so distributed, the Conversion Rate will be readjusted effective as of the date the Board of Directors of the Company determines not to distribute such rights, options or warrants, to the Conversion Rate that would then be in effect had the ex-dividend date for the distribution of such rights, options or warrants not occurred. For purposes of this Section 6.2, in determining whether any rights, options or warrants entitle holders of Common Stock to subscribe for or purchase shares of Common Stock at a price per share that is less than the average of the Closing Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date of the distribution of such rights, options or warrants is announced, and in determining the aggregate price payable to exercise such rights, options or warrants, there will be taken into account any consideration the Company receives for such rights, options or warrants and any amount payable on exercise thereof, with the value of such consideration, if not cash, to be determined by the Board of Directors of the Company.

6.3 Other In-Kind Distributions. If the Company distributes shares of its capital stock, evidences of its indebtedness, other assets or property of the Company or rights, options or warrants to acquire its capital stock or other securities, to all or substantially all holders of the Common Stock, excluding:

- (a) dividends, distributions or issuances as to which an adjustment was effected pursuant to Section 6.1 or Section 6.2;
- (b) rights issued under a stockholder rights plan (except as set forth in this Section 6.3);
- (c) dividends or distributions paid exclusively in cash as to which an adjustment was effected pursuant to Section 6.4;
- (d) any dividends and distributions in connection with a Fundamental Transaction described in Section 5.1; and
- (e) Spin-Offs as to which the provisions set forth in this Section 6.3 shall apply,

(any of such shares of capital stock, evidences of indebtedness, assets, property, rights, options or warrants to acquire capital stock or other securities of the Company, the “Distributed Property”), then the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0}{(SP_0 - FMV)}$$

CR₀ = the Conversion Rate in effect immediately before the open of business on the ex-dividend date for such distribution.

CR₁ = the Conversion Rate in effect immediately after the open of business on such ex-dividend date.

SP₀ = the average of the Closing Sale Prices per share of the Common Stock over the ten (10) consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the ex-dividend date for such distribution.

FMV = the fair market value (as determined by the Board of Directors of the Company) of the Distributed Property so distributed with respect to each outstanding share of the Common Stock on the ex-dividend date for such distribution.

Any increase made under the portion of this Section 6.3 above shall become effective immediately after the open of business on the ex-dividend date for such distribution. If such distribution is not so paid or made, the Conversion Rate shall be decreased, effective as of the date the Company’s Board of Directors determines not to pay or make such distribution, to be the Conversion Rate that would then be in effect if such distribution had not been declared. Notwithstanding the foregoing, if “FMV” (as defined above) is equal to or greater than “SP₀” (as defined above), in lieu of the foregoing increase, the Holder shall receive, in respect of each \$1,000 principal amount thereof, at the same time and upon the same terms as holders of the Common Stock receive the Distributed Property, the amount and kind of Distributed Property that such Holder would have received if such Holder owned a number of shares of Common Stock equal to the Conversion Rate in effect on the ex-dividend date for the distribution.

With respect to an adjustment pursuant to this Section 6.3 where there has been a payment of a dividend or other distribution on the Common Stock of shares of capital stock of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit of the Company, that are, or, when issued, will be, listed or admitted for trading on a U.S. national securities exchange (a “Spin-Off”), the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{(FMV_0 + MP_0)}{MP_0}$$

- CR₀ = the Conversion Rate in effect immediately before the open of business on the ex-dividend date for such dividend or distribution.
- CR₁ = the Conversion Rate in effect immediately after the open of business on such ex-dividend date.
- FMV₀ = the average of the Closing Sale Prices per share of the capital stock or similar equity interest distributed to holders of the Common Stock applicable to one share of the Common Stock over the first ten (10) consecutive Trading Day period after, and including, the ex-dividend date of the Spin-Off (the "Valuation Period").
- MP₀ = the average of the Closing Sale Prices per share of the Common Stock over the Valuation Period.

The increase to the Conversion Rate under the preceding paragraph shall occur at the close of business on the last Trading Day of the Valuation Period; provided, that, if the relevant Conversion Date occurs during the Valuation Period, the references to "10" in the preceding paragraph shall be deemed to be replaced with such lesser number of Trading Days as have elapsed between the ex-dividend date of such Spin-Off and the Conversion Date in determining the Conversion Rate. If such Spin-Off does not occur, the Conversion Rate shall be decreased, effective as of the date the Company's Board of Directors determines not to consummate such Spin-Off, to be the Conversion Rate that would then be in effect if such distribution had not been declared, effective as of the date on which the Company's Board of Directors (or its designee) determines not to consummate such Spin-Off.

For purposes of this Section 6.3, rights, options or warrants distributed by the Company to all holders of the Common Stock entitling them to subscribe for or purchase shares of the Company's capital stock, including Common Stock (either initially or under certain circumstances), which rights, options or warrants, until the occurrence of a specified event or events ("Trigger Event"):

- (i) are deemed to be transferred with such shares of the Common Stock;
- (ii) are not exercisable; and
- (iii) are also issued in respect of future issuances of the Common Stock,

shall be deemed not to have been distributed for purposes of this Section 6.3 (and no adjustment to the Conversion Rate under this Section 6.3 will be required) until the occurrence of the earliest Trigger Event, whereupon such rights, options or warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Rate shall be made under this Section 6.3. If any such right, option or warrant, including any such existing rights, options or warrants distributed prior to the date of this Note, are subject to events, upon the occurrence of which such rights, options or warrants become exercisable to purchase different securities, evidences of indebtedness or

other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and ex-dividend date with respect to new rights, options or warrants with such rights (in which case the existing rights, options or warrants shall be deemed to terminate and expire on such date without exercise by any of the holders thereof).

In addition, in the event of any distribution (or deemed distribution) of rights, options or warrants, or any Trigger Event or other event (of the type described in the immediately preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Conversion Rate under this Section 6.3 was made:

(A) in the case of any such rights, options or warrants that shall all have been redeemed or purchased without exercise by any holders thereof, upon such final redemption or purchase, (1) the Conversion Rate shall be readjusted as if such rights, options or warrants had not been issued and (2) the Conversion Rate shall then again be readjusted to give effect to such distribution, deemed distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or purchase price received by a holder or holders of Common Stock with respect to such rights, options or warrants (assuming such holder had retained such rights, options or warrants), made to all holders of Common Stock as of the date of such redemption or purchase, and

(B) in the case of such rights, options or warrants that shall have expired or been terminated without exercise by any holders thereof, the Conversion Rate shall be readjusted as if such rights, options and warrants had not been issued.

For purposes of Section 6.1, Section 6.2 and this Section 6.3, any dividend or distribution to which this Section 6.3 is applicable that also includes one or both of:

(I) a dividend or distribution of shares of Common Stock to which Section 6.1 is applicable (the “Section 6.1 Distribution”); or

(II) a dividend or distribution of rights, options or warrants to which Section 6.2 is applicable (the “Section 6.2 Distribution”),

then:

(x) such dividend or distribution, other than the Section 6.1 Distribution and the Section 6.2 Distribution, shall be deemed to be a dividend or distribution to which this Section 6.3 is applicable (the “Section 6.3 Distribution”) and any Conversion Rate adjustment required by this Section 6.3 with respect to such Section 6.3 Distribution shall then be made; and

(y) the Section 6.1 Distribution and Section 6.2 Distribution shall be deemed to immediately follow the Section 6.3 Distribution and any Conversion Rate adjustment required by Section 6.1 and Section 6.2 with respect thereto shall then be made, except that, if determined by the Company (a) the “ex-dividend date” of

the Section 6.1 Distribution and the Section 6.2 Distribution shall be deemed to be the ex-dividend date of the Section 6.3 Distribution and (b) any shares of Common Stock included in the Section 6.1 Distribution or Section 6.2 Distribution shall be deemed not to be “outstanding immediately before the open of business on such ex-dividend date or effective date” within the meaning of Section 6.1 or “outstanding immediately before the open of business on such ex-dividend date” within the meaning of Section 6.2.

6.4 Cash Dividends and Distributions. If any cash dividend or distribution is made to all or substantially all holders of the Common Stock, the Conversion Rate shall be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0}{SP_0 - C}$$

CR₀ = the Conversion Rate in effect immediately before the open of business on the ex-dividend date for such dividend or distribution.

CR₁ = the Conversion Rate in effect immediately after the open of business on such ex-dividend date.

SP₀ = the Closing Sale Price per share of the Common Stock on the Trading Day immediately preceding the ex-dividend date for such dividend or distribution.

C = the amount in cash per share the Company distributes to all or substantially all holders of the Common Stock.

Any increase made pursuant to this Section 6.4 shall become effective immediately after the open of business on the ex-dividend date for such dividend or distribution. If such dividend or distribution is not so paid, the Conversion Rate shall be decreased, effective as of the date the Board of Directors of the Company determines not to make or pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. Notwithstanding the foregoing, if “C” (as defined above) is equal to or greater than “SP₀” (as defined above), in lieu of the foregoing increase, the Holder shall receive, at the same time and upon the same terms as holders of shares of the Common Stock, the amount of cash that the Holder would have received if such Holder owned a number of shares of Common Stock equal to the Conversion Rate in effect immediately prior to the open of business on the ex-dividend date for such cash dividend or distribution.

6.5 Tender or Exchange Offers. If the Company or any of its Subsidiaries makes a payment in respect of a tender or exchange offer for the Common Stock (in each case excluding a tender or exchange offer that constitutes a Fundamental Transaction, as to which the provisions set forth in Section 5.1 will apply), to the extent that the cash and value of any other consideration included in the payment per share of the Common Stock

exceeds the average of the Closing Sale Prices per share of the Common Stock over the ten (10) consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer (such date, the "Expiration Date"), the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{(AC + (SP_1 \times OS_1))}{(OS_0 \times SP_1)}$$

CR₀ = the Conversion Rate in effect immediately prior to the close of business on the tenth (10th) Trading Day immediately following, and including, the Trading Day next succeeding the Expiration Date.

CR₁ = the Conversion Rate in effect immediately after the close of business on the tenth (10th) Trading Day immediately following, and including, the Trading Day next succeeding the Expiration Date.

AC = the aggregate value of all cash and any other consideration (as determined by the Board of Directors of the Company) paid or payable for shares of Common Stock purchased in such tender or exchange offer.

OS₀ = the number of shares of Common Stock outstanding immediately prior to the time (the "Expiration Time") such tender or exchange offer expires (prior to giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer).

OS₁ = the number of shares of Common Stock outstanding immediately after the Expiration Time (after giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer).

SP₁ = the average of the Closing Sale Prices per share of the Common Stock over the ten (10) consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the Expiration Date.

The increase to the Conversion Rate under this Section 6.5 shall occur at the close of business on the tenth (10th) Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires; provided, that, if the relevant Conversion Date occurs during the ten (10) Trading Days immediately following, and including, the Trading Day next succeeding the Expiration Date of any tender or exchange offer, references to "10" or "10th" in the preceding paragraph shall be deemed to be replaced with such lesser number of Trading Days as have elapsed between such Expiration Date of such tender or exchange offer and the Conversion Date in determining the Conversion Rate.

In the event that the Company or one of its Subsidiaries is obligated to purchase shares of Common Stock pursuant to any such tender offer or exchange offer, but the Company or such Subsidiary is permanently prevented by applicable law from effecting any such purchases, or all such purchases are rescinded, then the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such tender offer or exchange offer had not been made or had been made only in respect of the purchases that have been effected.

6.6 Voluntary Adjustment by Company. The Company may at any time during the term of this Note, with the prior written consent of the Required Holders, increase the then current Conversion Rate to any amount and for any period of time deemed appropriate by the Board of Directors of the Company.

6.7 No Adjustments. Notwithstanding anything to the contrary in this Section 6, the Conversion Rate shall not be adjusted:

- (a) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in shares of Common Stock under any plan;
- (b) upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program of or assumed by the Company or any of the Company's Subsidiaries;
- (c) upon the issuance of any shares of the Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security not described in Section 6.7(b) and outstanding as of the date the Notes were first issued;
- (d) for ordinary course of business stock repurchases that are not tender offers referred to in Section 6.5, including structured or derivative transactions or pursuant to a stock repurchase program approved by the Board of Directors of the Company;
- (e) solely for a change in the par value of the Common Stock; or
- (f) for accrued and unpaid interest, if any.

6.8 Calculations. All calculations and other determinations under this Section 6 shall be made by the Company and shall be made to the nearest one-ten thousandth (1/10,000th) of a share. If an adjustment to the Conversion Rate otherwise required pursuant to Sections 6.1 through 6.5 would result in a change of less than 1.0% to the Conversion Rate, then, notwithstanding the foregoing, the Company may, at its election, defer and carry forward such adjustment, except that all such deferred adjustments must be given effect immediately upon the earliest to occur of the following: (i) when all such deferred adjustments would result in an aggregate change of at least 1.0% to the Conversion

Rate; (ii) on the Conversion Date for this Note, and (iii) on the effective date of any Fundamental Transaction, in each case, unless the adjustment has already been made.

7. Redemptions at the Company's Option.

7.1 Company Optional Redemption.

(a) The Company shall have the right at any time to redeem all, but not less than all, of the Principal then outstanding under this Note (the "Company Optional Redemption Amount") on the Company Optional Redemption Date (a "Company Optional Redemption"). The portion of this Note subject to redemption pursuant to this Section 7.1 shall be redeemed by the Company in cash at (i) a price equal to the sum of the Redemption Premium Amount as of the Company Optional Redemption Date and the outstanding Principal being redeemed as of the Company Optional Redemption Date (the "Company Optional Redemption Price"), plus (ii) all accrued but unpaid Interest on such Principal to be redeemed.

(b) The Company may exercise its right to require redemption under this Section 7.1 by delivering a written notice thereof by facsimile or electronic mail and overnight courier to all, but not less than all, of the holders of Notes (the "Company Optional Redemption Notice") and the date all of the holders of Notes received such notice is referred to as the "Company Optional Redemption Notice Date"). The Company may deliver only one Company Optional Redemption Notice hereunder and such Company Optional Redemption Notice shall be irrevocable; provided, that the Company Optional Redemption Notice may be conditioned upon the effectiveness of any credit facility or capital raising, the consummation of a particular disposition or the occurrence of a change of control, as specified in the Company Optional Redemption Notice, in which case such Company Optional Redemption Notice may be revoked by the Company (by notice to all the holders of Notes on or prior to the Company Optional Redemption Date) if such condition is not satisfied. The Company Optional Redemption Notice shall (i) state the date on which the Company Optional Redemption shall occur (the "Company Optional Redemption Date") which date shall (A) not be less than fifteen (15) calendar days nor more than twenty-five (25) calendar days following the Company Optional Redemption Notice Date, or (B) if such Company Optional Redemption is conditioned upon the effectiveness of any credit facility or capital raising, the consummation of a particular disposition or the occurrence of a change of control, as specified in the Company Optional Redemption Notice, not be less than fifteen (15) calendar days following the Company Optional Redemption Notice Date nor be a date that is later than the applicable closing date of the relevant transaction specified in the Company Optional Redemption Notice and (ii) certify that there has been no Equity Conditions Failure.

(c) Notwithstanding anything herein to the contrary, (i) if no Equity Conditions Failure has occurred as of the Company Optional Redemption Notice Date but an Equity Conditions Failure occurs at any time prior to the Company Optional Redemption Date, (A) the Company shall provide the Holder a subsequent

notice to that effect, and (B) unless the Holder waives the Equity Conditions Failure, the Company Optional Redemption shall be cancelled and the applicable Company Optional Redemption Notice shall be null and void, and (ii) at any time prior to the date that is fifteen (15) calendar days following the Company Optional Redemption Notice Date, the Company Optional Redemption Amount may be converted, in whole or in part, by the Holder into shares of Common Stock pursuant to Section 3 (in which case all accrued but unpaid Interest and any Redemption Premium Amount payable on such Principal shall be paid to the Holder in cash).

(d) Any portion of the Principal of the Note converted by the Holder after the Company Optional Redemption Notice Date shall reduce the Company Optional Redemption Amount of this Note required to be redeemed on the Company Optional Redemption Date. Redemptions made pursuant to this Section 7.1 shall be made in accordance with Section 10. For the avoidance of doubt, the Redemption Premium shall be disregarded for purposes of calculation of the number of shares of Common Stock issuable upon conversion of this Note.

(e) In the event of the Company's redemption of this Note under this Section 7.1, the Holder's damages would be uncertain and difficult to estimate because of the parties' inability to predict future interest rates and the uncertainty of the availability of a suitable substitute investment opportunity for the Holder. Accordingly, any redemption premium amount due under this Section 7.1 is intended by the parties to be, and shall be deemed, a reasonable estimate of the Holder's actual loss of its investment opportunity and not as a penalty. For the avoidance of doubt, the Company shall have the right to effect a Company Optional Redemption if any Event of Default has occurred and continuing.

7.2 Pro Rata Redemption Requirement. If the Company elects to cause a Company Optional Redemption of this Note pursuant to Section 7.1, then it must simultaneously take the same action with respect to all of the Other Notes.

8. Noncircumvention. The Company hereby covenants and agrees that the Company will not, by amendment of its certificate or articles of incorporation, bylaws or other governing document or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issue or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Note, and will at all times in good faith carry out all of the provisions of this Note. Without limiting the generality of the foregoing or any other provision of this Note or the other Transaction Documents, the Company (a) shall not increase the par value of any shares of Common Stock receivable upon conversion of this Note above the Conversion Price then in effect, (b) shall not modify the voting rights attached to Common Stock and (c) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock upon the conversion of this Note.

9. Reservation of Authorized Shares.

9.1 Reservation. The Company shall initially reserve out of its authorized and unissued shares of Common Stock a number of shares of Common Stock for each of this Note and the Other Notes equal to 100% of the Conversion Rate with respect to the principal amount of each such Note as of the Issuance Date. So long as any of this Note and the Other Notes are outstanding, the Company shall take all action necessary to reserve and keep available out of its authorized and unissued Common Stock, solely for the purpose of effecting the conversion of this Note and the Other Notes, the number of shares of Common Stock as shall from time to time be necessary to effect the conversion of all of the Notes then outstanding; provided, that, at no time shall the number of shares of Common Stock so reserved be less than the number of shares required to be reserved pursuant hereto (in each case, without regard to any limitations on conversions) (the “Required Reserve Amount”). The initial number of shares of Common Stock reserved for conversions of this Note and the Other Notes and each increase in the number of shares so reserved shall be allocated pro rata among the Holder and the holders of the Other Notes based on the Principal amount of this Note and the Other Notes held by each holder at the Closing (as defined in the Securities Exchange Agreement) or at the time of the increase in the number of reserved shares, as the case may be (the “Authorized Share Allocation”). In the event that a holder shall sell or otherwise transfer this Note, or a portion thereof, or any of such holder’s Other Notes, each transferee shall be allocated a pro rata portion of such holder’s Authorized Share Allocation.

9.2 Insufficient Authorized Shares. If at any time while any of the Notes remain outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to have reserved for issuance upon conversion of the outstanding Notes at least a number of shares of Common Stock equal to the Required Reserve Amount (an “Authorized Share Failure”), then the Company shall promptly take all action necessary to increase the Company’s authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for the Notes then outstanding. Without limiting the generality of the foregoing sentence, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than sixty (60) days after the occurrence of such Authorized Share Failure, the Company shall either (i) obtain the written consent of its stockholders for the approval of an increase in the number of authorized shares of Common Stock or (ii) file with the SEC a proxy statement for a meeting of its stockholders at which meeting the Company will seek the approval of its stockholders for an increase in the number of authorized shares of Common Stock. In connection with such meeting, the Company shall provide each stockholder with a proxy statement and shall use commercially reasonable efforts to solicit its stockholders’ approval of such increase in authorized shares of Common Stock and to cause its Board of Directors to recommend to the stockholders that they approve such proposal. Notwithstanding the foregoing, if during any such time of an Authorized Share Failure, the Company is able to obtain the written consent of a majority of the shares of its issued and outstanding Common Stock to approve the increase in the number of authorized shares of Common Stock, the Company may satisfy this obligation by obtaining such consent and submitting for filing with the SEC an Information Statement on Schedule 14C.

10. Redemptions.

10.1 Mechanics.

(a) If the Holder has submitted a Change of Control Redemption Notice in accordance with Section 5.2, the Company shall deliver the applicable Change of Control Redemption Price (together with all accrued but unpaid Interest on the Principal to be redeemed) to the Holder in cash concurrently with the consummation of such Change of Control if such notice is received prior to the consummation of such Change of Control and within five (5) Business Days after the Company's receipt of such notice otherwise (each, a "Change of Control Redemption Date").

(b) In the event of a Company Optional Redemption, the Company shall deliver the applicable Company Optional Redemption Price (together with all accrued but unpaid Interest) to the Holder in cash or shares of Common Stock as determined in Section 3.4 hereof on the applicable Company Optional Redemption Date.

(c) Notwithstanding anything herein to the contrary, in connection with any redemption under this Section 10 at a time the Holder is entitled to receive a cash payment under any of the other Transaction Documents, at the option of the Holder delivered in writing to the Company, the applicable Redemption Price hereunder shall be increased by the amount of such cash payment owed to the Holder under such other Transaction Document and, upon payment in full in accordance herewith, shall satisfy the Company's payment obligation under such other Transaction Document.

(d) In the event of a redemption of less than all of the Principal of this Note, the Company shall promptly cause to be issued and delivered to the Holder a new Note (in accordance with Section 16.4) representing the outstanding Principal which has not been redeemed.

(e) In the event that the Company does not pay the applicable Redemption Price to the Holder within the time period required, at any time thereafter and until the Company pays such unpaid Redemption Price in full, the Holder shall have the option, in lieu of redemption, to require the Company to promptly return to the Holder all or any portion of this Note representing the Principal that was submitted for redemption and for which the applicable Redemption Price (together with any Interest thereon) has not been paid. Upon the Company's receipt of such notice, (i) the applicable Redemption Notice shall be null and void with respect to such Principal, and (ii) the Company shall immediately return this Note, or issue a new Note (in accordance with Section 16.4), to the Holder; provided, that, notwithstanding the applicable Redemption Notice being deemed null and void and such return or issuance of this Note or a new Note in accordance with the foregoing, a continual Event of Default shall thereafter be deemed to have occurred and be continuing until the subsequent repayment or conversion of this Note in full.

10.2 Redemption by Other Holders. Upon the Company's receipt of notice from any of the holders of the Other Notes (other than any such holder which is an Affiliate of the Holder) for redemption or repayment as a result of an event or occurrence substantially similar to the events or occurrences described Section 5.2 (each, an "Other Redemption Notice"), the Company shall immediately, but no later than two (2) Business Days after its receipt thereof, forward to the Holder by facsimile or electronic mail a copy of such notice. If the Company receives a Change of Control Redemption Notice and one or more Other Redemption Notices, during the seven (7) Business Day period beginning on and including the date which is two (2) Business Days prior to the Company's receipt of the Holder's Change of Control Redemption Notice and ending on and including the date which is five (5) Business Days after the Company's receipt of the Holder's Change of Control Redemption Notice and the Company is unable to redeem all principal, interest and any other amount designated in such Change of Control Redemption Notice and such Other Redemption Notices received during such seven (7) Business Day period, then the Company shall redeem a pro rata amount from each holder of the Notes (including the Holder) based on the principal amount of the Notes submitted for redemption pursuant to such Change of Control Redemption Notice and such Other Redemption Notices received by the Company during such seven (7) Business Day period.

11. Voting Rights. The Holder shall have no voting rights with respect to the shares of the capital stock of the Company in its capacity as the holder of this Note, except as required by law and as expressly provided in this Note.

12. Covenants. Until all of the Notes have been converted, redeemed or otherwise satisfied, in full, in accordance with their terms (excluding contingent and indemnification or contribution obligations), the Company hereby covenants and agrees that:

12.1 Rank. All payments due under this Note shall rank *pari passu* with all Other Notes.

12.2 Maintenance of Existence. The Company shall preserve and maintain its legal existence.

12.3 Maintenance of Listing. The Company shall maintain its Common Stock listing on the Principal Market or another Eligible Market (subject to all cure periods permitted by the Principal Market or such other Eligible Market). The Company shall list any Common Stock issuable upon conversion of this Note on the Principal Market or any other Eligible Market on which the Common Stock is then listed prior to issuance of such Common Stock.

13. Amendments and Waivers. No amendment or waiver of any provision of this Note or any other Transaction Document, and no consent to any departure by the Company therefrom, shall be effective unless in writing signed by the Required Holders and the Company. Each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it is given. Notwithstanding the foregoing, any such amendment, waiver, consent or other departure that complies with the foregoing but that disproportionately, materially and adversely affects the rights and obligations of any holder of this Note or any Other Note relative to the

comparable rights and obligations of the other holders of this Note or any Other Note shall require the prior written consent of such adversely affected Person(s). Any change, amendment, waiver, consent or departure by the Company and the Holder required by this Section 13 shall be binding on the Company, the Holder of this Note and all holders of the Other Notes.

14. Collateral. Solely in the event that this Note is held by Madryn Health Partners, LP or Madryn Health Partners (Cayman Master), LP or any of its Affiliates, this Note and the Other Notes are secured to the extent and in the manner set forth in the Transaction Documents (including, without limitation, the Guaranty and Security Agreement).

15. Transfer. Unless the Assignment Conditions and the other terms of Section 9.8 of the Securities Exchange Agreement have been satisfied, this Note may not be offered, sold, assigned or transferred by the Holder other than to an Affiliate of the Holder upon notice to the Company, subject only to the provisions of Section 4.1 of the Securities Exchange Agreement. Any shares of Common Stock issued upon conversion of this Note may be offered, sold, assigned or transferred by the Holder without the consent of the Company, subject only to the provisions of Section 4.1 of the Securities Exchange Agreement.

16. Reissuances; New Notes.

16.1 Transfer. If this Note is to be transferred in accordance with the terms of this Note, the Holder shall surrender this Note to the Company, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new Note (in accordance with Section 16.4 and subject to Section 3.2(c)), registered as the Holder may request, representing the outstanding Principal being transferred by the Holder and, if less than the entire outstanding Principal is being transferred, a new Note (in accordance with Section 16.4) to the Holder representing the outstanding Principal not being transferred. The Holder and any assignee, by acceptance of this Note, acknowledge and agree that, by reason of the provisions of Section 3.2(c) following conversion or redemption of any portion of this Note, the outstanding Principal represented by this Note may be less than the Principal stated on the face of this Note.

16.2 Lost, Stolen or Mutilated Note. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Note, and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary form and, in the case of mutilation, upon surrender and cancellation of this Note, the Company shall execute and deliver to the Holder a new Note (in accordance with Section 16.4) representing the outstanding Principal.

16.3 Note Exchangeable for Different Denominations. This Note is exchangeable, upon the surrender hereof by the Holder at the principal office of the Company, for a new Note or Notes (in accordance with Section 16.4) representing in the aggregate the outstanding Principal of this Note, and each such new Note will represent such portion of such outstanding Principal as is designated by the Holder at the time of such surrender.

16.4 Issuance of New Notes. Whenever the Company is required to issue a new Note pursuant to the terms of this Note, such new Note (a) shall be of like tenor with this Note, (b) shall represent, as indicated on the face of such new Note, the Principal remaining outstanding (or in the case of a new Note being issued pursuant to Section 16.1 or Section 16.3, the Principal designated by the Holder which, when added to the principal represented by the other new Notes issued in connection with such issuance, does not exceed the Principal remaining outstanding under this Note immediately prior to such issuance of new Notes), (c) shall have an issuance date, as indicated on the face of such new Note, which is the same as the Issuance Date of this Note, and (d) shall have the same rights and conditions as this Note.

17. Remedies, other Obligations, Breaches and Injunctive Relief. The remedies provided in this Note shall be cumulative and in addition to all other remedies available under this Note and any of the other Transaction Documents at law or in equity, and nothing herein shall limit the Holder's right to pursue actual damages for any failure by the Company to comply with the terms of this Note. No failure on the part of the Holder to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise by the Holder of any right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. In addition, the exercise of any right or remedy of the Holder at law or equity or under this Note or any of the documents shall not be deemed to be an election of Holder's rights or remedies under such documents or at law or equity. Amounts set forth or provided for herein with respect to payments, conversion and the like (and the computation thereof) shall be the amounts to be received by the Holder and shall not, except as expressly provided herein, be subject to any other obligation of the Company (or the performance thereof). The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder and that the remedy at law for any such breach may be inadequate. Notwithstanding anything to the contrary set forth herein or any other Transaction Document, to the fullest extent permitted by applicable law, neither the Company nor the Holder shall assert, and each of the Company and the Holder waives, and acknowledges that no Person shall have, any claims on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Note or any other Transaction Document or any transaction contemplated thereby.

18. Payment of Collection, Enforcement and Other Costs. If (a) an Event of Default has occurred and this Note is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding or the Holder otherwise takes action to collect amounts due under this Note or to enforce the provisions of this Note or (b) there occurs any bankruptcy, reorganization, receivership of the Company or other proceedings affecting Company creditors' rights and involving a claim under this Note, then the Company shall pay the reasonable and documented out-of-pocket costs incurred by the Holder for such collection, enforcement or action or in connection with such bankruptcy, reorganization, receivership or other proceeding, including, without limitation, attorneys' fees and disbursements.

19. Construction; Headings. This Note shall be deemed to be jointly drafted by the Company and the initial Holder and shall not be construed against any such Person as the drafter hereof. The headings of this Note are for convenience of reference and shall not form part of, or affect the interpretation of, this Note. Unless the context clearly indicates otherwise, each pronoun

herein shall be deemed to include the masculine, feminine, neuter, singular and plural forms thereof. The terms “including,” “includes,” “include” and words of like import shall be construed broadly as if followed by the words “without limitation.” The terms “herein,” “hereunder,” “hereof” and words of like import refer to this entire Note instead of just the provision in which they are found. Unless expressly indicated otherwise, all section references are to sections of this Note. Each of the Guarantors hereby jointly and severally guarantees to each Secured Party and the Collateral Agent as hereinafter provided, as primary obligor and not as surety, the prompt payment of the Obligations in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration or otherwise) strictly in accordance with the terms thereof. The Guarantors hereby further agree that if any of the Obligations are not satisfied in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration or otherwise), the Guarantors will, jointly and severally, promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Obligations, the same will be promptly satisfied in full when due (whether at extended maturity, as a mandatory prepayment, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Notwithstanding any provision to the contrary contained herein or in any other of the Transaction Documents, the obligations of each Guarantor under this Agreement and the other Transaction Documents shall be limited to an aggregate amount equal to the largest amount that would not render such obligations subject to avoidance under Debtor Relief Laws or any comparable provisions of any applicable state law.

(b) Obligations Unconditional. The obligations of the Guarantors under Section 2(a) are joint and several, absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Transaction Documents, or any other agreement or instrument referred to therein, or any substitution, release, impairment or exchange of any other guarantee of or security for any of the Obligations, and, to the fullest extent permitted by applicable law, irrespective of any law or regulation or other circumstance whatsoever which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 2(b) that the obligations of the Guarantors hereunder shall be absolute and unconditional under any and all circumstances. Each Guarantor agrees that such Guarantor shall have no right of subrogation, indemnity, reimbursement or contribution against the Company or any other Guarantor for amounts paid under this Section 2 until such time as the Obligations (other than contingent indemnification obligations for which no claim has been asserted) have been satisfied in full. Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by law, the occurrence of any one or more of the following shall not alter or impair the liability of any Guarantor hereunder, which shall remain absolute and unconditional as described above:

(i) at any time or from time to time, without notice to any Guarantor, the time for any performance of or compliance with any of the Obligations shall be extended, or such performance or compliance shall be waived;

(ii) any of the acts mentioned in any of the provisions of any of the Transaction Documents, or any other agreement or instrument referred to in the Transaction Documents shall be done or omitted;

(iii) the maturity of any of the Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Transaction Documents, or any other agreement or instrument referred

to in the Transaction Documents shall be waived or any other guarantee of any of the Obligations or any security therefor shall be released, impaired or exchanged in whole or in part or otherwise dealt with;

(iv) any Lien granted to, or in favor of, any Secured Party as security for any of the Obligations shall fail to attach or be perfected; or

(v) any of the Obligations shall be determined to be void or voidable (including, without limitation, for the benefit of any creditor of any Guarantor) or shall be subordinated to the claims of any Person (including, without limitation, any creditor of any Guarantor).

With respect to its obligations hereunder, each Guarantor hereby expressly waives diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Secured Parties exhaust any right, power or remedy or proceed against any Person under any of the Transaction Documents, or any other agreement or instrument referred to in the Transaction Documents, or against any other Person under any other guarantee of, or security for, any of the Obligations.

(c) Reinstatement. The obligations of the Guarantors under this Section 2 shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Person in respect of the Obligations is rescinded or must be otherwise restored by any Secured Party, whether as a result of any proceedings in bankruptcy or reorganization or otherwise, and each Guarantor agrees that it will indemnify the Secured Parties on demand for all reasonable and documented out-of-pocket costs and expenses (including, without limitation, the fees, charges and disbursements of counsel) incurred by the Secured Parties in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any bankruptcy, insolvency or similar law.

(d) Certain Additional Waivers.

(i) Each Guarantor agrees that such Guarantor shall have no right of recourse to security for the Obligations, except through the exercise of rights of subrogation pursuant to Section 2(b) and through the exercise of rights of contribution pursuant to Section 2(f).

(ii) Without derogating from the generality of the foregoing Section 2(d)(i), each Israeli Guarantor agrees and confirms that neither the Israeli Guarantee Law nor the Israeli Pledge Law shall apply to this Agreement, and hereby does, and at all times shall, irrevocably and unconditionally waive, all rights and defenses that might otherwise have been or be available to it under the Israeli Guarantee Law (including sections 4(b), 4(c), 5(b)-(c), 6, 7(b), 8, 9, 11, 12, 15 and 17 thereof) or under the Israeli Pledge Law (including Sections 7(b), 13(b) and 20 thereof).

(e) Remedies. The Guarantors agree that, to the fullest extent permitted by law, as between the Guarantors, on the one hand, and the Secured Parties, on the other hand, the Obligations may be declared to be forthwith due and payable as provided in Section 4.2 of the Notes (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 4.3 of the Notes) for purposes of Section 2(a), notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Obligations from

becoming automatically due and payable) as against any other Person and that, in the event of such declaration (or the Obligations being deemed to have become automatically due and payable), the Obligations (whether or not due and payable by any other Person) shall forthwith become due and payable by the Guarantors for purposes of Section 2(a). The Guarantors acknowledge and agree that their obligations hereunder are secured in accordance with the terms of the Transaction Documents and that the Secured Parties may exercise their remedies thereunder in accordance with the terms thereof.

(f) Rights of Contribution. The Guarantors agree among themselves that, in connection with payments made hereunder, each Guarantor shall have contribution rights against the other Guarantors as permitted under applicable law. Such contribution rights shall be subordinate and subject in right of payment to the obligations of such Guarantors under the Transaction Documents and no Guarantor shall exercise such rights of contribution until all Obligations (other than contingent indemnification obligations for which no claim has been asserted) have been satisfied in full.

(g) Financial Assistance – Israeli Law. Without derogating from the generality of Section 2(d)(ii), if and to the extent that a payment in fulfilling a liability of an Israeli Guarantor under this Agreement would, at the time the payment is due, be restricted due to the payment being a prohibited distribution under Section 301(b) of the Companies Law, then the payment shall be made in the maximum amount permitted to be paid, *provided, that*, and without prejudice to any rights of the Collateral Agent and the Secured Parties to full payment, the limited payment shall not be less than all of such Israeli Guarantor's funds capable of distribution in accordance with Section 302 of the Israeli Companies Law, and *provided, further, that*, the restriction (as may apply from time to time or not) shall not free the Israeli Guarantor from the payment liability in excess of the limited payment amount, but merely shall postpone the payment date of such excess until such time or times as further payment of the liability is not prohibited under Section 301(b) of the Companies Law, with payment of any unsatisfied liability repeatedly so postponed until the liability is satisfied in full.

(h) Guarantee of Payment; Continuing Guarantee. The guarantee in this Section 2 is a guaranty of payment and not of collection, is a continuing guarantee, and shall apply to all Obligations whenever arising.

(i) Interest Act (Canada). For the purposes of the Interest Act (Canada), and solely with respect to Venus Canada: (A) whenever a rate of interest or fee rate in any Transaction Document is calculated on the basis of a year (the "deemed year") that contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest or fee rate shall be expressed as a yearly rate by multiplying such rate of interest or fee rate by the actual number of days in the calendar year of calculation and dividing it by the number of days in the deemed year, (B) the principle of deemed reinvestment of interest shall not apply to any such interest calculation and (C) the rates of interest stipulated thereby are intended to be nominal rates and not effective rates or yields. Each Guarantor hereby irrevocably agrees not to plead or assert, whether by way of defense or otherwise, in any proceeding relating to this Agreement, the Notes or any other Transaction Document, that the interest payable under this Agreement, the Notes any other Transaction Document and the calculation thereof has not been adequately disclosed to it, whether pursuant to section 4 of the Interest Act (Canada) or any other applicable law or legal principle.

3. Grant of Security Interest in the Collateral. To secure the prompt payment and performance in full when due, whether by lapse of time, acceleration, mandatory prepayment or otherwise, of the

Obligations, each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in any and all right, title and interest of such Grantor in and to all of the following, whether now owned or existing or owned, acquired or arising hereafter (collectively, the “Collateral”):

The Grantors and the Collateral Agent, on behalf of the Secured Parties, hereby acknowledge and agree that the security interest created hereby in the Collateral (i) constitutes continuing collateral security for all of the Obligations, whether now existing or hereafter arising and (ii) is not and shall not be construed as an assignment of any IP Rights.

4. Provisions Relating to Accounts. Anything herein to the contrary notwithstanding, each of the Grantors shall remain liable under each of the Accounts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise to each such Account. (C) Notify the Collateral Agent promptly if they know that any Patent or Trademark owned by any Obligor that is a Material IP Right, or any application or registration relating to any Patent or Trademark owned by any Obligor that is a Material IP Right may become abandoned, invalidated, rendered unenforceable or dedicated to the public, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, or any similar office or agency in any other country or any political subdivision thereof or any court or tribunal in any country) regarding any Obligor's ownership of any such Patent or Trademark or its right to register the same or to keep and maintain the same.

(D) Take all reasonable and necessary steps, including, without limitation, in any proceeding before the United States Patent and Trademark Office or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of each Patent and Trademark owned by any Obligor that is a Material IP Right, including, without limitation, filing of applications for renewal, affidavits of use and affidavits of incontestability, except where the failure to do so could not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect.

(E) Not (and not permit any licensee or sublicensee thereof to) do any act, or omit to do any act, whereby any Material IP Right may become abandoned, invalidated, rendered unenforceable, diluted or dedicated to the public, except where the failure to do so could not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect.

(F) Use commercially reasonable efforts to maintain the confidentiality of all Trade Secrets and other confidential information that constitute Material IP Rights, except where the failure to do so could not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect.

(G) Promptly notify the Collateral Agent of any infringement, violation or misappropriation of any Material IP Right of which they become aware and take such actions as they shall reasonably deem appropriate under the circumstances to protect such Material IP Right, including, where appropriate, the bringing of suit for infringement, violation, misappropriation or dilution, seeking injunctive relief and seeking to recover any and all damages for such infringement, violation, misappropriation or dilution, except where the failure to do so could not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect.

(iii) Not amend, waive, modify or change (or permit the amendment, waiver, modification or change of) any of the terms or provisions of the documentation evidencing the MSPLP Facility in a manner that (A) shortens the maturity date thereof, (B) increases the interest rate thereof by more than 2.00% (excluding the imposition of the default rate of interest therein and the impact of an alternate benchmark), (C) accelerates the dates due for payment thereunder, (D) imposes subordination terms on the Notes that are more restrictive than those set forth in the Subordination Agreements, (E) subjects any Obligor to any direct prohibition or limitation on the making of mandatory,

(f) Collateral and Guarantee Requirement; Fundamental Changes; Further Assurances.

Within ninety (90) days following the date of any Collateral and Guarantee Test Trigger, (A) cause additional Subsidiaries of the Company to become Obligors by executing a joinder agreement as contemplated by Section 24 in form and substance reasonably satisfactory to the Collateral Agent, and delivering such other documents as may be necessary in order for such additional Subsidiaries to become Guarantors and provide the security interests contemplated by the Transaction Documents, and/or (B) cause the existing Obligors to provide such additional Collateral pursuant to the Transaction Documents, in each case, such that the Collateral and Guarantee Requirement is met with respect to such Collateral and Guarantee Test Trigger.

Each Obligor agrees that such security interests described above shall be granted pursuant to the Transaction Documents or, with respect to any such property acquired subsequent to the date of this Agreement, such other additional security documents as the Collateral Agent shall request, in each case, reasonably satisfactory to the Collateral Agent and that such security interests shall constitute valid and enforceable perfected security interests. The Obligors will deliver such documentation as the Collateral Agent may reasonably request in connection with the foregoing, including without limitation, appropriate UCC-1 financing statements (or equivalent filings in any foreign jurisdiction), certified resolutions and other organizational and authorizing documents of such Person, all in form, content and scope reasonably satisfactory to the Collateral Agent. Notwithstanding anything to the contrary herein, in no event will any collateral access agreement be required in connection with the Collateral and Guarantee Requirement or for any other purpose hereunder.

Solely to the extent necessary to comply with the Collateral and Guarantee Requirement, the Obligors will execute any and all further documents, financing statements, agreements and instruments, and take all further action (including filing UCC and foreign equivalent financing statements) that may be required under applicable law or that the Investors or the Collateral Agent may reasonably request, in order to effectuate the transactions contemplated by the Transaction Documents and in order to grant, preserve, protect and perfect the validity and priority of the security interests created or intended to be created in accordance with the terms hereof.

Each Obligor shall, and shall cause each Subsidiary to, ensure that at all times the exercise of the rights of the Collateral Agent or any Investor under any Transaction Document (including the realization, sale or assignment by the Collateral Agent or an Investor of any Equity Interests in any Subsidiary) does not conflict with its Organization Documents.

(g) Liens. Not create, incur, assume or suffer to exist any Lien upon any of its property, assets or revenues, whether now owned or hereafter acquired that ranks senior to the Obligations, other than any such Lien securing the Permitted Senior Debt.

(h) Indebtedness. Not create, incur, assume or suffer to exist any Indebtedness that ranks senior to the Obligations in priority of payment, other than (i) the Permitted Senior Debt and (ii) unsecured Indebtedness incurred in the ordinary course of business (including Indebtedness incurred from the use of corporate credit cards) in an aggregate principal amount not to exceed \$5,000,000.

(i) Regulatory Compliance.

(A) Conduct its business in material compliance with the United States Foreign Corrupt Practices Act of 1977, the UK Bribery Act 2010, the Corruption of Foreign Public Officials Act (Canada), the Israeli Penal Law, 1977, Chapter 9, Part 5, and other similar anti-corruption legislation in such or other jurisdictions and maintain policies and procedures designed to promote and achieve compliance with such laws.

(B) Not, directly or indirectly, use the proceeds of any Note for any purpose which would breach the United States Foreign Corrupt Practices Act of 1977, the UK Bribery Act 2010, the Corruption of Foreign Public Officials Act (Canada), the Israeli Penal Law, 1977, Chapter 9, Part 5, and other similar anti-corruption legislation in such or other jurisdictions.

(ii) Sanctions. Not, directly or indirectly, use the proceeds of any Note, or lend, contribute or otherwise make available the proceeds of any Note to any Person, to fund any activities of or business with any Person, or in any Designated Jurisdiction, that, at the time of such funding, is the subject of Sanctions, or in any other manner that will result in a violation by any Person (including any Person participating in the transaction, whether as Investor, Collateral Agent, or otherwise) of Sanctions.

Notwithstanding the foregoing, the covenants in clauses (i) and (ii) above shall not require any Obligor organized under the laws of Canada to take any action or refrain from taking any action that would result in a violation of or conflict with the *Foreign Extraterritorial Measures Act* (Canada) or any similar law.

7. Covenants of the Grantors. Each Grantor covenants that, so long as any of the Obligations (other than contingent indemnification obligations for which no claim has been asserted) remains outstanding, such Grantor shall:

(a) Other Liens; Defense of Title.

(i) Defend the Collateral against Liens thereon other than Liens not prohibited by the Transaction Documents.

(ii) Warrant and defend title to and ownership of the Pledged Shares of such Grantor at its own expense against the claims and demands of all other parties claiming an interest therein, and not sell, exchange, transfer, assign, lease or otherwise dispose of Pledged Shares of such Grantor or any interest therein, if the result thereof could reasonably be expected to violate the Collateral and Guarantee Requirement.

(b) Reserved.

(c) Perfection of Security Interest. After the Closing Date, solely to the extent necessary to comply with the Collateral and Guarantee Requirement:

(i) Deliver to the Collateral Agent (A) simultaneously with or promptly following the execution and delivery of this Agreement, all certificates (if any) representing the Pledged Shares of such Grantor and (B) promptly upon the receipt thereof by or on behalf of a Grantor, all other certificates and instruments constituting Pledged Shares of a Grantor. Prior to delivery to the Collateral Agent, all such certificates and instruments constituting Pledged Shares of a Grantor shall be held in trust by such Grantor for the benefit of the Collateral Agent pursuant hereto. All such certificates and instruments shall be delivered in suitable form for transfer by delivery or shall be accompanied by duly executed instruments of transfer or assignment in blank, substantially in the form provided in Exhibit 7(c)(i) attached hereto. If such Grantor shall receive (or become entitled to receive) by virtue of its being or having been the owner of any Pledged Shares, any (1) certificate or instrument, including without limitation, any certificate representing a dividend or distribution in connection with any increase or reduction of capital, reclassification, merger, consolidation, sale of assets, combination of shares or membership or other Equity Interests, stock splits, spin-off or split-off, promissory notes or other instruments, (2) option or right, whether as an addition to, substitution for, conversion of, or an exchange for, any Pledged Shares or otherwise in respect thereof, (3) dividends payable in securities or (4) distributions of securities or other Equity Interests, cash or other property in connection with a partial or total liquidation, dissolution or reduction of capital, capital surplus or paid-in surplus, then such Grantor shall accept and receive each such certificate, instrument, option, right, dividend or distribution in trust for the benefit of the Collateral Agent, shall segregate it from such Grantor's other property and shall deliver it forthwith to the Collateral Agent in the exact form received together with any necessary endorsement and/or appropriate stock power duly executed in blank, substantially in the form provided in Exhibit 7(c)(i), to be held by the Collateral Agent as Pledged Shares and as further collateral security for the Obligations.

(ii) Execute and deliver to the Collateral Agent such agreements, assignments or instruments (including affidavits, notices, reaffirmations and amendments and restatements of existing documents, as the Collateral Agent shall reasonably request) and do all such other things as the Collateral Agent may reasonably deem necessary, appropriate or convenient (A) to assure to the Collateral Agent the effectiveness, perfection and priority of its security interests in the Collateral hereunder, including (1) such instruments as the Collateral Agent may from time to time reasonably request in order to perfect and maintain the security interests granted hereunder in accordance with the UCC, (2) with regard to Copyrights and Copyright Licenses, a Notice of Grant of Security Interest in Copyrights for filing with the United States Copyright Office in the form of Exhibit 7(c)(ii)(A)(2) attached hereto, (3) with regard to Patents and Patent Licenses, a Notice of Grant of Security Interest in Patents for filing with the United States Patent and Trademark Office in the form of Exhibit 7(c)(ii)(A)(3) attached hereto and (4) with regard to Trademarks registered with the United States Patent and Trademark Office and all applications for Trademarks filed with the United States Patent and Trademark Office and Trademark Licenses, a Notice of Grant of Security Interest in Trademarks for filing with the United States Patent and Trademark Office in the form of Exhibit 7(c)(ii)(A)(4) attached hereto, (B) to consummate the transactions contemplated hereby and (C) to otherwise protect and assure the Collateral Agent of its rights and interests hereunder. To that end, each Grantor authorizes the Collateral Agent to file one or more financing statements (including authorization to

describe the Collateral as “all assets” or words of similar meaning) disclosing the Collateral Agent’s security interest in any or all of the Collateral of such Grantor without such Grantor’s signature thereon, and further each Grantor also hereby irrevocably makes, constitutes and appoints the Collateral Agent, its nominee or any other Person whom the Collateral Agent may designate, as such Grantor’s attorney-in-fact with full power and for the limited purpose to sign in the name of such Grantor any such financing statements (including renewal statements), amendments and supplements, notices or any similar documents that in the Collateral Agent’s reasonable discretion would be necessary, appropriate or convenient in order to perfect and maintain perfection of the security interests granted hereunder, such power, being coupled with an interest, being and remaining irrevocable so long as the Obligations (other than contingent indemnification obligations for which no claim has been asserted) remain unpaid. Each Grantor hereby agrees that a carbon, photographic or other reproduction of this Agreement or any such financing statement is sufficient for filing as a financing statement by the Collateral Agent without notice thereof to such Grantor wherever the Collateral Agent may in its sole discretion desire to file the same. In the event for any reason the law of any jurisdiction other than New York becomes or is applicable to the Collateral of any Grantor or any part thereof, or to any of the Obligations, such Grantor agrees to execute and deliver all such instruments and to do all such other things as the Collateral Agent in its sole discretion reasonably deems necessary, appropriate or convenient to preserve, protect and enforce the security interests of the Collateral Agent under the law of such other jurisdiction (and, if a Grantor shall fail to do so promptly upon the request of the Collateral Agent, then the Collateral Agent may execute any and all such requested documents on behalf of such Grantor pursuant to the power of attorney granted hereinabove). If any Collateral is in the possession or control of a Grantor’s agents (other than contract manufacturers and other service providers in the ordinary course of business) and the Collateral Agent so requests, such Grantor agrees to notify such agents in writing of the Collateral Agent’s security interest therein and, upon the Collateral Agent’s request, instruct them to hold all such Collateral for the account of the Secured Parties. Each Grantor agrees to mark its books and records to reflect the security interest of the Collateral Agent in the Collateral.

(d) Notwithstanding anything to the contrary herein, in no event will any control agreement, collateral access agreement, leasehold mortgage or possessory collateral (other than equity certificates) be required for any purpose hereunder.

(e) Reserved.

(f) Reserved.

(g) Further Assurances. Promptly following the request therefor, execute and deliver at its expense all further instruments and documents and take all further action that may be necessary and desirable or that the Collateral Agent may reasonably request in order to (i) perfect and protect the security interest created hereby in the Collateral of such Grantor (including, without limitation, any and all other action reasonably necessary to satisfy the Collateral Agent that the Collateral Agent has obtained a perfected security interest in all Collateral), (ii) enable the Collateral Agent to exercise and enforce its rights and remedies hereunder in respect of the Collateral of such Grantor and (iii) otherwise effect the purposes of this Agreement, including, without limitation and if requested by the Collateral Agent, delivering to the Collateral Agent upon its request following the occurrence and continuation of an Event of Default, irrevocable proxies in respect of the Pledged Shares of such Grantor, in each case, to the extent consistent with the terms hereof.

(h) Amendments. Not make or consent to any amendment or other modification or waiver with respect to any of the Pledged Shares of such Grantor or enter into any agreement or allow to exist any restriction with respect to any of the Pledged Shares of such Grantor to the extent such action could reasonably be expected to result in a violation of the Collateral and Guarantee Requirement.

(i) Reserved.

(j) Reserved.

(k) Issuance or Acquisition of Equity Interests. Not, without promptly executing and delivering, or causing to be executed and delivered, to the Collateral Agent such agreements, documents and instruments as the Collateral Agent may reasonably request for the purpose of perfecting its security interest therein, issue or acquire any Equity Interests constituting Pledged Shares consisting of an interest in a partnership or a limited liability company that (i) is dealt in or traded on a securities exchange or in a securities market, (ii) by its terms expressly provides that it is a security governed by Article 8 of the UCC, (iii) is an Investment Company Security, (iv) is held in a securities account or (v) constitutes a Security or a Financial Asset.

8. Advances. On failure of any Obligor to perform any of the covenants and agreements contained herein or in any other Transaction Document, the Collateral Agent may, at its sole option and in its sole discretion, perform the same and in so doing may expend such sums as the Collateral Agent may reasonably deem advisable in the performance thereof, including, without limitation, the payment of any insurance premiums, the payment of any taxes, a payment to obtain a release of a Lien or potential Lien, expenditures made in defending against any adverse claim and all other expenditures that the Collateral Agent may make for the protection of the security hereof or that may be compelled to make by operation of law. All such sums and amounts so expended shall be repayable by the Obligors, on demand, on a joint and several basis (subject to Section 23 hereof) promptly upon timely notice thereof and demand therefor, shall constitute additional Obligations and shall bear interest from the date said amounts are expended at the Interest Rate applicable while an Event of Default has occurred and is continuing. No such performance of any covenant or agreement by the Collateral Agent on behalf of any Obligor, and no such advance or expenditure therefor, shall relieve the Obligors of any Default or Event of Default. The Collateral Agent may make any payment hereby authorized in accordance with any bill, statement or estimate procured from the appropriate public office or holder of the claim to be discharged, without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax assessment, sale, forfeiture, tax lien, title or claim except to the extent such payment is being contested in good faith by an Obligor in appropriate proceedings and against which adequate reserves are being maintained in accordance with GAAP. Notwithstanding the foregoing, the terms of this Section 8 shall only apply when no Permitted Senior Debt is outstanding.

9. Remedies.

(a) General Remedies. Upon the occurrence of an Event of Default and solely during the continuation thereof, the Collateral Agent shall have, in addition to the rights and remedies provided herein, in the Transaction Documents, in any other documents relating to the Obligations, or by law (including, without limitation, levy of attachment, garnishment and the rights and remedies set forth in the UCC of the jurisdiction applicable to the affected Collateral), the rights and remedies of a secured party under the UCC of the jurisdiction applicable to the affected Collateral and, further, the Collateral Agent may, with or without judicial process or the aid and assistance of others to the extent permitted by applicable law, (i) enter on any premises on which any of the Collateral may be located and, without resistance or interference by the Grantors, take possession of the Collateral, (ii)

dispose of any Collateral on any such premises, (iii) require the Grantors to assemble and make available to the Collateral Agent at the expense of the Grantors any Collateral at any place and time designated by the Collateral Agent that is reasonably convenient to both parties, (iv) remove any Collateral from any such premises for the purpose of effecting the sale or other disposition thereof and/or (v) at any place and time or times, sell and deliver any or all Collateral held by or for it at public or private sale, by one or more contracts, in one or more parcels, for cash, upon credit or otherwise, at such prices and upon such terms as the Collateral Agent deems advisable, in its sole discretion (subject to any and all mandatory legal requirements). Each of the Grantors acknowledges that any private sale referenced above may be at prices and on terms less favorable to the seller than the prices and terms that might have been obtained at a public sale. In addition to all other sums due the Collateral Agent and the Secured Parties with respect to the Obligations, the Grantors shall pay the Collateral Agent and each of the Secured Parties all reasonable and documented out-of-pocket costs and expenses incurred by the Collateral Agent or any such Secured Party, in enforcing its remedies hereunder including, but not limited to, reasonable and documented attorneys' fees and court costs, in obtaining or liquidating the Collateral, in enforcing payment of the Obligations, or in the prosecution or defense of any action or proceeding by or against the Collateral Agent or the Secured Parties or the Grantors concerning any matter arising out of or connected with this Agreement, any Collateral or the Obligations, including, without limitation, any of the foregoing arising in, arising under or related to a case under Debtor Relief Laws. To the extent the rights of notice cannot be legally waived hereunder, each Grantor agrees that any requirement of reasonable notice shall be met if such notice, specifying the place of any public sale or the time after which any private sale is to be made, is personally served on or mailed, postage prepaid, to the Company in accordance with the notice provisions set forth in the Transaction Documents at least ten (10) Business Days before the time of sale or other event giving rise to the requirement of such notice. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. The Collateral Agent shall not be obligated to make any sale or other disposition of the Collateral regardless of notice having been given. To the extent permitted by law, any Secured Party may be a purchaser at any such sale. To the extent permitted by applicable law, each of the Grantors hereby waives all of its rights of redemption with respect to any such sale. Subject to the provisions of applicable law, the Collateral Agent and the Secured Parties may postpone or cause the postponement of the sale of all or any portion of the Collateral by announcement at the time and place of such sale, and such sale may, without further notice, to the extent permitted by law, be made at the time and place to which the sale was postponed, or the Collateral Agent may further postpone such sale by announcement made at such time and place.

(b) Remedies Relating to Accounts. Upon the occurrence of an Event of Default and solely during the continuation thereof, whether or not the Collateral Agent has exercised any or all of its rights and remedies hereunder, (i) each Grantor will promptly upon request of the Collateral Agent instruct all account debtors to remit all payments in respect of Accounts to a mailing location selected by the Collateral Agent and (ii) the Collateral Agent shall have the right to enforce any Grantor's rights against its customers and account debtors, and the Collateral Agent or its designee may notify (or require such Grantor to notify) any Grantor's customers and account debtors that the Accounts of such Grantor have been assigned to the Collateral Agent or of the Collateral Agent's security interest therein and may (either in its own name or in the name of a Grantor or both) demand, collect (including without limitation by way of a lockbox arrangement), receive, take receipt for, sell, sue for, compound, settle, compromise and give acquittance for any and all amounts due or to become due on any Account, and, in the Collateral Agent's discretion, file any claim or take any other action or proceeding to protect and realize upon the security interest of the Secured Parties in the Accounts. Each Grantor acknowledges and agrees that the Proceeds of its Accounts remitted to or on behalf of the Collateral Agent in accordance with the provisions hereof shall be

solely for the Collateral Agent's own convenience and that such Grantor shall not have any right, title or interest in such Accounts or in any such other amounts except as expressly provided herein. The Collateral Agent and the other Secured Parties shall have no liability or responsibility to any Grantor for acceptance of a check, draft or other order for payment of money bearing the legend "payment in full" or words of similar import or any other restrictive legend or endorsement or be responsible for determining the correctness of any remittance. Furthermore, upon the occurrence of an Event of Default and solely during the continuation thereof, (A) the Collateral Agent shall have the right, but not the obligation, to make test verifications of the Accounts in any manner and through any medium that it reasonably considers advisable, and the Grantors shall furnish all such assistance and information as the Collateral Agent may require in connection with such test verifications, (B) upon the Collateral Agent's request and at the expense of the Grantors, the Grantors shall cause independent public accountants or others satisfactory to the Collateral Agent to furnish to the Collateral Agent reports showing reconciliations, aging and test verifications of and trial balances for, the Accounts and (C) the Collateral Agent in its own name or in the name of others may communicate with account debtors on the Accounts to verify with them to the Collateral Agent's satisfaction the existence, amount and terms of any Accounts.

(c) Remedies Relating to Pledged Shares.

(i) Sale of Pledged Shares. Upon the occurrence of an Event of Default and solely during the continuation thereof, without limiting the generality of this Section 9 and without notice, the Collateral Agent may, in its sole discretion, sell or otherwise dispose of or realize upon the Pledged Shares, or any part thereof, in one or more parcels, at public or private sale, at any exchange or broker's board or elsewhere, at such price or prices and on such other terms as the Collateral Agent may deem commercially reasonable, for cash, credit or for future delivery or otherwise in accordance with applicable law. To the extent permitted by law, any Secured Party may in such event, bid for the purchase of such securities. Each Grantor agrees that, to the extent notice of sale shall be required by law and has not been waived by such Grantor, any requirement of reasonable notice shall be met if notice, specifying the place of any public sale or the time after which any private sale is to be made, is personally served on or mailed, postage prepaid, to such Grantor, in accordance with the notice provisions set forth in the Transaction Documents at least ten (10) Business Days before the time of such sale. The Collateral Agent shall not be obligated to make any sale of Pledged Shares of such Grantor regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(ii) Private Sale. Upon the occurrence of an Event of Default and solely during the continuation thereof, the Grantors recognize that the Collateral Agent may be unable or deem it impracticable to effect a public sale of all or any part of the Pledged Shares or any of the securities constituting Pledged Shares and that the Collateral Agent may, therefore, determine to make one or more private sales of any such Pledged Shares to a restricted group of purchasers who will be obligated to agree, among other things, to acquire such Pledged Shares for their own account, for investment and not with a view to the distribution or resale thereof, and who are "accredited investors" under the Securities Act. Each Grantor acknowledges and agrees that any such private sale may be at prices and on other terms less favorable than the prices and other terms that might have been obtained at a public sale and, notwithstanding the foregoing, agrees that such private sale shall be deemed to have been made in a commercially reasonable manner and that the

Collateral Agent shall have no obligation to delay sale of any such Pledged Shares for the period of time necessary to permit the issuer of such Pledged Shares to register such Pledged Shares for public sale under the Securities Act or under applicable state securities laws. Each Grantor further acknowledges and agrees that any offer to sell such Pledged Shares that has been publicly advertised on a bona fide basis in a newspaper or other publication of general circulation in the financial community of New York, New York (to the extent that such offer may be advertised without prior registration under the Securities Act) shall be deemed to involve a “public sale” under the UCC, notwithstanding that such sale may not constitute a “public offering” under the Securities Act, and the Collateral Agent may, in such event, bid for the purchase of such Pledged Shares.

(d) Access. In addition to the rights and remedies hereunder, upon the occurrence of an Event of Default and solely during the continuation thereof, the Collateral Agent shall have the right to enter and remain upon the various premises of the Grantors without cost or charge to the Collateral Agent and use the same, together with materials, supplies, books and records of the Grantors for the purpose of collecting and liquidating the Collateral, or for preparing for sale and conducting the sale of the Collateral, whether by foreclosure, auction or otherwise. In addition, at such time the Collateral Agent may remove Collateral, or any part thereof, from such premises and/or any records with respect thereto, in order to effectively collect or liquidate such Collateral.

(e) Nonexclusive Nature of Remedies. Failure by the Collateral Agent or the Secured Parties to exercise any right, remedy or option under this Agreement, any other Transaction Document, any other documents relating to the Obligations, or as provided by law, or any delay by the Collateral Agent or the Secured Parties in exercising the same, shall not operate as a waiver of any such right, remedy or option. No waiver hereunder shall be effective unless it is in writing, signed by the party against whom such waiver is sought to be enforced and then only to the extent specifically stated, which in the case of the Collateral Agent or the Secured Parties shall only be granted as provided herein. To the extent permitted by law, neither the Collateral Agent, the Secured Parties, nor any party acting as attorney for the Collateral Agent or the Secured Parties, shall be liable hereunder for any acts or omissions or for any error of judgment or mistake of fact or law other than their gross negligence or willful misconduct hereunder. The rights and remedies of the Collateral Agent and the Secured Parties under this Agreement shall be cumulative and not exclusive of any other right or remedy that the Collateral Agent or the Secured Parties may have.

(f) Retention of Collateral. To the extent permitted by applicable law, in addition to the rights and remedies hereunder, upon the occurrence of an Event of Default and solely during the continuation thereof, the Collateral Agent may, in compliance with Sections 9-620 and 9-621 of the UCC (or any successor section) or otherwise complying with the requirements of applicable law of the relevant jurisdiction, accept or retain all or any portion of the Collateral in satisfaction of the Obligations. Unless and until the Collateral Agent shall have provided such notices, however, the Collateral Agent shall not be deemed to have accepted or retained any Collateral in satisfaction of any Obligations for any reason.

(g) Deficiency. In the event that the proceeds of any sale, collection or realization are insufficient to pay all amounts to which the Collateral Agent or the Secured Parties are legally entitled, the Obligors shall be jointly and severally liable for the deficiency (subject to Section 23 hereof), together with interest thereon at the Interest Rate applicable while an Event of Default has occurred and is continuing, together with the costs of collection and the reasonable fees, charges and disbursements of counsel. Any surplus remaining after the full payment and satisfaction of the

Obligations shall be returned to the Obligors or to whomsoever a court of competent jurisdiction shall determine to be entitled thereto.

(h) No Objection. An Israeli Guarantor shall, and each Israeli Guarantor does hereby, and at all times shall, irrevocably and unconditionally waive any right it may have to object to any application by the Collateral Agent to a court of competent jurisdiction to exercise the powers accorded to it under this Agreement or similar powers, or to appoint a trustee, administrator, receiver, liquidator or other official with such or similar powers.

10. Rights of the Collateral Agent.

(a) Power of Attorney. In addition to other powers of attorney contained herein, each Grantor hereby designates and appoints the Collateral Agent, on behalf of the Secured Parties, and each of its designees or agents, as attorney-in-fact of such Grantor, irrevocably and with power of substitution, with authority to take any or all of the following actions upon the occurrence and solely during the continuation of an Event of Default:

(i) to demand, collect, settle, compromise and adjust, and give discharges and releases concerning the Collateral, all as the Collateral Agent may reasonably deem appropriate;

(ii) to commence and prosecute any actions at any court for the purposes of collecting any of the Collateral and enforcing any other right in respect thereof;

(iii) to defend, settle or compromise any action, suit or proceeding brought and, in connection therewith, give such discharge or release as the Collateral Agent may reasonably deem appropriate;

(iv) to receive, open and dispose of mail addressed to a Grantor and endorse checks, notes, drafts, acceptances, money orders, bills of lading, warehouse receipts or other instruments or documents evidencing payment, shipment or storage of the goods giving rise to the Collateral on behalf of and in the name of such Grantor, or securing, or relating to such Collateral;

(v) to pay or discharge taxes, liens, security interests or other encumbrances levied or placed on or threatened against the Collateral;

(vi) to direct any parties liable for any payment in connection with any of the Collateral to make payment of any and all monies due and to become due thereunder directly to the Collateral Agent or as the Collateral Agent shall direct;

(vii) to receive payment of and receipt for any and all monies, claims and other amounts due and to become due at any time in respect of or arising out of any Collateral;

(viii) to maintain (including determining not to renew, pursue or further file) and enforce all IP Rights, forming any part of the Collateral;

(ix) to sell, assign, transfer, license, make any agreement in respect of, or otherwise deal with or exercise rights in respect of, any Collateral or the goods or services that have given rise thereto, as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes;

(x) to adjust and settle claims under any insurance policy relating thereto;

(xi) to execute and deliver all assignments, conveyances, statements, financing statements, renewal financing statements, security and pledge agreements, affidavits, notices and other agreements, instruments and documents that the Collateral Agent may reasonably deem appropriate in order to perfect and maintain the security interests and liens granted in this Agreement and in order to fully consummate all of the transactions contemplated therein;

(xii) to institute any foreclosure proceedings that the Collateral Agent may reasonably deem appropriate;

(xiii) to sign and endorse any drafts, assignments, proxies, stock powers, verifications, notices and other documents relating to the Pledged Shares;

(xiv) to exchange any of the Pledged Shares or other property upon any merger, consolidation, reorganization, recapitalization or other readjustment of the issuer thereof and, in connection therewith, deposit any of the Pledged Shares with any committee, depository, transfer agent, registrar or other designated agency upon such terms as the Collateral Agent may deem reasonably appropriate;

In the event of a public or private sale of Collateral pursuant to Section 9 hereof, the Collateral Agent shall have no responsibility for (i) ascertaining or taking action with respect to any matters relating to any Collateral, whether or not the Collateral Agent has or is deemed to have knowledge of such matters or (ii) taking any steps to clean, repair or otherwise prepare the Collateral for sale.

(ii) Upon the occurrence and during the continuance of an Event of Default, and delivery by the Collateral Agent to the applicable Grantor of notice of its intent to exercise its rights under this Section 10(e), all rights of a Grantor to exercise the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to paragraph (i) of this subsection shall cease and all such rights shall thereupon become vested in the Collateral Agent, which shall then have the sole right to exercise such voting and other consensual rights.

(f) Dividend Rights in Respect of the Pledged Shares.

(i) So long as no Event of Default shall have occurred and be continuing and subject to Section 7(c) hereof, each Grantor may receive and retain any and all dividends and distributions (other than stock dividends and other dividends and distributions constituting Pledged Shares addressed hereinabove) or interest paid in respect of the Pledged Shares.

Notwithstanding the foregoing, all releases and indemnities provided hereunder shall survive termination of this Agreement.

(b) This Agreement shall continue to be effective or be automatically reinstated, as the case may be, if at any time payment, in whole or in part, of any of the Obligations is rescinded or must otherwise be restored or returned by the Collateral Agent or any Secured Party as a preference,

fraudulent conveyance or otherwise under any bankruptcy, insolvency or similar law, all as though such payment had not been made; provided, that, in the event payment of all or any part of the Obligations is rescinded or must be restored or returned, all costs and expenses (including, without limitation, reasonable attorneys' fees and disbursements) incurred by the Collateral Agent or any Secured Party in defending and enforcing such reinstatement shall be deemed to be included as a part of the Obligations.

The Junior Lender hereby acknowledges that the constitution and appointment of such proxy and attorney-in-fact are coupled with an interest and are irrevocable. The Junior Lender hereby ratifies and confirms all that said attorney-in-fact may do or cause to be done by virtue of any provision of this Agreement.

2.2 The Junior Lender represents and warrants to the Senior Lender that, to the knowledge of Junior Lender, no default or of any event which, with the lapse of time, the giving of notice or both, would constitute a default under the Junior Debt or any instrument evidencing or securing the Junior Debt, has occurred and is continuing (a "**Junior Debt Default**"), and the Junior Lender further agrees to promptly provide the Senior Lender with written notice of any Junior Debt Default.

2.3 The Junior Lender represents and warrants to the Senior Lender that the outstanding amount of Junior Debt evidenced by the Junior Debt Instruments as of the date hereof is \$26,695,110.54.

3.2 The Junior Lender consents and agrees that all Senior Debt shall be deemed to have been made, incurred and/or continued at the request of the Junior Lender and in reliance upon this Agreement.

3.3 The Junior Lender agrees that the Senior Lender has made no warranties or representations with respect to the due execution, legality, validity, completeness or enforceability of the documents, instruments and agreements evidencing the Senior Debt, that the Senior Lender shall be entitled to manage and supervise its financial arrangements with the Junior Lender in accordance with its usual practices, without impairing or affecting this Agreement.

3.4 The Junior Lender agrees that the Senior Lender shall have no liability to the Junior Lender, and in particular, the Junior Lender hereby waives any claim which it may now or hereafter have against the Senior Lender arising out of (i) any and all actions which the Senior Lender takes or omits to take (including without limitation actions with respect to the creation, perfection or continuation of liens or security interests in any existing or future the Senior Lender's Collateral, actions with respect to the occurrence of an event of default under any documents, instruments or agreements evidencing the Senior Debt, actions with respect to the foreclosure upon, sale, release, or depreciation of, or failure to realize upon, any of the Senior Lender's Collateral and actions with respect to the collection of any claim for all or any part of the Senior Debt from any account debtor, guarantor or other person or entity) with respect to the documents, instruments and agreements evidencing the Senior Debt or to the collection of the Senior Debt or the valuation, use, protection or release of the Senior Lender's Collateral, (ii) the Senior Lender's election (whether on behalf of the Senior Lender or the Junior Lender) in any proceeding instituted under the Bankruptcy Code, and/or (iii) any borrowing or grant of a security interest under Section 364 of the Bankruptcy Code by the Borrower, as debtor-in-possession.

4. Further Assurances. The Junior Lender agrees that the Senior Lender, at any time and from time to time hereafter, may enter into such agreements with the Borrower as the Senior Lender may deem proper extending the time of payment of or renewing or otherwise altering the terms of all or any of the Senior Debt or affecting any of the Senior Lender's Collateral, and may sell or surrender or otherwise deal with any of the Senior Lender's Collateral, and may release any balance of funds of the Borrower with the Senior Lender, without notice to the Junior Lender and without in any way impairing or affecting this Agreement.

5. Continuing Agreement. This Agreement shall be irrevocable and shall constitute a continuing agreement of subordination and shall be binding on the Junior Lender and its heirs, personal representatives, successors and assigns, and shall inure to the benefit of the Senior Lender, its successors and assigns until the Senior Lender has, in writing, notified the Junior Lender that all of the Senior Debt has been paid in full and all obligations arising in connection therewith have been discharged. The Senior Lender may continue, without notice to the Junior Lender, to lend monies, extend credit and make other accommodations to or for the account of the Borrower on the faith hereof. The Junior Lender hereby assumes responsibility for keeping itself informed of the financial condition of the Borrower, any and all endorsers and any and all guarantors of the Senior Debt and the Junior Debt, and of all other circumstances bearing upon the risk of nonpayment of the Senior Debt and the Junior Debt that diligent inquiry would reveal, and the Junior Lender hereby agrees that the Senior Lender shall have no duty to advise the Junior Lender of information known to the Senior Lender regarding such condition or any such circumstances or to undertake any investigation. If the Senior Lender, in its sole discretion, undertakes, at any time or from time to time, to provide any information of the type described herein to the Junior Lender, the Senior Lender shall be under no obligation to subsequently update any such information or to provide any such information to the Junior Lender on any subsequent occasion.

The Senior Lender shall have no duty to preserve rights against prior parties on any instrument or chattel paper received from the Borrower or the Junior Lender as collateral security for the Senior Debt or any portion thereof.

8. No Marshalling. The Junior Lender, on its own behalf and on behalf of its successors and assigns hereby expressly waives all rights, if any, to require a marshalling of the Borrower's assets by the Senior Lender or to require that the Senior Lender first resort to some or any portion of any collateral for the Senior Debt before foreclosing upon, selling or otherwise realizing on any other portion thereof.

9. Reinstatement. To the extent that the Borrower makes a payment to the Senior Lender or the Senior Lender receives any payment or proceeds of the collateral securing the Senior Debt for the Borrower's benefit, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable doctrine, then, to the extent of such payment or proceeds received and not retained by the Senior Lender, the Junior Lender's obligations intended to be satisfied thereby and this Agreement shall be reinstated and continue in full force and effect until full and final payment shall have been made to the Senior Lender. The Junior Lender agrees to hold in trust for the Senior Lender and promptly remit to the Senior Lender any payments received by the Junior Lender after such invalidated, rescinded or returned payment was originally made.

10. Waiver In Writing. No waiver shall be deemed to be made by the Senior Lender of any of its rights hereunder unless the same shall be in writing signed on behalf of the Senior Lender and each such waiver, if any, shall be a waiver only with respect to the specific matter or matters to which the waiver relates and shall in no way impair the rights of the Senior Lender or the obligations of the Junior Lender to the Senior Lender in any other respect at any other time.

If the Senior Lender, in its sole discretion, undertakes, at any time or from time to time, to provide any information of the type described herein to the Junior Lender, the Senior Lender shall be under no obligation to subsequently update any such information or to provide any such information to the Junior Lender on any subsequent occasion.

7. Senior Lender's Duty Limited. The rights granted to the Senior Lender in this Agreement are solely for its protection and nothing herein contained imposes on the Senior Lender any duties with respect to any property of either the Borrower or of the Junior Lender received by the Senior Lender beyond the duty to exercise reasonable care in the custody and preservation of such property while in the Senior Lender's possession. The Senior Lender shall have no duty to preserve rights against prior parties on any instrument or chattel paper received from the Borrower or the Junior Lender as collateral security for the Senior Debt or any portion thereof.

8. No Marshalling. The Junior Lender, on its own behalf and on behalf of its successors and assigns hereby expressly waives all rights, if any, to require a marshalling of the Borrower's assets by the Senior Lender or to require that the Senior Lender first resort to some or any portion of any collateral for the Senior Debt before foreclosing upon, selling or otherwise realizing on any other portion thereof.

9. Reinstatement. To the extent that the Borrower makes a payment to the Senior Lender or the Senior Lender receives any payment or proceeds of the collateral securing the Senior Debt for the Borrower's benefit, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state, provincial or federal law, common law or equitable doctrine, then, to the extent of such payment or proceeds received and not retained by the Senior Lender, the Junior Lender's obligations intended to be satisfied thereby and this Agreement shall be reinstated and continue in full force and effect until full and final payment shall have been made to the Senior Lender. The Junior Lender agrees to hold in trust for the Senior Lender and promptly remit to the Senior Lender any payments received by the Junior Lender after such invalidated, rescinded or returned payment was originally made.

10. Waiver In Writing. No waiver shall be deemed to be made by the Senior Lender of any of its rights hereunder unless the same shall be in writing signed on behalf of the Senior Lender and each such waiver, if any, shall be a waiver only with respect to the specific matter or matters to which the waiver relates and shall in no way impair the rights of the Senior Lender or the obligations of the Junior Lender to the Senior Lender in any other respect at any other time.

11. Choice Of Law. This Agreement shall be governed and controlled by the internal laws of the State of Florida.

12. FORUM SELECTION AND CONSENT TO JURISDICTION. ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH THIS AGREEMENT, SHALL BE BROUGHT AND MAINTAINED IN THE NON-EXCLUSIVE JURISDICTION OF THE COURTS OF MIAMI-DADE COUNTY, THE STATE OF FLORIDA OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF FLORIDA; PROVIDED THAT NOTHING IN THIS AGREEMENT SHALL BE DEEMED OR OPERATE TO
